

**§ 116-41.5. Contents of resolution authorizing issuance; powers liberally construed; deposit and use of revenues; rights and remedies of bondholders; service charges; insurance of projects; depositaries.**

The Board in the resolution authorizing the issuance of bonds under this Part may provide for a pledge to the payment of such revenue bonds and the interest thereon of the revenue derived from the project and also for a pledge of the revenues derived from any system, facility, plant, works, instrumentalities or properties improved, bettered, or extended by the project or otherwise within the jurisdiction of or operated by the University in connection with the University of North Carolina at Chapel Hill, North Carolina, the revenues derived from any future improvements, betterments or extensions of the project, the revenues derived from the University Enterprises, or any part thereof, or the revenues from the project and any or all of the revenues mentioned in this sentence, without regard to whether the operations involved are deemed governmental or proprietary, it being the purpose hereof to vest in the Board broad powers which shall be liberally construed. So long as any revenues of the University mentioned in this paragraph are pledged for the payment of the principal of or interest on any bonds issued hereunder, such revenues shall be deposited in a special fund and shall be applied and used only as provided in the resolution authorizing such bonds, subject, however, to any prior pledge or encumbrance thereof.

The resolution authorizing the issuance of the bonds may contain provisions for protecting and enforcing the rights and remedies of the holders of the bonds, including covenants setting forth the duties of the University in relation to the construction of any project to be financed with the proceeds of said bonds, and to the maintenance, repair, operation and insurance of such project or any other project, systems, facilities, plants, works, instrumentalities, properties, the University Enterprises or any part thereof, if the revenues thereof are in any way pledged as security for the bonds; the fixing and revising of service charges and the collection thereof; and the custody, safeguarding and application of all moneys of the University pertaining to the project and the bonds, and all revenues pledged therefor. Notwithstanding the provisions of any other law, the Board may carry insurance on any such project in such amounts and covering such risks as it may deem advisable. It shall be lawful for any bank or trust company incorporated under the laws of the State of North Carolina which may act as depositary of the proceeds of bonds or of revenues to furnish such indemnifying bonds or to pledge such securities as may be required by the Board. Such resolution may set forth the rights and remedies of the bondholders and may restrict the individual right of action by bondholders. Such resolution may contain such other provisions in addition to the foregoing as the Board may deem reasonable and proper for the security of the bondholders.

The Board may provide for the payment of the proceeds of the bonds and any revenues pledged therefor to such officer, board or depositary as it may designate for the custody thereof, and for the method of disbursement thereof, with such safeguards and restrictions as it may determine. All expenses incurred in carrying out the provisions of such resolution may be treated as a part of the cost of operation. (1961, c. 1078, s. 5; 1971, c. 1244, s. 15.)
