§ 48-3-301. Preplacement assessment required.

- (a) Except as provided in subsection (b) of this section, placement of a minor may occur only if a written preplacement assessment:
- (1) Has been completed or updated within the 18 months immediately preceding the placement; and
 - (2) Contains a finding that the individual who is the subject of the assessment is suitable to be an adoptive parent, either in general or for a specific minor.
- (b) A preplacement assessment is not required in an independent adoption when a prospective adoptive parent is a grandparent, full or half sibling, first cousin, aunt, uncle, great-aunt, great-uncle, or great-grandparent of the minor.
- (c) If a direct placement is made in violation of this section:
- (1) The prospective adoptive parent shall request any preplacement assessment already commenced to be expedited, and if none has been commenced, shall obtain a preplacement assessment from an agency as authorized by G.S. 48-1-109; in either case, the assessment shall include the fact and date of placement;
 - (2) The court may not enter a decree of adoption until both a favorable preplacement assessment and a report to the court have been completed and filed, and the court may not order a report to the court for at least 30 days after the preplacement assessment has been completed; and
 - (3) If the person who placed the minor executes a consent before receiving a copy of the preplacement assessment, G.S. 48-3-608 shall determine the time within which that person may revoke.
