

§ 136-25. Repair of road detour.

It shall be mandatory upon the Department of Transportation, its officers and employees, or any contractor or subcontractor employed by the said Department of Transportation, to select, lay out, maintain and keep in as good repair as possible suitable detours by the most practical route while said highways or roads are being improved or constructed, and it shall be mandatory upon the said Department of Transportation and its employees or contractors to place or cause to be placed explicit directions to the traveling public during repair of said highway or road under the process of construction. All expense of laying out and maintaining said detours shall be paid out of the State Highway Fund.
