1	A BILL TO BE ENTITLED					
2	AN ACT AMENDING THE LAWS UNDER THE NORTH CAROLINA HOME					
3	INSPECTOR LICENSURE ACT.					
4	The General Assembly of North Carolina enacts:					
5	PART I. CONTINUING EDUCATION REQUIREMENTS					
6	SECTION 1.1. G.S. 143-151.64(a) reads as rewritten:					
7	"(a) Requirements. – The Board may establish programs of continuing education for					
8	licensees under this Article. A licensee subject to a program under this section shall present					
9	evidence to the Board upon the license renewal following initial licensure, and every renewal					
10	thereafter, that during the 12 months preceding the annual license expiration date the licensee					
11	has completed the required number of classroom hours of instruction in courses approved by					
12	the Board. Annual continuing education hour requirements shall be determined by the Board,					
13	but shall not be more less than 12 credit hours. hours and no more than 20 hours. No member					
14	of the Board shall provide or sponsor a continuing education course under this section while					
15	that person is serving on the Board."					
16	SECTION 1.2. The North Carolina Home Inspector Licensure Board has the					
17	authority under G.S. 143-151.49(a)(12) and G.S. 143-151.55(a) to establish continuing					
18	education requirements as a condition of licensure renewal. Under that authority, the Board					
19	must require home inspectors and associate home inspectors licensed on or before September					
20	30, 2011, to complete a continuing education program that focuses on inspection techniques					
21	and reporting requirements. The program must consist of 48 hours of instruction, composed of					
22	three separate 16-hour segments. A separate segment must be offered each renewal period. A					
23	licensee must complete one segment of the program for each of the three license renewal					
24	periods beginning with the license renewal period that starts on October 1, 2011. A licensee					
25	must complete the three-year program by October 1, 2014. Completion of each program					
26	segment satisfies the continuing education requirements under G.S. 143-151.64 for the renewal					
27	period in which it is completed. The Board may not allow continuing education credit for an					
28	unapproved course under G.S. 143-151.64(c) to be substituted for the continuing education					
29	requirements of this section.					
30	<b>SECTION 1.3.</b> This Part becomes effective October 1, 2009.					
31	PART II. LICENSURE REQUIREMENTS					
32	SECTION 2.1. G.S. 143-151.49 reads as rewritten:

5	PART IV. HOME INSPECTION REPORTS			
6	SECTION 4.1. G.S. 143-151.58 is amended by adding two new subsections to			
7	read:			
8	"(a1) Summary Page. – A written report provided under subsection (a) of this section for			
9	a prepurchase home inspection of three or more systems must include a summary page that			
0	contains the information required by this subsection. All other subject matters pertaining to the			
L	home inspection must appear in the body of the report. The summary page must contain the			
2	following statement: 'This summary page is not the entire report. The complete report may			
3	include additional information of interest or concern to you. It is strongly recommended that			
	you promptly read the complete report. For information regarding the negotiability of any item			
	in this report under the real estate purchase contract, contact your North Carolina real estate			
	agent or an attorney.'			
	The summary page must describe any system or component of the home that does not			
	function as intended, allowing for normal wear and tear that does not prevent the system or			
	component from functioning as intended. The summary page may describe the following:			
	(1) Any system or component that, based upon documented tangible evidence,			
	either requires subsequent examination because the system or component			
	appears not to function as intended or that requires further investigation by a			
	specialist.			
	(2) Any system or component that poses a safety concern.			
	(a2) State Building Code. – If a licensee includes a deficiency in the written report of a			
	home inspection that is stated as a violation of the North Carolina State Residential Building			
	Code, the licensee must do all of the following:			
	(1) Determine the date of construction, renovation, and any subsequent			
	installation or replacement of any system or component of the home.			
	(2) Determine the State Building Code in effect at the time of construction,			
	renovation, and any subsequent installation or replacement of any system or			
	component of the home.			
	(3) Conduct the home inspection using the building codes in effect at the time of			
	the construction, renovation, and any subsequent installation or replacement			
	of any system or component of the home.			
	In order to fully inform the client, if the licensee describes a deficiency as a violation of the			
	State Building Code in the written report, then the report shall include the information			
	described in subdivision (1) of this subsection and photocopies of the relevant provisions of the			
	State Building Code used pursuant to subdivision (2) of this subsection to determine any			
	violation stated in the report. The Board may adopt rules that are more restrictive on the use of			
	the State Building Code by home inspectors."			
	SECTION 4.2. G.S. 143-151.58(d) reads as rewritten:			
	"(d) Record Keeping. – All licensees under this Article shall make and keep full and			
	accurate records of business done under their licenses. Records shall include the written, signed			
	contract and the written report required by subsection (a) of this section and the standards of			
	practice referred to in G.S. 143-151.49(a)(2) and any other information the Board requires by			
	rule. Records shall be retained by licensees for not less than three years. Licensees shall furnish			
	their records to the Board on demand."
