A BILL TO BE ENTITLED

1 AN ACT ESTABLISHING A DOMESTIC VIOLENCE FATALITY PREVENTION AND  
2 PROTECTION REVIEW TEAM IN MECKLENBURG COUNTY.

3  
4 Whereas, the General Assembly finds that it is the public policy of this State to  
5 prevent domestic violence fatalities; and

6 Whereas, the General Assembly further finds that the prevention of these fatalities is  
7 a community responsibility and professionals from disparate disciplines have expertise that can  
8 promote the safety and well-being of victims of domestic violence; and

9 Whereas, multidisciplinary reviews of these deaths can lead to a greater  
10 understanding of the causes and methods of preventing these deaths; and

11 Whereas, according to the North Carolina Coalition Against Domestic Violence,  
12 there were 81 domestic violence-related homicides in the State in 2008; and

13 Whereas, according to the Charlotte Mecklenburg Police Department, there were 11  
14 domestic violence-related homicides in Charlotte, North Carolina, in 2008; and

15 Whereas, the Charlotte Mecklenburg area is a leader throughout the State with its  
16 innovative domestic violence programming and services, yet there remains a disconnect when  
17 it comes to the rate of domestic violence-related homicides; and

18 Whereas, there is a need to increase safety of citizens with one strategy mitigating  
19 the effect of abuse by increasing the safety of victims of domestic violence, exploring  
20 circumstances from a strengths perspective to allow professionals to gain clarity in the  
21 continued needs of the community; and

22 Whereas, precedence has been established in this area as similar statutes are already  
23 in existence, such as the North Carolina Child Fatality Prevention System, which outlines the  
24 course of action for a statewide disciplinary team to review child fatalities; and

25 Whereas, establishing a Domestic Violence Fatality Prevention and Protection  
26 Review Team will be modeled after the North Carolina Child Fatality Prevention Team, with  
27 potential members representing a cross section of community service providers, including  
28 health, mental health, social services, law enforcement, courts, school professionals, and other  
29 domestic violence service providers; and

30 Whereas, by creating legislation that protects professionals from confidentiality  
31 violations in specific cases where domestic violence-related homicides have occurred, the  
32 effectiveness of this project will be increased; Now, therefore,

33 The General Assembly of North Carolina enacts:
