
The powers and duties of the Board of Governors shall include the following:

(1) The Board of Governors shall plan and develop a coordinated system of higher education in North Carolina. To this end it shall govern the 16 constituent institutions, subject to the powers and responsibilities given in this Article to the boards of trustees of the institutions, and to this end it shall maintain close liaison with the State Board of Community Colleges, the Community Colleges System Office and the private colleges and universities of the State. The Board, in consultation with representatives of the State Board of Community Colleges and of the private colleges and universities, shall prepare and from time to time revise a long-range plan for a coordinated system of higher education, supplying copies thereof to the Governor, the members of the General Assembly, and the institutions. Statewide federal or State programs that provide aid to institutions or students of post-secondary education through a State agency, except those related exclusively to the community college system, shall be administered by the Board pursuant to any requirements of State or federal statute in order to insure that all activities are consonant with the State's long-range plan for higher education.

(2) The Board of Governors shall be responsible for the general determination, control, supervision, management and governance of all affairs of the constituent institutions. For this purpose the Board may adopt such policies and regulations as it may deem wise. Subject to applicable State law and to the terms and conditions of the instruments under which property is acquired, the Board of Governors may acquire, hold, convey or otherwise dispose of, invest and reinvest any and all real and personal property, with the exception of any property that may be held by trustees of institutional endowment funds under the provisions of G.S. 116-36 or that may be held, under authority delegated by the Board of Governors, either by a board of trustees or by trustees of any other endowment or trust fund.

(2a) The Board of Governors of The University of North Carolina may hire staff members deemed necessary by the Board to report directly to the Board. The Board of Governors shall determine the job titles, responsibilities, and salaries and benefits for all staff members hired by and reporting directly to the Board. Salaries and benefits for staff members hired pursuant to this subdivision shall be competitive with other positions of similar level and authority within The University of North Carolina System.

When the Board of Governors hires a staff member pursuant to this subdivision, the Board shall submit a report within 60 days of the date of employment to the Joint Legislative Education Oversight Committee that provides at least the following information regarding the position: job title, description of the position, responsibilities that accompany the position, salary and benefits, and supervisor, if any, of the position.

(3) The Board shall determine the functions, educational activities and academic programs of the constituent institutions. The Board shall also determine the types of degrees to be awarded. The powers herein given to the Board shall not be restricted by any provision of law assigning specific functions or responsibilities to designated institutions, the powers herein given superseding any such provisions of law. The Board, after adequate notice and after affording the institutional board of trustees an opportunity to be heard, shall have authority to withdraw approval of any existing program if it appears
that the program is unproductive, excessively costly or unnecessarily duplicative. The Board shall review the productivity of academic degree programs every two years, using criteria specifically developed to determine program productivity.

(3a) The Board of Governors shall direct each constituent institution to adopt a policy that authorizes a minimum of two excused absences each academic year for religious observances required by the faith of a student. The policy may require that the student provide written notice of the request for an excused absence a reasonable time prior to the religious observance. The policy shall also provide that the student shall be given the opportunity to make up any tests or other work missed due to an excused absence for a religious observance.

(3b) The Board of Governors shall adopt a policy to be applied uniformly throughout The University of North Carolina to provide that any student enrolled in a constituent institution who is a National Guard service member placed onto State active duty status during an academic term shall be given an excused absence for the period of time the student is on active duty. The policy shall further provide all of the following:
   a. The student shall be given the opportunity to make up any test or other work missed during the excused absence.
   b. The student shall be given the option, when feasible, to continue classes and coursework during the academic term through online participation for the period of time the student is placed on active duty.
   c. The student shall be given the option of receiving a temporary grade of "incomplete (IN)" or "absent from the final exam (AB)" for any course that the student was unable to complete as a result of being placed on State active duty status; however, the student must complete the course requirements within the period of time specified by the constituent institution to avoid receiving a failing grade for the course.
   d. The student shall be permitted to drop, with no penalty, any course that the student was unable to complete as a result of being placed on State active duty status.

(4) The Board of Governors shall elect officers as provided in G.S. 116-14. Subject to the provisions of section 18 of this act [Session Laws 1971, Chapter 1244, section 18], the Board shall also elect, on nomination of the President, the chancellor of each of the constituent institutions and fix his compensation. The President shall make his nomination from a list of not fewer than two names recommended by the institutional board of trustees.

(4b) The Board of Governors shall encourage the constituent institutions to offer courses in American Sign Language as a modern foreign language.

(4c) The Board of Governors shall require each constituent institution to develop and implement a policy that recognizes the Cherokee language as a language for which a student may satisfy the foreign language course requirement for degree completion at the institution.

(5) The Board of Governors shall, on recommendation of the President and of the appropriate institutional chancellor, appoint and fix the compensation of all vice-chancellors, senior academic and administrative officers and persons having permanent tenure.

(5a) [Expired.]
(5b) The Board of Governors may by resolution provide that, until July 1, 1998, every president, vice-president, and other administrative officer of the University whom it elects and who is not subject to Chapter 126 of the General Statutes, and every chancellor, vice-chancellor, senior academic officer, senior administrative officer, and faculty member who serves a constituent institution or agency of the University and who is not subject to Chapter 126 of the General Statutes, shall retire on July 1 coincident with or next following his seventieth birthday, unless continued in service on a year-to-year basis in accordance with regulations adopted by the Board of Governors.

(6) The Board shall approve the establishment of any new publicly supported institution above the community college level.

(7) The Board shall set tuition and required fees at the institutions, not inconsistent with actions of the General Assembly.

(7a) The Board of Governors shall develop a uniform core set of notification principles regarding the tuition surcharge, including a process for each campus to notify students and parents at orientation and through each semester's tuition statements, and a process to provide appropriate advance notification to a student when the student is approaching the credit hour limit regarding the tuition surcharge. The Board of Governors shall direct each constituent institution to implement these procedures.

(8) The Board shall set enrollment levels of the constituent institutions.

(8a) The Board of Governors, after consultation with representatives from nonpublic schools, including representatives of nonpublic schools operated under Parts 1 and 3 of Article 39 of Chapter 115C of the General Statutes, and after taking into consideration comments received from the Joint Legislative Education Oversight Committee, shall adopt a policy regarding uniform admissions requirements for applicants from nonpublic schools lawfully operated under Article 39 of Chapter 115C of the General Statutes. The policy shall not arbitrarily differentiate between applicants based upon whether the applicant attended a public or a lawfully operated nonpublic school.

(8b) The Board of Governors shall adopt a policy that prohibits any constituent institution from soliciting or using information regarding the accreditation of a secondary school located in North Carolina that a person attended as a factor affecting admissions, loans, scholarships, or other educational activity at the constituent institution, unless the accreditation was conducted by a State agency. For purposes of this subdivision, the term "accreditation" shall include certification or any other similar approval process.

(9) a. The Board of Governors shall develop, prepare and present to the Governor and the General Assembly a single, unified recommended budget for all of the constituent institutions of The University of North Carolina. The recommendations shall consist of requests in three general categories: (i) funds for the continuing operation of each constituent institution, (ii) funds for salary increases for employees exempt from the North Carolina Human Resources Act and (iii) funds requested without reference to constituent institutions, itemized as to priority and covering such areas as new programs and activities, expansions of programs and activities, increases in enrollments, increases to accommodate internal shifts and categories of persons served, capital improvements, improvements in levels of operation and increases to remedy deficiencies, as well as other areas. The president
may present to the General Assembly an updated estimate of tuition, fees, and other receipts by June 15 of each year to be included in the budget for the following fiscal year.

a. The Board of Governors shall provide full documentation and justification of any enrollment change funding request at the time it is recommended. This documentation and justification shall include the most recent academic year’s actual enrollment numbers in the same format in which the growth increase request is made. The actual enrollment numbers shall be the actual student credit hours (SCH) or full-time equivalencies (FTE).

b. Funds for the continuing operation of each constituent institution shall be appropriated directly to the institution. Funds for salary increases for employees exempt from the North Carolina Human Resources Act shall be appropriated to the Board in a lump sum for allocation to the institutions. Funds for the third category in paragraph a of this subdivision shall be appropriated to the Board in a lump sum for allocation to the institutions. The Board shall make allocations among the institutions in accordance with the Board’s schedule of priorities and any specifications in the Current Operations Appropriations Act. When both the Board and the Director of the Budget deem it to be in the best interest of the State, funds in the third category may be allocated, in whole or in part, for other items within the list of priorities or for items not included in the list. Provided, nothing herein shall be construed to allow the General Assembly, except as to capital improvements, to refer to particular constituent institutions in any specifications as to priorities in the third category.

c. The Director of the Budget may, on recommendation of the Board, authorize transfer of appropriated funds from one institution to another to provide adjustments for over or under enrollment or may make any other adjustments among institutions that would provide for the orderly and efficient operation of the institutions.

d. Repealed by Session Laws 1987, c. 795, s. 27.

e. For the purposes of allocating enrollment funding to constituent institutions of The University of North Carolina, beginning with the 2021-2022 fiscal year, the Board of Governors shall allocate funds each fiscal year to constituent institutions on the same basis as full-time students enrolled in a curriculum program for up to 100 resident full-time students enrolled in either a four-semester or eight-semester certificate accomplishment program approved by the United States Department of Education as a Comprehensive Transition Program (CTP) pursuant to the Higher Education Opportunity Act of 2008, 20 U.S.C. §§ 1140f – 1140i. If more than 100 resident full-time students are enrolled in CTPs at constituent institutions in any academic year, the Board of Governors shall allocate funds to each eligible constituent institution on a pro rata basis.

(9a) The Board of Governors shall report to the Joint Legislative Education Oversight Committee and the Office of State Budget and Management by March 1 of each year regarding the sum of facilities and administrative fees and overhead receipts for The University of North Carolina that are collected

To this end it shall work cooperatively with the Community Colleges System Office and shall seek the assistance of the private colleges and universities. It may prescribe for the constituent institutions such uniform reporting practices and policies as it may deem desirable.
