It shall also be unlawful for any officer or employee of a governmental agency who is charged with the duty of:

- (1) Preparing plans, specifications, or estimates for public contracts; or
- (2) Awarding or administering public contracts; or
- (3) Inspecting or supervising construction

willfully to receive or accept any such gift or favor.

(c) Gifts or favors made unlawful by this section shall not be allowed as a deduction for North Carolina tax purposes by any contractor, subcontractor or supplier or officers or employees thereof.

(d) This section is not intended to prevent a gift a public servant would be permitted to accept under G.S. 163A-212, or the gift and receipt of honorariums for participating in meetings, advertising items or souvenirs of nominal value, or meals furnished at banquets. This section is not intended to prevent any contractor, subcontractor, or supplier from making donations to professional organizations to defray meeting expenses where governmental employees are members of such professional organizations, nor is it intended to prevent governmental employees who are members of professional organizations from participation in all scheduled meeting functions available to all members of the professional organization attending the meeting. This section is also not intended to prohibit customary gifts or favors between employees or officers and their friends and relatives or the friends and relatives of their spouses, minor children, or members of their household where it is clear that it is that relationship rather than the business of the individual concerned which is the motivating factor for the gift or favor. However, all such gifts knowingly made or received are required to be reported by the donee to the agency head if the gifts are made by a contractor, subcontractor, or supplier doing business directly or indirectly with the governmental agency employing the recipient of such a gift.
