- (4) Any new positions created within the Office of the State Controller to support BEACON HR/Payroll, the reason each position was created, and the associated cost.

INFORMATION TECHNOLOGY CONTRACTED PERSONNEL

SECTION 6.18.(a) Beginning July 1, 2009, and notwithstanding any provision of law to the contrary:

- (1) No contract for information technology personal services, or providing personnel to perform information technology functions, may be established or renewed for any term longer than 12 months unless otherwise specifically required by a contract in effect on June 30, 2009.

- (2) Before any State agency, department, or institution may renew a contract position for information technology personnel, the State agency must report to the Office of State Budget and Management (OSBM), to the Office of State Personnel (OSP), to the Office of Information Technology Services (ITS), and to the Fiscal Research Division (FRD) on the justification for the contract. The report shall explain:
 - a. The proposed duration of the contract position. If the contract term is for more than 12 months, why recruitment for an in-house State employee position is not feasible.
 - b. Whether the contract position requires unique skills for which the State has a short-term need.
 - c. Whether the contract position is required by a specific information technology project and if the position will be terminated upon completion of the project.
 - d. The specific work products and completion time lines for the contract position.
- (3) Contract positions subject to this subsection shall be reviewed and approved by the Statewide Information Technology Procurement Office and shall be entered in the project portfolio management tool.
- (4) Once approved, contract positions will be reviewed by the Office of State Personnel to determine what the market rate is for the type of contractor required, as well as to determine the comparable cost for a State employee. Agencies may not exceed the market rate determined by OSP. However, SAP employees may be paid based on the rate structure currently in use by the State Chief Information Officer for ITS employees.
- (5) After OSP provides cost data, funding for the position is subject to the approval of OSBM.
- (6) Whenever a State agency, department, or institution determines that only a contractor can fill a position and the position is required to perform an ongoing function within the agency, the head of the State agency must develop and implement a plan to hire or train a qualified State employee to fill that position within 12 months. Within 60 days of hiring the contractor, this plan shall be forwarded to the Office of State Budget and Management, to the Office of State Personnel, to the Office of Information Technology Services, to the Joint Legislative Oversight Committee on Information Technology, and to the Fiscal Research Division of the Legislative Services Office.
- (7) Any contract position requiring information technology skills is subject to this provision. OSBM may immediately terminate the funding for any information technology position that is filled without following defined procedures.
- (8) All information technology personnel contracts shall be competitive and shall be subject to competition each time they expire. Exceptions must be approved by ITS, OSP, and OSBM and can only be approved once for a particular individual. Approved exceptions must be immediately reported to the Joint Legislative Oversight Committee on Information Technology and to the Fiscal Research Division of the Legislative Services Office.

SECTION 6.18.(b) By October 1, 2009, and monthly thereafter, each State agency, department, and institution employing information technology personal services contractors, or personnel to perform information technology functions, shall provide a detailed report on those contracts to the Office of State Budget and Management, to the Office of State Personnel, to the Office of Information Technology Services, to the Joint Legislative Oversight Committee on Information Technology, and to the Fiscal Research Division of the Legislative Services Office. Each State agency's report shall include at least the following:

- (1) For each contracted information technology position:

 - b. The name of the individual filling the position and the vendor company, if any, that regularly employs that individual.

- c. The type, start date, and the termination date of the contract.
 - d. The length of time that the individual filling the contracted position has been employed as a contractor.
 - e. The contracted position salary or hourly rate, the number of hours per year, and the total annualized cost of the contracted position.
 - f. The salary and benefits cost for a State employee performing the same function.
 - g. The purchase order number for the position.
- (2) The total annual cost for information technology contractors and the total annual salary and benefits cost for filling the contract positions with State employees.
 - (3) A determination of whether the information technology functions performed by contractors can be performed by State employees, which shall be validated by the Statewide Information Technology Procurement Office.
 - (4) All information required by this subsection related to information technology contractors regardless of the contracting source.

STATE INFORMATION TECHNOLOGY INFRASTRUCTURE CONSOLIDATION

SECTION 6.19.(a) The Office of State Budget and Management (OSBM), in conjunction with the State Chief Information Officer (State CIO), shall continue to consolidate State government's information technology infrastructure where a statewide approach would be more economical, reduce security risks, or minimize potential disruption to services. In carrying out the consolidation, the Office of Information Technology Services shall utilize the authority set out in G.S. 147-33.83.

SECTION 6.19.(b) Information technology infrastructure includes personal computers, hosting and network environments, the help desk, and information technology security of personal computers, servers, and networks.

SECTION 6.19.(c) As part of the consolidation effort, OSBM shall identify (i) contractor positions that have been filled for 12 months or more, beginning March 1, 2009, (ii) the hourly cost of each position, and (iii) any cost savings or other benefits that could be achieved by using State employees to carry out the same duties and responsibilities.

SECTION 6.19.(d) In setting consolidation priorities, OSBM and the State CIO shall target IT infrastructure issues that pose significant risk to agency operations or data, or that provide opportunities for immediate cost savings to the State.

SECTION 6.19.(e) The consolidation of information technology infrastructure conducted by OSBM and the State CIO shall not include The University of North Carolina and its constituent institutions, the Administrative Office of the Courts, and the General Assembly.

SECTION 6.19.(f) Beginning December 1, 2009, and regularly thereafter, the Office of State Budget and Management, in conjunction with the State CIO, shall provide written reports to the Joint Legislative Oversight Committee on Information Technology and the Fiscal Research Division relating to State information technology infrastructure consolidation.

PILOT PROGRAM TO ALLOW PUBLIC-PRIVATE PARTNERSHIPS TO MEET DEPARTMENT OF REVENUE TECHNOLOGY NEEDS

SECTION 6.20.(a) To speed the implementation of the Tax Information Management System (TIMS) and the additional components of the Planning and Design Project (PDP) during the 2009-2011 fiscal biennium, the Secretary of the Department of Revenue may enter into public-private arrangements where (i) the funding of projects under the arrangement comes from revenue generated by the project and (ii) the project is related to the implementation of TIMS and additional components of the PDP. As used in this section, the "additional components of the PDP" are Enterprise Data Warehouse, Management Reporting and Decision Analytics, Customer Relationship Management, Enterprise Case Management, and E-Services.

Work under a public-private arrangement may be contracted by requests for proposals, modifications to existing contracts, and purchases using existing contract vehicles.

The Secretary of Revenue shall establish a measurement process to determine the increased revenue attributable to the public-private arrangements. To accomplish this, the

Secretary shall consult subject matter experts outside the Department of Revenue, both within State government and from private industry. The measurement process shall include:

- (1) Calculation of a revenue baseline against which the increased revenue attributable to the project is measured;
- (2) Periodic evaluation to determine if the baseline needs to be modified based on significant measurable changes in the economic environment; and
- (3) Monthly calculation of increased revenue attributable to contracts executed under this program.

Of funds generated from collections above the baseline established by subdivision (1) of this subsection, in both the General and Highway Funds, up to forty-one million dollars (\$41,000,000) may be authorized by the Office of State Budget and Management (i) for the purchases related to the implementation of TIMS and the additional components of the PDP, including payment for services from non-State entities and (ii) toward internal State costs related to the implementation of TIMS and PDP components. The total of any funds expended during the 2009-2011 biennium for implementation of TIMS and the additional PDP components shall not exceed the sum of forty-one million dollars (\$41,000,000).

If the Department of Revenue finds that it cannot generate additional benefits totaling forty-one million dollars (\$41,000,000) in the 2009-2011 biennium, the Department shall immediately notify the Chairs of the House of Representatives and Senate Appropriations Committees and Fiscal Research Division, identify any obligations to vendors, identify options for meeting obligations to vendors, and provide costs associated with each option. The Department shall ensure that this notification is made in sufficient time to allow the General Assembly to properly evaluate the options presented.

SECTION 6.20.(b) Notwithstanding G.S. 114-2.3, the Department of Revenue shall engage the services of private counsel with the pertinent information technology and computer law expertise to review requests for proposals, and to negotiate and review contracts associated with TIMS and the additional components of the Planning and Design Project (PDP) (Enterprise Data Warehouse, Management Reporting and Decision Analytics, Customer Relationship Management, Enterprise Case Management, and E-Services).

SECTION 6.20.(c) There is established within the Department of Revenue the Oversight Committee for reviewing and approving the benefits measurement methodology and calculation process. The Oversight Committee shall review and approve all contracts executed under this section. This shall include (i) details of each public-private contract, (ii) the benefits from each contract, and (iii) a comprehensive forecast of the benefits of using public-private agreements to implement TIMS and the additional PDP components, including the measurement process established for the Secretary of Revenue. The Oversight Committee shall approve all of the fund transfers for this project.

The members of the Committee shall include the following:

- (1) The State Budget Director;
- (2) The Secretary of the Department of Revenue;
- (3) The State Chief Information Officer;
- (4) Two persons appointed by the Governor;
- (5) One member of the general public having expertise in information technology appointed by the General Assembly upon the recommendation of the Speaker of the House of Representatives; and
- (6) One member of the general public having expertise in economic and revenue forecasting appointed by the General Assembly upon recommendation of the President Pro-Tempore of the Senate.

The State Budget Director shall serve as chair of the Committee. The Committee shall set its meeting schedule and adopt its rules of operation by majority vote. A majority of the members constitutes a quorum. Vacancies shall be filled by the appointing authority. Administrative support staff shall be provided by the Department of Revenue. Members of the Committee shall receive reimbursements for subsistence and travel expenses as provided by Chapter 138 of the General Statutes. The Committee shall terminate on June 30, 2011.

SECTION 6.20.(d) Beginning October 1, 2009 and quarterly thereafter, the Department of Revenue shall submit reports to the Chairs of the House of Representatives and Senate Committees on Appropriation, to the Joint Legislative Oversight Committee on Information Technology, and to the Fiscal Research Division of the Legislative Services Office. The report shall include (i) details of each public-private contract, (ii) the benefits from

each contract, (iii) a comprehensive forecast of the benefits of using public-private agreements to implement TIMS and the additional PDP components, including cost savings and the acceleration of the project timeline, (iv) and any issues associated with the operation of the public-private partnership. Within 60 days of implementing the public-private partnership, the Department of Revenue shall provide to the Chairs of the House of Representatives and Senate Appropriations Committees, and Fiscal Research Division, a schedule for vendor payments that identifies sources and amounts of funding anticipated as a result of the project's implementation.

SECTION 6.20.(e) In addition to the oversight provided by the Oversight Committee established in subsection (c) of this section, the TIMS project shall be subject to existing Information Technology project oversight legislation, including, but not limited to, G.S. 147-33.72C and G.S. 147-33.72E.

REPAYMENT OF MEDICAID FUNDS

SECTION 6.21. Notwithstanding Chapter 143C of the General Statutes or any other provision of law, the Director of the Budget shall use funds appropriated in this act to repay any outstanding federal Medicaid funds not repaid pursuant to Section 5 of S.L. 2009-399. If funds available in the Department of Health and Human Services over the 2009-2011 fiscal biennium are not sufficient to repay the funds, the Director may use any funds within the State budget.

The Director of the Budget shall report the amount of funds repaid no later than 30 days after payment to the Joint Legislative Commission on Governmental Operations, the Chairs of the Senate and House of Representatives Appropriations Committees, and the Fiscal Research Division.

SECTION 7.1. The State Board of Education shall allocate funds for children with disabilities on the basis of three thousand five hundred dollars and seventy-seven cents (\$3,500.77) per child for a maximum of 168,947 children for the 2009-2010 school year. Each local school administrative unit shall receive funds for the lesser of (i) all children who are identified as children with disabilities, or (ii) twelve and five-tenths percent (12.5%) of the 2009-2010 allocated average daily membership in the local school administrative unit.

The dollar amounts allocated under this section for children with disabilities shall also adjust in accordance with legislative salary increments, retirement rate adjustments, and health benefit adjustments for personnel who serve children with disabilities.

FUNDS FOR ACADEMICALLY GIFTED CHILDREN

The State Board of Education shall allocate funds for academically or intellectually gifted children on the basis of one thousand one hundred sixty-three dollars and seven cents (\$1,163.07) per child. A local school administrative unit shall receive funds for a maximum of four percent (4%) of its 2009-2010 allocated average daily membership, regardless of the number of children identified as academically or intellectually gifted in the unit. The State Board shall allocate funds for no more than 58,597 children for the 2009-2010 school year.

The dollar amounts allocated under this section for academically or intellectually gifted children shall also adjust in accordance with legislative salary increments, retirement rate adjustments, and health benefit adjustments for personnel who serve academically or intellectually gifted children.

- (5) "Average daily membership" means average daily membership as defined in the North Carolina Public Schools Allotment Policy Manual, adopted by the State Board of Education. If a county contains only part of a local school administrative unit, the average daily membership of that county includes all students who reside within the county and attend that local school administrative unit.
- (6) "County-adjusted property tax base" shall be computed as follows:
 - a. Subtract the present-use value of agricultural land, horticultural land, and forestland in the county, as defined in G.S. 105-277.2, from the total assessed real property valuation of the county,
 - b. Adjust the resulting amount by multiplying by a weighted average of the three most recent annual sales assessment ratio studies,
 - c. Add to the resulting amount the:

 - c. Compute the percentage that the county-adjusted property tax base per square mile is of the State-adjusted property tax base per square mile and weight the resulting percentage by a factor of one-tenth,
 - d. Add the three weighted percentages to derive the county wealth as a percentage of the State average wealth.

- (9) "Effective county tax rate" means the actual county tax rate multiplied by a weighted average of the three most recent annual sales assessment ratio studies.
- (10) "Effective State average tax rate" means the average of effective county tax rates for all counties.
- (11) "Local current expense funds" means the most recent county current expense appropriations to public schools, as reported by local boards of education in the audit report filed with the Secretary of the Local Government Commission pursuant to G.S. 115C-447.

If real property in a county has been revalued one year prior to the most recent sales assessment ratio study, a weighted average of the two most recent sales assessment ratios shall be used. If property has been revalued the year of the most recent sales assessment ratio study, the sales assessment ratio for the year of revaluation shall be used.

SECTION 7.3.(c) Eligibility for Funds. – Except as provided in subsection (g) of this section, the State Board of Education shall allocate these funds to local school administrative units located in whole or in part in counties in which the county wealth as a percentage of the State average wealth is less than one hundred percent (100%).

SECTION 7.3.(d) Allocation of Funds. – Except as provided in subsection (f) of this section, the amount received per average daily membership for a county shall be the difference between the State average current expense appropriations per student and the current expense appropriations per student that the county could provide given the county's wealth and an average effort to fund public schools. (To derive the current expense appropriations per student that the county could be able to provide given the county's wealth and an average effort to fund public schools, multiply the county's wealth as a percentage of State average wealth by the State average current expense appropriations per student.) The funds for the local school administrative units located in whole or in part in the county shall be allocated to each local school administrative unit located in whole or in part in the county based on the average daily membership of the county's students in the school units. If the funds appropriated for supplemental funding are not adequate to fund the formula fully, each local school administrative unit shall receive a pro rata share of the funds appropriated for supplemental funding.

SECTION 7.3.(e) Formula for Distribution of Supplemental Funding Pursuant to This Section Only. – The formula in this section is solely a basis for distribution of supplemental funding for low-wealth counties and is not intended to reflect any measure of the adequacy of the educational program or funding for public schools. The formula is also not intended to reflect any commitment by the General Assembly to appropriate any additional supplemental funds for low-wealth counties.

SECTION 7.3.(f) Minimum Effort Required. – Counties that had effective tax rates in the 1996-1997 fiscal year that were above the State average effective tax rate but that had effective rates below the State average in the 1997-1998 fiscal year or thereafter shall receive reduced funding under this section. This reduction in funding shall be determined by subtracting the amount that the county would have received pursuant to Section 17.1(g) of Chapter 507 of the 1995 Session Laws from the amount that the county would have received if qualified for full funding and multiplying the difference by ten percent (10%). This method of calculating reduced funding shall apply one time only. This method of calculating reduced funding shall not apply in cases in which the effective tax rate fell below the statewide average effective tax rate as a result of a reduction in the actual property tax rate. In these cases, the minimum effort required shall be calculated in accordance with Section 17.1(g) of Chapter 507 of the 1995 Session Laws. If the county documents that it has increased the per student appropriation to the school current expense fund in the current fiscal year, the State Board of Education shall include this additional per pupil appropriation when calculating minimum effort pursuant to Section 17.1(g) of Chapter 507 of the 1995 Session Laws.

SECTION 7.3.(g) Nonsupplant Requirement. – A county in which a local school administrative unit receives funds under this section shall use the funds to supplement local current expense funds and shall not supplant local current expense funds. For the 2009-2011 fiscal biennium, the State Board of Education shall not allocate funds under this section to a county found to have used these funds to supplant local per student current expense funds. The State Board of Education shall make a finding that a county has used these funds to supplant local current expense funds in the prior year, or the year for which the most recent data are available, if:

- (1) The current expense appropriation per student of the county for the current year is less than ninety-five percent (95%) of the average of the local current expense appropriations per student for the three prior fiscal years; and
- (2) The county cannot show: (i) that it has remedied the deficiency in funding or (ii) that extraordinary circumstances caused the county to supplant local current expense funds with funds allocated under this section. The State Board of Education shall adopt rules to implement this section.

SECTION 7.3.(h) Reports. – The State Board of Education shall report to the Joint Legislative Education Oversight Committee prior to May 1, 2010, if it determines that counties have supplanted funds.

SECTION 7.3.(i) Department of Revenue Reports. – The Department of Revenue shall provide to the Department of Public Instruction a preliminary report for the current fiscal year of the assessed value of the property tax base for each county prior to March 1 of each year and a final report prior to May 1 of each year. The reports shall include for each county the annual sales assessment ratio and the taxable values of (i) total real property, (ii) the portion of total real property represented by the present-use value of agricultural land, horticultural land, and forestland, as defined in G.S. 105-277.2, (iii) property of public service companies determined in accordance with Article 23 of Chapter 105 of the General Statutes, and (iv) personal property.

SMALL SCHOOL SYSTEM SUPPLEMENTAL FUNDING

SECTION 7.4.(a) Funds for Small School Systems. – Except as provided in subsection (b) of this section, the State Board of Education shall allocate funds appropriated for small school system supplemental funding (i) to each county school administrative unit with an average daily membership of fewer than 3,175 students and (ii) to each county school administrative unit with an average daily membership from 3,175 to 4,000 students if the county in which the local school administrative unit is located has a county-adjusted property tax base per student that is below the State-adjusted property tax base per student and if the total average daily membership of all local school administrative units located within the county is from 3,175 to 4,000 students. The allocation formula shall:

- (1) Round all fractions of positions to the next whole position.
- (2) Provide five and one-half additional regular classroom teachers in counties in which the average daily membership per square mile is greater than four, and seven additional regular classroom teachers in counties in which the average daily membership per square mile is four or fewer.

- (3) Provide additional program enhancement teachers adequate to offer the standard course of study.
- (4) Change the duty-free period allocation to one teacher assistant per 400 average daily membership.
- (5) Provide a base for the consolidated funds allotment of at least seven hundred seventeen thousand three hundred sixty dollars (\$717,360), excluding textbooks, for the 2009-2010 fiscal year and a base of seven hundred seventeen thousand three hundred sixty dollars (\$717,360) for the 2010-2011 fiscal year.
- (6) Allot vocational education funds for grade 6 as well as for grades 7-12. If funds appropriated for each fiscal year for small school system supplemental funding are not adequate to fully fund the program, the State Board of Education shall reduce the amount allocated to each county school administrative unit on a pro rata basis. This formula is solely a basis for distribution of supplemental funding for certain county school administrative units and is not intended to reflect any measure of the adequacy of the educational program or funding for public schools. The formula also is not intended to reflect any commitment by the General Assembly to appropriate any additional supplemental funds for such county administrative units.

SECTION 7.4.(b) Nonsupplant Requirement. – A county in which a local school administrative unit receives funds under this section shall use the funds to supplement local current expense funds and shall not supplant local current expense funds. For the 2009-2011 fiscal biennium, the State Board of Education shall not allocate funds under this section to a county found to have used these funds to supplant local per student current expense funds. The State Board of Education shall make a finding that a county has used these funds to supplant local current expense funds in the prior year, or the year for which the most recent data are available, if:

- (1) The current expense appropriation per student of the county for the current year is less than ninety-five percent (95%) of the average of the local current expense appropriations per student for the three prior fiscal years; and
- (2) The county cannot show: (i) that it has remedied the deficiency in funding or (ii) that extraordinary circumstances caused the county to supplant local current expense funds with funds allocated under this section. The State Board of Education shall adopt rules to implement this section.

SECTION 7.4.(c) Phase-Out Provisions. – If a local school administrative unit becomes ineligible for funding under this formula because of (i) an increase in the population of the county in which the local school administrative unit is located or (ii) an increase in the county-adjusted property tax base per student of the county in which the local school administrative unit is located, funding for that unit shall be continued for seven years after the unit becomes ineligible.

SECTION 7.4.(d) Definitions. – As used in this section:

- (1) "Average daily membership" means within two percent (2%) of the average daily membership as defined in the North Carolina Public Schools Allotment Policy Manual adopted by the State Board of Education.
- (2) "County-adjusted property tax base per student" means the total assessed property valuation for each county, adjusted using a weighted average of the three most recent annual sales assessment ratio studies, divided by the total number of students in average daily membership who reside within the county.
- (3) "Local current expense funds" means the most recent county current expense appropriations to public schools, as reported by local boards of education in the audit report filed with the Secretary of the Local Government Commission pursuant to G.S. 115C-447.
- (4) "Sales assessment ratio studies" means sales assessment ratio studies performed by the Department of Revenue under G.S. 105-289(h).
- (5) "State-adjusted property tax base per student" means the sum of all county-adjusted property tax bases divided by the total number of students in average daily membership who reside within the State.

- (6) "Supplant" means to decrease local per student current expense appropriations from one fiscal year to the next fiscal year.
- (7) "Weighted average of the three most recent annual sales assessment ratio studies" means the weighted average of the three most recent annual sales assessment ratio studies in the most recent years for which county current expense appropriations and adjusted property tax valuations are available. If real property in a county has been revalued one year prior to the most recent sales assessment ratio study, a weighted average of the two most recent sales assessment ratios shall be used. If property has been revalued during the year of the most recent sales assessment ratio study, the sales assessment ratio for the year of revaluation shall be used.

SECTION 7.4.(e) Reports. – The State Board of Education shall report to the Joint Legislative Education Oversight Committee prior to May 1, 2010, if it determines that counties have supplanted funds.

SECTION 7.4.(f) Use of Funds. – Local boards of education are encouraged to use at least twenty percent (20%) of the funds they receive pursuant to this section to improve the academic performance of children who are performing at Level I or II on either reading or mathematics end-of-grade tests in grades 3-8 and children who are performing at Level I or II on the writing tests in grades 4 and 7.

REPLACEMENT SCHOOL BUSES/FUNDS

SECTION 7.5.(a) The State Board of Education may impose any of the following conditions on allotments to local boards of education for replacement school buses:

- (1) The local board of education shall use the funds only to make the first, second, third, or fourth year's payment on a financing contract entered into pursuant to G.S. 115C-528.

As part of its study the Committee shall review any action or pending action by the federal government regarding the federal funding that supports the administration of student financial aid in the State. The Committee shall also examine the sustainability and efficiency of the current governance structure for awarding student financial aid at the State level and the linkage of that governance structure to federal student loan programs and to student loan programs funded through escheats.
- (3) The current governance of the North Carolina State Education Assistance Authority (NCSEAA).
- (4) The feasibility of consolidating scholarship, loan, and grant programs for North Carolinians including all programs for which eligibility is based on the Free Application for Federal Student Aid (FAFSA).
- (5) The feasibility of consolidating loans, grants, and scholarships available for teacher education students.
- (6) The qualifications for each loan, scholarship, and grant administered by the North Carolina State Education Assistance Authority, the purpose for which the aid is awarded, and any other criteria that make the scholarship and grant either similar to other scholarships in the same category or that make the scholarship unique from others in its category.

PART X. DEPARTMENT OF HEALTH AND HUMAN SERVICES

CHILD CARE SUBSIDY RATES

SECTION 10.1.(a) The maximum gross annual income for initial eligibility, adjusted biennially, for subsidized child care services shall be seventy-five percent (75%) of the State median income, adjusted for family size.

SECTION 10.1.(b) Fees for families who are required to share in the cost of care shall be established based on a percent of gross family income and adjusted for family size. Fees shall be determined as follows:

FAMILY SIZE	PERCENT OF GROSS FAMILY INCOME
1-3	10%
4-5	9%
6 or more	8%.

SECTION 10.1.(c) Payments for the purchase of child care services for low-income children shall be in accordance with the following requirements:

- (1) Religious-sponsored child care facilities operating pursuant to G.S. 110-106 and licensed child care centers and homes that meet the minimum licensing standards that are participating in the subsidized child care program shall be paid the one-star county market rate or the rate they charge privately paying parents, whichever is lower.
- (2) Licensed child care centers and homes with two or more stars shall receive the market rate for that rated license level for that age group or the rate they charge privately paying parents, whichever is lower.
- (3) Nonlicensed homes shall receive fifty percent (50%) of the county market rate or the rate they charge privately paying parents, whichever is lower.
- (4) Maximum payment rates shall also be calculated periodically by the Division of Child Development for transportation to and from child care provided by the child care provider, individual transporter, or transportation agency, and for fees charged by providers to parents. These payment rates shall be based upon information collected by market rate surveys.

SECTION 10.1.(d) Provisions of payment rates for child care providers in counties that do not have at least 50 children in each age group for center-based and home-based care are as follows:

- (1) Except as applicable in subdivision (2) of this subsection, payment rates shall be set at the statewide or regional market rate for licensed child care centers and homes.
- (2) If it can be demonstrated that the application of the statewide or regional market rate to a county with fewer than 50 children in each age group is lower than the county market rate and would inhibit the ability of the county to purchase child care for low-income children, then the county market rate may be applied.

SECTION 10.1.(e) A market rate shall be calculated for child care centers and homes at each rated license level for each county and for each age group or age category of enrollees and shall be representative of fees charged to parents for each age group of enrollees within the county. The Division of Child Development shall also calculate a statewide rate and regional market rates for each rated license level for each age category.

SECTION 10.1.(f) Facilities licensed pursuant to Article 7 of Chapter 110 of the General Statutes and facilities operated pursuant to G.S. 110-106 may participate in the program that provides for the purchase of care in child care facilities for minor children of needy families. No separate licensing requirements shall be used to select facilities to participate. In addition, child care facilities shall be required to meet any additional applicable requirements of federal law or regulations. Child care arrangements exempt from State regulation pursuant to Article 7 of Chapter 110 of the General Statutes shall meet the requirements established by other State law and by the Social Services Commission.

County departments of social services or other local contracting agencies shall not use a provider's failure to comply with requirements in addition to those specified in this subsection as a condition for reducing the provider's subsidized child care rate.

SECTION 10.1.(g) Payment for subsidized child care services provided with Work First Block Grant funds shall comply with all regulations and policies issued by the Division of Child Development for the subsidized child care program.

SECTION 10.1.(h) Noncitizen families who reside in this State legally shall be eligible for child care subsidies if all other conditions of eligibility are met. If all other conditions of eligibility are met, noncitizen families who reside in this State illegally shall be eligible for child care subsidies only if at least one of the following conditions is met:

- (1) The child for whom a child care subsidy is sought is receiving child protective services or foster care services.
- (2) The child for whom a child care subsidy is sought is developmentally delayed or at risk of being developmentally delayed.
- (3) The child for whom a child care subsidy is sought is a citizen of the United States.

CHILD CARE ALLOCATION FORMULA

SECTION 10.2.(a) The Department of Health and Human Services shall allocate child care subsidy voucher funds to pay the costs of necessary child care for minor children of needy families. The mandatory thirty percent (30%) Smart Start subsidy allocation under G.S. 143B-168.15(g) shall constitute the base amount for each county's child care subsidy allocation. The Department of Health and Human Services shall use the following method when allocating federal and State child care funds, not including the aggregate mandatory thirty percent (30%) Smart Start subsidy allocation:

- (1) Funds shall be allocated to a county based upon the projected cost of serving children under age 11 in families with all parents working who earn less than seventy-five percent (75%) of the State median income.
- (2) No county's allocation shall be less than ninety percent (90%) of its State fiscal year 2001-2002 initial child care subsidy allocation.

SECTION 10.2.(b) The Department of Health and Human Services may reallocate unused child care subsidy voucher funds in order to meet the child care needs of low-income families. Any reallocation of funds shall be based upon the expenditures of all child care subsidy voucher funding, including Smart Start funds, within a county.

SECTION 10.2.(c) Notwithstanding subsection (a) of this section, the Department of Health and Human Services shall allocate up to twenty million dollars (\$20,000,000) in federal block grant funds and State funds appropriated for fiscal years 2009-2010 and 2010-2011 for child care services. These funds shall be allocated to prevent termination of child care services. Funds appropriated for specific purposes, including targeted market rate adjustments given in the past, may also be allocated by the Department separately from the allocation formula described in subsection (a) of this section.

CHILD CARE FUNDS MATCHING REQUIREMENT

SECTION 10.3. No local matching funds may be required by the Department of Health and Human Services as a condition of any locality's receiving its initial allocation of child care funds appropriated by this act unless federal law requires a match. If the Department reallocates additional funds above twenty-five thousand dollars (\$25,000) to local purchasing agencies beyond their initial allocation, local purchasing agencies must provide a twenty percent (20%) local match to receive the reallocated funds. Matching requirements shall not apply when funds are allocated because of a disaster as defined in G.S. 166A-4(1).

FACILITATE AND EXPEDITE USE OF CHILD CARE SUBSIDY FUNDS

SECTION 10.4. The Division of Child Development of the Department of Health and Human Services shall adopt temporary policies that facilitate and expedite the prudent expenditure of child care subsidy funds. These policies will address the following:

- (1) Permitting the local purchasing agencies to issue time-limited vouchers to assist counties in managing onetime, nonrecurring subsidy funding.
- (2) Extending the current 30/60 day job search policy to six months when a recipient experiences a loss of employment.
- (3) Providing an upfront job search period of six months for applicants who have lost employment since October 1, 2008.
- (4) Providing a job search period of six months for recipients who complete school and are entering the job market.
- (5) Notwithstanding any other provision of law, extending the 24-month education time limit for an additional 12 months for a child care recipient who has lost a job since October 1, 2008, or otherwise needs additional training to enhance his or her marketable skills for job placement due to the economic downturn and who has depleted his or her 24-month allowable education time.

- (6) Lowering the number of hours a parent must be working in order to be eligible for subsidy to assist parents who are continuing to work but at reduced hours.

CHILD CARE REVOLVING LOAN

SECTION 10.5. Notwithstanding any law to the contrary, funds budgeted for the Child Care Revolving Loan Fund may be transferred to and invested by the financial institution contracted to operate the Fund. The principal and any income to the Fund may be used to make loans, reduce loan interest to borrowers, serve as collateral for borrowers, pay the contractor's cost of operating the Fund, or pay the Department's cost of administering the program.

EARLY CHILDHOOD EDUCATION AND DEVELOPMENT INITIATIVES ENHANCEMENTS

SECTION 10.7.(a) Administrative costs shall be equivalent to, on an average statewide basis for all local partnerships, not more than eight percent (8%) of the total statewide allocation to all local partnerships. For purposes of this subsection, administrative costs shall include costs associated with partnership oversight, business and financial management, general accounting, human resources, budgeting, purchasing, contracting, and information systems management.

SECTION 10.7.(b) The North Carolina Partnership for Children, Inc., and all local partnerships shall use competitive bidding practices in contracting for goods and services on contract amounts as follows:

- (1) For amounts of five thousand dollars (\$5,000) or less, the procedures specified by a written policy to be developed by the Board of Directors of the North Carolina Partnership for Children, Inc.
- (2) For amounts greater than five thousand dollars (\$5,000), but less than fifteen thousand dollars (\$15,000), three written quotes.

SECTION 10.7.(c) The North Carolina Partnership for Children, Inc., and all local partnerships shall, in the aggregate, be required to match no less than fifty percent (50%) of the total amount budgeted for the program in each fiscal year of the biennium as follows: contributions of cash equal to at least fifteen percent (15%) and in-kind donated resources equal to no more than five percent (5%) for a total match requirement of twenty percent (20%) for each fiscal year. The North Carolina Partnership for Children, Inc., may carry forward any amount in excess of the required match for a fiscal year in order to meet the match requirement of the succeeding fiscal year. Only in-kind contributions that are quantifiable shall be applied to the in-kind match requirement. Volunteer services may be treated as an in-kind contribution for the purpose of the match requirement of this subsection. Volunteer services that qualify as professional services shall be valued at the fair market value of those services. All other volunteer service hours shall be valued at the statewide average wage rate as calculated from data compiled by the Employment Security Commission in the Employment and Wages in North Carolina Annual Report for the most recent period for which data are available. Expenses, including both those paid by cash and in-kind contributions, incurred by other participating non-State entities contracting with the North Carolina Partnership for Children, Inc., or the local partnerships, also may be considered resources available to meet the required private match. In order to qualify to meet the required private match, the expenses shall:

- (1) Be verifiable from the contractor's records.
- (2) If in-kind, other than volunteer services, be quantifiable in accordance with generally accepted accounting principles for nonprofit organizations.
- (3) Not include expenses funded by State funds.
- (4) Be supplemental to and not supplant preexisting resources for related program activities.
- (5) Be incurred as a direct result of the Early Childhood Initiatives Program and be necessary and reasonable for the proper and efficient accomplishment of the Program's objectives.
- (6) Be otherwise allowable under federal or State law.

- (7) Be required and described in the contractual agreements approved by the North Carolina Partnership for Children, Inc., or the local partnership.
- (8) Be reported to the North Carolina Partnership for Children, Inc., or the local partnership by the contractor in the same manner as reimbursable expenses.

Failure to obtain a twenty percent (20%) match by June 30 of each fiscal year shall result in a dollar-for-dollar reduction in the appropriation for the Program for a subsequent fiscal year. The North Carolina Partnership for Children, Inc., shall be responsible for compiling information on the private cash and in-kind contributions into a report that is submitted to the Joint Legislative Commission on Governmental Operations in a format that allows verification by the Department of Revenue. The same match requirements shall apply to any expansion funds appropriated by the General Assembly.

SECTION 10.7.(d) The Department of Health and Human Services shall continue to implement the performance-based evaluation system.

SECTION 10.7.(e) The Department of Health and Human Services and the North Carolina Partnership for Children, Inc., shall ensure that the allocation of funds for Early Childhood Education and Development Initiatives for State fiscal years 2009-2010 and 2010-2011 shall be administered and distributed in the following manner:

- (1) Capital expenditures are prohibited for fiscal years 2009-2010 and 2010-2011. For the purposes of this section, "capital expenditures" means expenditures for capital improvements as defined in G.S. 143C-1-1(d)(5).
- (2) Expenditures of State funds for advertising and promotional activities are prohibited for fiscal years 2009-2010 and 2010-2011.

SECTION 10.7.(f) A county may use the county's allocation of State and federal child care funds to subsidize child care according to the county's Early Childhood Education and Development Initiatives Plan as approved by the North Carolina Partnership for Children, Inc. The use of federal funds shall be consistent with the appropriate federal regulations. Child care providers shall, at a minimum, comply with the applicable requirements for State licensure pursuant to Article 7 of Chapter 110 of the General Statutes.

SECTION 10.7.(g) For fiscal years 2009-2010 and 2010-2011, the local partnerships shall spend an amount for child care subsidies that provides at least fifty-two million dollars (\$52,000,000) for the TANF maintenance of effort requirement and the Child Care Development Fund and Block Grant match requirement. The Department of Health and Human Services shall determine the level of funds that need to be expended in order to draw down all federal recovery funds and shall direct the local partnerships to spend at least at the determined level. The local partnerships shall not spend at a level less than that directed by the Department.

MENTAL HEALTH CHANGES

SECTION 10.12.(a) For the purpose of mitigating cash flow problems that many non-single-stream local management entities (LMEs) experience at the beginning of each fiscal year, the Department of Health and Human Services, Division of Mental Health, Developmental Disabilities, and Substance Abuse Services, shall adjust the timing and method by which allocations of service dollars are distributed to each non-single-stream LME. To this end, the allocations shall be adjusted such that at the beginning of the fiscal year the Department shall distribute not less than one-twelfth of the LME's continuation allocation and subtract the amount of the adjusted distribution from the LME's total reimbursements for the fiscal year.

SECTION 10.12.(b) Of the funds appropriated in this act to the Department of Health and Human Services, Division of Mental Health, Developmental Disabilities, and Substance Abuse Services, the sum of twenty million one hundred twenty-one thousand six hundred forty-four dollars (\$20,121,644) for the 2009-2010 fiscal year and the sum of twenty million one hundred twenty-one thousand six hundred forty-four dollars (\$20,121,644) for the 2010-2011 fiscal year shall be allocated for the purchase of local inpatient psychiatric beds or bed days. These beds or bed days shall be distributed across the State according to need as

determined by the Department. The Department shall enter into contracts with the LMEs and community hospitals for the management of these beds or bed days. Local inpatient psychiatric beds or bed days shall be managed and controlled by the LME, including the determination of which local or State hospital the individual should be admitted to pursuant to an involuntary commitment order. Funds shall not be allocated to LMEs but shall be held in a statewide reserve at the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services to pay for services authorized by the LMEs and billed by the hospitals through the LMEs. LMEs shall remit claims for payment to the Division within 15 working days of receipt of a clean claim from the hospital and shall pay the hospital within 30 working days of receipt of payment from the Division. If the Department determines (i) that an LME is not effectively managing the beds or bed days for which it has responsibility, as evidenced by beds or bed days in the local hospital not being utilized while demand for services at the State psychiatric hospitals has not reduced, or (ii) the LME has failed to comply with the prompt payment provisions of this subsection, the Department may contract with another LME to manage the beds or bed days, or, notwithstanding any other provision of law to the contrary, may pay the hospital directly. The Department shall develop reporting requirements for LMEs regarding the utilization of the beds or bed days. Funds appropriated in this section for the purchase of local inpatient psychiatric beds or bed days shall be used to purchase additional beds or bed days not currently funded by or through LMEs and shall not be used to supplant other funds available or otherwise appropriated for the purchase of psychiatric inpatient services under contract with community hospitals, including beds or bed days being purchased through Hospital Utilization Pilot funds appropriated in S.L. 2007-323. Not later than March 1, 2010, the Department shall report to the House of Representatives Appropriations Subcommittee on Health and Human Services, the Senate, the Joint Legislative Oversight Committee on Mental Health, Developmental Disabilities, and Substance Abuse Services, and the Fiscal Research Division on a uniform system for beds or bed days purchased (i) with local funds, (ii) from existing State appropriations, (iii) under the Hospital Utilization Pilot, and (iv) purchased using funds appropriated under this subsection.

SECTION 10.12.(c) The Secretary of the Department of Health and Human Services shall not take any action prior to January 1, 2010, that would result in the merger or consolidation of LMEs operating on January 1, 2008, or that would establish consortia or regional arrangements for the same purpose, except that LMEs that do not meet the catchment area requirements of G.S. 122C-115 as of January 1, 2010, may initiate, continue, or implement the LMEs' merger or consolidation plans to overcome noncompliance with G.S. 122C-115. This subsection does not prohibit LMEs from voluntarily merging if they are contiguous or consolidating administrative functions.

SECTION 10.12.(d) Of the funds appropriated in this act to the Department of Health and Human Services, Division of Mental Health, Developmental Disabilities, and Substance Abuse Services, for mobile crisis teams, the sum of five million seven hundred thousand dollars (\$5,700,000) shall be distributed to LMEs to support 30 mobile crisis teams. The new mobile crisis units shall be distributed over the State according to need as determined by the Department.

SECTION 10.12.(e) The Department of Health and Human Services may create a midyear process by which it can reallocate State service dollars away from LMEs that do not appear to be on track to spend the LMEs' full appropriation and toward LMEs that appear able to spend the additional funds.

SECTION 10.12.(f)

- (1) The Department of Health and Human Services, Division of Mental Health, Developmental Disabilities, and Substance Abuse Services, shall continue implementation of the current Supports Intensity Scale (SIS) assessment tool pilot project if the pilot project has demonstrated that the SIS tool:
 - a. Is effective in identifying the appropriate array and intensity of services, including residential supports or placement, for individuals assessed.
 - b. Is valid for determining intensity of support related to resource allocation for CAP-MR/DD, public and private ICF-MR facilities, developmental disability group homes, and other State- or federally funded services.

- c. Is used by an assessor that does not have a pecuniary interest in the determinations resulting from the assessment.
 - d. Determines the level of intensity and type of services needed from developmental disability service providers.
- (2) The Department shall report on the progress of the pilot project by May 1, 2010. The Department shall submit the report to the Joint Legislative Oversight Committee on Mental Health, Developmental Disabilities, and Substance Abuse Services, the House of Representatives Appropriations Subcommittee on Health and Human Services, the Senate Appropriations Committee on Health and Human Services, and the Fiscal Research Division. The report shall include the following:
- a. The infrastructure that will be needed to assure that the administration of the assessment tool is independent from service delivery, the qualifications of assessors, training and management of data, and test-retest accountability.
 - b. The cost to (i) purchase the tool, (ii) implement the tool, (iii) provide training, and (iv) provide for future expansion of the tool statewide.

G.S. 143C-6-5 does not apply to this section.

REENACT 2007 SPECIAL PROVISION ON COLLABORATION ON SCHOOL-BASED CHILD AND FAMILY TEAM INITIATIVE

LME FUNDS FOR SUBSTANCE ABUSE SERVICES

SECTION 10.15.(a) Consistent with G.S. 122C-2, the General Assembly strongly encourages Local Management Entities (LMEs) to use a portion of the funds appropriated for substance abuse treatment services to support prevention and education activities.

SECTION 10.15.(b) An LME may use up to one percent (1%) of funds allocated to it for substance abuse treatment services to provide nominal incentives for consumers who achieve specified treatment benchmarks, in accordance with the federal substance abuse and mental health services administration best practice model entitled Contingency Management.

SECTION 10.15.(c) In providing treatment and services for adult offenders and increasing the number of Treatment Accountability for Safer Communities (TASC) case managers, local management entities shall consult with TASC to improve offender access to substance abuse treatment and match evidence-based interventions to individual needs at each stage of substance abuse treatment. Special emphasis should be placed on intermediate punishment offenders, community punishment offenders at risk for revocation, and Department of Correction (DOC) releasees who have completed substance abuse treatment while in custody.

- (2) The Task Force shall identify a reliable and consistent source of State revenue to fund the flexible spending formula.
- (3) If sufficient additional revenue is available to implement the Plan, a separate set-aside of available funds would be created. This set-aside would be available to contiguous LHDs that seek to address a specific women's health, child health, or adult health disease or chronic condition, and in doing so, choose to merge into a single Local Health District, thus saving administrative dollars to be focused on public health issues.

STATE-COUNTY SPECIAL ASSISTANCE

SECTION 10.57.(a) The eligibility of Special Assistance recipients residing in adult care homes on August 1, 1995, shall not be affected by an income reduction in the Special Assistance eligibility criteria resulting from adoption of the Rate Setting Methodology Report and Related Services, providing these recipients are otherwise eligible. The maximum monthly rate for these residents in adult care home facilities shall be one thousand two hundred thirty-one dollars (\$1,231) per month per resident.

SECTION 10.57.(b) Effective October 1, 2009, the maximum monthly rate for residents in adult care home facilities shall be one thousand one hundred eighty-two dollars (\$1,182) per month per resident unless adjusted by the Department in accordance with

subsection (d) of this section. The eligibility of Special Assistance recipients residing in adult care homes on September 30, 2009, shall not be affected by an income reduction in the Special Assistance eligibility criteria resulting from the adoption of this maximum monthly rate, provided these recipients are otherwise eligible.

SECTION 10.57.(c) The maximum monthly rate for residents in Alzheimer/Dementia special care units shall be one thousand five hundred fifteen dollars (\$1,515) per month per resident unless adjusted by the Department in accordance with subsection (d) of this section.

SECTION 10.57.(d) Notwithstanding any other provision of this section, the Department of Health and Human Services shall review activities and costs related to the provision of care in adult care homes and shall determine what costs may be considered to properly maximize allowable reimbursement available through Medicaid personal care services for adult care homes (ACH-PCS) under federal law. As determined, and with any necessary approval from the Centers for Medicare and Medicaid Services (CMS), and the approval of the Office of State Budget and Management, the Department may transfer necessary funds from the State-County Special Assistance program within the Division of Social Services to the Division of Medical Assistance and may use those funds as State match to draw down federal matching funds to pay for such activities and costs under Medicaid's personal care services for adult care homes (ACH-PCS), thus maximizing available federal funds. The established rate for State-County Special Assistance set forth in subsections (b) and (c) of this section shall be adjusted by the Department to reflect any transfer of funds from the Division of Social Services to the Division of Medical Assistance and related transfer costs and responsibilities from State-County Special Assistance to the Medicaid personal care services for adult care homes (ACH-PCS). Subject to approval by the Centers for Medicare and Medicaid Services (CMS) and prior to implementing this section, the Department may disregard a limited amount of income for individuals whose countable income exceeds the adjusted State-County Special Assistance rate. The amount of the disregard shall not exceed the difference between the Special Assistance rate prior to the adjustment and the Special Assistance rate after the adjustment and shall be used to pay a portion of the cost of the ACH-PCS and reduce the Medicaid payment for the individual's personal care services provided in an adult care home. In no event shall the reimbursement for services through the ACH-PCS exceed the average cost of the services as determined by the Department from review of cost reports as required and submitted by adult care homes. The Department shall report any transfers of funds and modifications of rates to the House of Representatives Appropriations Subcommittee on Health and Human Services, the Senate Appropriations Committee on Health and Human Services, and the Fiscal Research Division.

SECTION 10.57.(e) The Department of Health and Human Services shall recommend rates for State-County Special Assistance and for Adult Care Home Personal Care Services. The Department may recommend rates based on appropriate cost methodology and cost reports submitted by adult care homes that receive State-County Special Assistance funds and shall ensure that cost reporting is done for State-County Special Assistance and Adult Care Home Personal Care Services to the same standards as apply to other residential service providers.

- (19) Medicare crossover claims. – The Department shall apply Medicaid medical policy to Medicare claims for dually eligible recipients. The Department shall pay an amount up to the actual coinsurance or deductible or both, in accordance with the State Plan, as approved by the Department of Health and Human Services. The Department may disregard application of this policy in cases where application of the policy would adversely affect patient care.
- (20) Physical therapy, occupational therapy, and speech therapy. – Services for adults and EPSDT-eligible children. Payments are to be made only to qualified providers at rates negotiated by the Department of Health and Human Services.
- (21) Personal care services. – Payment in accordance with the State Plan developed by the Department of Health and Human Services.

- (28) Drugs. – Reimbursements. Reimbursements shall be available for prescription drugs as allowed by federal regulations plus a professional services fee per month, excluding refills for the same drug or generic

equivalent during the same month. Payments for drugs are subject to the provisions of this subdivision or in accordance with the State Plan adopted by the Department of Health and Human Services, consistent with federal reimbursement regulations. Payment of the professional services fee shall be made in accordance with the State Plan adopted by the Department of Health and Human Services, consistent with federal reimbursement regulations. The professional services fee shall be five dollars and sixty cents (\$5.60) per prescription for generic drugs and four dollars (\$4.00) per prescription for brand-name drugs. Adjustments to the professional services fee shall be established by the General Assembly. In addition to the professional services fee, the Department may pay an enhanced fee for pharmacy services.

Limitations on quantity. – The Department of Health and Human Services may establish authorizations, limitations, and reviews for specific drugs, drug classes, brands, or quantities in order to manage effectively the Medicaid pharmacy program, except that the Department shall not impose limitations on brand-name medications for which there is a generic equivalent in cases where the prescriber has determined, at the time the drug is prescribed, that the brand-name drug is medically necessary and has written on the prescription order the phrase "medically necessary."

Dispensing of generic drugs. – Notwithstanding G.S. 90-85.27 through G.S. 90-85.31, or any other law to the contrary, under the Medical Assistance Program (Title XIX of the Social Security Act), and except as otherwise provided in this subsection for drugs listed in the narrow therapeutic index, a prescription order for a drug designated by a trade or brand name shall be considered to be an order for the drug by its established or generic name, except when the prescriber has determined, at the time the drug is prescribed, that the brand-name drug is medically necessary and has written on the prescription order the phrase "medically necessary." An initial prescription order for a drug listed in the narrow therapeutic drug index that does not contain the phrase "medically necessary" shall be considered an order for the drug by its established or generic name, except that a pharmacy shall not substitute a generic or established name prescription drug for subsequent brand or trade name prescription orders of the same prescription drug without explicit oral or written approval of the prescriber given at the time the order is filled. Generic drugs shall be dispensed at a lower cost to the Medical Assistance Program rather than trade or brand-name drugs. As used in this subsection, "brand name" means the proprietary name the manufacturer places upon a drug product or on its container, label, or wrapping at the time of packaging; and "established name" has the same meaning as in section 502(e)(3) of the Federal Food, Drug, and Cosmetic Act, as amended, 21 U.S.C. § 352(e)(3).

Prior authorization. – The Department of Health and Human Services shall not impose prior authorization requirements or other restrictions under the State Medical Assistance Program on medications prescribed for Medicaid recipients for the treatment of (i) mental illness, including, but not limited to, medications for schizophrenia, bipolar disorder, major depressive disorder or (ii) HIV/AIDS, except that the Department of Health and Human Services shall continually review utilization of medications under the State Medical Assistance Program prescribed for Medicaid recipients for the treatment of mental illness, including, but not limited to, medications for schizophrenia, bipolar disorder, or major depressive disorder. The Department may, however, with respect to drugs to treat mental illnesses, develop guidelines and measures to ensure appropriate usage of these medications, including FDA-approved indications and dosage levels. The Department may also require retrospective clinical justification for the use of multiple psychotropic drugs for a Medicaid patient. For individuals 18 years of age and under who are prescribed three or more psychotropic medications, the Department shall implement clinical edits that target inefficient, ineffective, or potentially harmful prescribing patterns. When

such patterns are identified, the Medical Director for the Division of Medical Assistance and the Chief of Clinical Policy for the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services shall require a peer-to-peer consultation with the target prescribers. Alternatives discussed during the peer-to-peer consultations shall be based upon:

- a. Evidence-based criteria available regarding efficacy or safety of the covered treatments; and
- b. Policy approval by a majority vote of the North Carolina Physicians Advisory Group (NCPAG).

The target prescriber has final decision-making authority to determine which prescription drug to prescribe or refill.

(29) Other mental health services. – Unless otherwise covered by this section, coverage is limited to:

- a. Services as defined by the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services and approved by the Centers for Medicare and Medicaid Services (CMS) when provided in agencies meeting the requirements of the rules established by the Commission for Mental Health, Developmental Disabilities, and Substance Abuse Services and reimbursement is made in accordance with a State Plan developed by the Department of Health and Human Services not to exceed the upper limits established in federal regulations, and

- d. Payments made for services rendered in accordance with this subdivision shall be to qualified providers in accordance with approved policies and the State Plan. Nothing in sub-subdivision b. or c. of this subdivision shall be interpreted to modify the scope of practice of any service provider, practitioner, or licensee, nor to modify or attenuate any collaboration or supervision requirement related to the professional activities of any service provider, practitioner, or licensee. Nothing in sub-subdivision b. or c. of this subdivision shall be interpreted to require any private health insurer

or health plan to make direct third-party reimbursements or payments to any service provider, practitioner, or licensee.

Notwithstanding G.S. 150B-21.1(a), the Department of Health and Human Services may adopt temporary rules in accordance with Chapter 150B of the General Statutes further defining the qualifications of providers and referral procedures in order to implement this subdivision. Coverage policy for services defined by the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services under sub-subdivisions a. and b.2. of this subdivision shall be established by the Division of Medical Assistance.

SECTION 10.58.(e) Provider Performance Bonds and Visits. –

- (1) Subject to the provisions of this subdivision, the Department may require Medicaid-enrolled providers to purchase a performance bond in an amount not to exceed one hundred thousand dollars (\$100,000) naming as beneficiary the Department of Health and Human Services, Division of Medical Assistance, or provide to the Department a validly executed letter of credit or other financial instrument issued by a financial institution or agency honoring a demand for payment in an equivalent amount. The Department may require the purchase of a performance bond or the submission of an executed letter of credit or financial instrument as a condition of initial enrollment, reenrollment, or reinstatement if:

- a. The provider fails to demonstrate financial viability,
- b. The Department determines there is significant potential for fraud and abuse,
- c. The Department otherwise finds it is in the best interest of the Medicaid program to do so.

The Department shall specify the circumstances under which a performance bond or executed letter of credit will be required.

- (1a) The Department may waive or limit the requirements of this paragraph for individual Medicaid-enrolled providers or for one or more classes of Medicaid-enrolled providers based on the following:

- a. The provider's or provider class's dollar amount of monthly billings to Medicaid.
- b. The length of time an individual provider has been licensed, endorsed, certified, or accredited in this State to provide services.
- c. The length of time an individual provider has been enrolled to provide Medicaid services in this State.
- d. The provider's demonstrated ability to ensure adequate record keeping, staffing, and services.
- e. The need to ensure adequate access to care.

In waiving or limiting requirements of this paragraph, the Department shall take into consideration the potential fiscal impact of the waiver or limitation on the State Medicaid Program. The Department shall provide to the affected provider written notice of the findings upon which its action is based and shall include the performance bond requirements and the conditions under which a waiver or limitation apply. The Department may adopt temporary rules in accordance with G.S. 150B-21.1 as necessary to implement this provision.

- (2) Reimbursement is available for up to 30 visits per recipient per fiscal year for the following professional services: hospital outpatient providers, physicians, nurse practitioners, nurse midwives, clinics, health departments, optometrists, chiropractors, and podiatrists. The Department of Health and Human Services shall adopt medical policies in accordance with G.S. 108A-54.2 to distribute the allowable number of visits for each service or each group of services consistent with federal law. In addition, the Department shall establish a threshold of some number of visits for these services. The Department shall ensure that primary care providers or the appropriate CCNC network are notified when a patient is nearing the

established threshold to facilitate care coordination and intervention as needed.

Prenatal services, all EPSDT children, emergency room visits, and mental health visits subject to independent utilization review are exempt from the visit limitations contained in this subdivision. Subject to appropriate medical review, the Department may authorize exceptions when additional care is medically necessary. Routine or maintenance visits above the established visit limit will not be covered unless necessary to actively manage a life threatening disorder or as an alternative to more costly care options.

SECTION 10.58.(f) Exceptions and Limitations on Services; Authorization of Co-Payments and Other Services. –

- (1) Exceptions to service limitations, eligibility requirements, and payments. – Service limitations, eligibility requirements, and payment bases in this section may be waived by the Department of Health and Human Services, with the approval of the Director of the Budget, to allow the Department to carry out pilot programs for prepaid health plans, contracting for services, managed care plans, or community-based services programs in accordance with plans approved by the United States Department of Health and Human Services or when the Department determines that such a waiver will result in a reduction in the total Medicaid costs for the recipient.
- (2) Co-payment for Medicaid services. – The Department of Health and Human Services may establish co-payments up to the maximum permitted by federal law and regulation.

SECTION 10.58.(g) Rules, Reports, and Other Matters. –

- (1) Rules. – The Department of Health and Human Services may adopt temporary or emergency rules according to the procedures established in G.S. 150B-21.1 and G.S. 150B-21.1A when it finds that these rules are necessary to maximize receipt of federal funds within existing State appropriations, to reduce Medicaid expenditures, and to reduce fraud and abuse. The Department of Health and Human Services shall adopt rules requiring providers to attend training as a condition of enrollment and may adopt temporary or emergency rules to implement the training requirement.

Prior to the filing of the temporary or emergency rules authorized under this subsection with the Rules Review Commission and the Office of Administrative Hearings, the Department shall consult with the Office of State Budget and Management on the possible fiscal impact of the temporary or emergency rule and its effect on State appropriations and local governments.

- (2) Changes to Medicaid program; reports. – The Department shall report on any change it anticipates making in the Medicaid program that impacts the type or level of service, reimbursement methods, or waivers, any of which require a change in the State Plan or other approval by the Centers for Medicare and Medicaid Services (CMS). Except for waiver applications, the Department shall submit the report to the entities listed in subdivision (4) of subsection (a) of this section and to the Joint Legislative Health Care Oversight Committee at the same time it submits the proposed changes to CMS for approval. At the time the Department is considering or developing a waiver application, it shall inform the Fiscal Research Division of the proposed waiver and shall provide the Fiscal Research Division with information on (i) how the proposed waiver, if approved, would change or affect services and specific populations and (ii) the estimated fiscal impact of the waiver. The Department shall not submit the proposed waiver application to CMS until after it has provided the proposed waiver information specified in this subdivision to the Fiscal Research Division for its review.

The fee shall be charged to all providers at recertifying every three years.

Any such modifications or contract extensions or sole source contracts must be approved by the Secretary of the Department of Administration and reported to the Senate Appropriations Committee on Health and Human Services, the House of Representatives Appropriations Subcommittee on Health and Human Services, the Fiscal Research Division, and the Office of State Budget and Management. This subsection applies to the following activities and shall expire six months from the date of enactment of this act:

- (3) Providing technical assistance to enhance care coordination, analysis, and reports to assess provider compliance and performance;
- (4) Conducting independent assessments; and
- (5) Providing technology services to establish physician/provider online attestation reporting and assist CCNC in care management activities.

SECTION 10.58B.(b) The Department shall report on the activities conducted under this section to the House Appropriations Subcommittee on Health and Human Services, the Senate Appropriations Committee on Health and Human Services, and the Fiscal Research Division on or before April 1, 2010.

DMA CONTRACT SHORTFALL

SECTION 10.59.(a) Budget approval is required by the Office of State Budget and Management prior to the Department of Health and Human Services, Division of Medical Assistance, entering into any new contract or the renewal or amendment of existing contracts that exceed the current contract amounts.

SECTION 10.59.(b) The Division of Medical Assistance shall make every effort to effect savings within its operational budget and use those savings to offset its contract shortfall. Notwithstanding G.S. 143C-6-4(b)(3), the Department may use funds appropriated in this act to cover the contract shortfall in the Division of Medical Assistance if insufficient funds exist within the Division.

MEDICAID COST CONTAINMENT ACTIVITIES

SECTION 10.60.(a) The Department of Health and Human Services may use up to five million dollars (\$5,000,000) in the 2009-2010 fiscal year and up to five million dollars (\$5,000,000) in the 2010-2011 fiscal year in Medicaid funds budgeted for program services to support the cost of administrative activities when cost-effectiveness and savings are demonstrated. The funds shall be used to support activities that will contain the cost of the Medicaid Program, including contracting for services, hiring additional staff, or providing grants through the Office of Rural Health and Community Care to plan, develop, and implement cost containment programs.

Medicaid cost containment activities may include prospective reimbursement methods, incentive-based reimbursement methods, service limits, prior authorization of services, periodic medical necessity reviews, revised medical necessity criteria, service provision in the least costly settings, plastic magnetic striped Medicaid identification cards for issuance to Medicaid enrollees, fraud detection software or other fraud detection activities, technology that improves clinical decision making, credit balance recovery and data mining services, and other cost containment activities. Funds may be expended under this section only after the Office of State Budget and Management has approved a proposal for the expenditure

These funds shall be allocated as prescribed by G.S. 143C-9-1(b) for Medicaid programs. Notwithstanding the prescription in G.S. 143C-9-1(b) that these funds not reduce State general revenue funding, these funds shall replace the reduction in general revenue funding effected in this act. The Department may also use funds in the Medicaid Special Fund to fund the settlement of the Disproportionate Share Hospital payment audit issues between the Department of Health and Human Services and the federal government related to fiscal years 1997-2002, and funds are appropriated from the Fund for the 2009-2010 fiscal year for this purpose.

For the 2010-2011 fiscal year, the Department of Health and Human Services shall deposit from its revenues one hundred million dollars (\$100,000,000) with the Department of State Treasurer to be accounted for as nontax revenue. These deposits shall represent the return of General Fund appropriations provided to the Department of Health and Human Services to provide indigent care services at State-owned and operated mental hospitals. The treatment of any revenue derived from federal programs shall be in accordance with the requirements specified in the Code of Federal Regulations, Volume 2, Part 225.

FAMILIES PAY PART OF THE COST OF SERVICES UNDER THE CAP-MR/DD PROGRAM AND THE CAP-CHILDREN'S PROGRAM BASED ON FAMILY INCOME

SECTION 10.65.(a) Subject to approval from the Centers for Medicare and Medicaid Services (CMS), the Department of Health and Human Services, Division of Medical Assistance, shall, in consultation with the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services, and Community Alternatives Program (CAP) stakeholders, develop a schedule of cost-sharing requirements for families of children with incomes above the Medicaid allowable limit to share in the costs of their child's Medicaid expenses under the CAP-MR/DD (Community Alternatives Program for Mental Retardation

and Developmentally Disabled) and the CAP-C (Community Alternatives Program for Children). The cost-sharing amounts shall be based on a sliding scale of family income and shall take into account the impact on families with more than one child in the CAP programs. In developing the schedule, the Department shall also take into consideration how other states have implemented cost-sharing in their CAP programs. The Division of Medical Assistance may establish monthly deductibles as a means of implementing this cost-sharing. The Department shall provide for at least one public hearing and other opportunities for individuals to comment on the imposition of cost-sharing under the CAP program schedule.

SECTION 10.65.(b) The Division of Medical Assistance shall also, in collaboration with the Controller's Office of the Department of Health and Human Services, the Division of Information Resource Management (DIRM), and the new vendor of the replacement Medicaid Management Information System, develop business rules, program policies and procedures, and define relevant technical requirements.

The report shall include a summary of comments the Department has received at the public hearing, business rules, policies and procedures, and technical requirements of the initiative and shall also indicate any barriers to implementing the cost-sharing.

IMPLEMENTATION PLAN FOR FOUR TIERS OF CAP-MR/DD PROGRAM

SECTION 10.65A.(a) For the purposes of improving efficiency in the expenditure of available funds and effectively identifying and meeting the needs of CAP-MR/DD eligible individuals, on or before April 1, 2010, the Department of Health and Human Services, Division of Medical Assistance, in conjunction with the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services, shall submit to the Joint Legislative Oversight Committee on Mental Health, Developmental Disabilities, and Substance Abuse Services a plan for the implementation of Tiers 1 through 4 of the CAP-MR/DD program. The plan shall describe the implementation of Tiers 1 and 4 and the proposed implementation of Tiers 2 and 3, and revisions of Tier 4, and shall include detail on each of the following:

- (1) The array and intensity level of services that will be available under each of the four Tiers;
- (2) The range of costs for the array and intensity level of services under each of the four Tiers;
- (3) How the relative intensity of need for each current and future CAP-MR/DD eligible individual will be reliably determined; and
- (4) How the determination of intensity of need will be used to assign individuals appropriately into one of the four Tiers.

The Department may develop an application to the Centers for Medicare and Medicaid services for additional Medicaid waivers for Tiers 2 and 3 of the CAP-MR/DD program. The Department shall not submit the application until after it has submitted the plan required under this subdivision. Nothing in this subdivision obligates the General Assembly to appropriate additional funds for the CAP-MR/DD waiver.

SECTION 10.65A.(b) The Division of Mental Health, Developmental Disabilities, and Substance Abuse Services, in conjunction with local management entities (LMEs) shall review the services funded through the Division received by individuals with developmental disabilities who are not currently being served through the CAP-MR/DD waiver to determine (i) if those individuals could be better served through the CAP-MR/DD Tier 1 waiver, and (ii) if the State appropriations currently funding services for those individuals would be sufficient to provide the nonfederal match for those individuals if they became eligible for the CAP-MR/DD Tier 1 waiver. The Division shall report its findings by March 1, 2010, to the Joint Legislative Oversight Committee on Mental Health, Developmental Disabilities, and Substance Abuse Services, the House of Representatives Appropriations Subcommittee on Health and Human Services, the Senate Appropriations Committee on Health and Human Services, and the Fiscal Research Division.

SECTION 10.65A.(c) Of the funds appropriated to the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services and currently used for State-funded services for people with CAP slots, the sum of eight million dollars (\$8,000,000) for the 2009-2010 fiscal year shall be transferred to the Division of Medical Assistance. Of these funds, the sum of four million dollars (\$4,000,000) shall be used by the Division of Medical Assistance for Tier 1 CAP-MR/DD slots, and the remaining four million dollars (\$4,000,000) shall be used by the Division of Medical Assistance to ensure that only a partial freeze of CAP slots shall be implemented for the 2009-2011 fiscal biennium. Among those individuals who are not receiving CAP slots but are receiving developmental disability services, the Division shall move these individuals into Tier 1 slots as soon as possible.

SECTION 10.65A.(d) The Department of Health and Human Services, Division of Mental Health, Developmental Disabilities, and Substance Abuse Services, shall report on the number and geographic distribution of CAP slots by LME by October 1, 2009. The Department shall submit the report to the Joint Legislative Oversight Committee on Mental Health, Developmental Disabilities, and Substance Abuse Services.

SECTION 10.65A.(e) The Department of Health and Human Services, Division of Mental Health, Developmental Disabilities, and Substance Abuse Services, shall implement a plan to equitably distribute all CAP-MR/DD slots among LMEs. The Plan shall specifically address those LMEs that, in the Department's determination, have fewer than their equitable share of CAP-MR/DD slots.

SECTION 10.65A.(f) The Piedmont Behavioral Health (PBH) LME shall be deemed by the Department as a demonstration model in the PBH LME catchment area. The Department shall also adopt as part of the demonstration model the PBH 1915(b) and 1915(c) Medicaid waivers, and single-stream funding for State services funds, which include funds previously transferred from State institution budgets.

PREFERRED DRUG LIST PROGRAM

SECTION 10.66.(a) In the event insufficient savings are realized from enhancing the utilization management of the Prescription Advantage List, increasing the utilization of generic drugs in place of brand-name drugs and increasing rebate collections on generic drugs, the Department of Health and Human Services shall establish and implement a preferred drug list program under the Division of Medical Assistance. The Department shall submit a medical assistance State Plan amendment to the Centers for Medicare and Medicaid Services (CMS) of the United States Department of Health and Human Services to implement the program.

SECTION 10.66.(b) The pharmaceutical and therapeutics committee of the Physician's Advisory Group (PAG) shall provide ongoing review of the preferred drug list. Members of the committee shall submit conflict of interest disclosure statements to the Department and shall have an ongoing duty to disclose conflicts of interest not included in the original disclosure.

SECTION 10.66.(c) The Department, in consultation with the PAG, shall adopt and publish policies and procedures relating to the preferred drug list, including:

- (1) Guidelines for the presentation and review of drugs for inclusion on the preferred drug list,
- (2) The manner and frequency of audits of the preferred drug list for appropriateness of patient care and cost-effectiveness,
- (3) An appeals process for the resolution of disputes, and
- (4) Such other policies and procedures as the Department deems necessary and appropriate.

The Department and the pharmaceutical and therapeutics committee shall consider all therapeutic classes of prescription drugs for inclusion on the preferred drug list, except medications for treatment of human immunodeficiency virus or acquired immune deficiency syndrome shall not be subject to consideration for inclusion on the preferred drug list.

The Department shall maintain an updated preferred drug list in electronic format and shall make the list available to the public on the Department's Internet Web site.

The Department shall: (i) enter into a multistate purchasing pool; (ii) negotiate directly with manufacturers or labelers; (iii) contract with a pharmacy benefit manager for negotiated discounts or rebates for all prescription drugs under the medical assistance program; or (iv) effectuate any combination of these options in order to achieve the lowest available price for such drugs under such program.

The Department may negotiate supplemental rebates from manufacturers that are in addition to those required by Title XIX of the federal Social Security Act. The committee shall consider a product for inclusion on the preferred drug list if the manufacturer provides a supplemental rebate. The Department may procure a sole source contract with an outside entity or contractor to conduct negotiations for supplemental rebates.

SECTION 10.66.(d) This section becomes effective if the Department cannot demonstrate by June 1, 2010, that twenty-five million dollars (\$25,000,000) in prescription drug savings have been realized by employing the methods outlined in subsection (a) of this section.

MEDICAID APPEALS/FUNDS DO NOT REVERT

SECTION 10.67. The Office of Administrative Hearings shall enter into a Memorandum of Agreement (MOA) with the Department of Health and Human Services for the funds transferred from the Department to the Office of Administrative Hearings in the 2008-2009 fiscal year for mediation services provided for Medicaid applicants and recipient appeals and contracted services necessary to conduct the appeals process. The MOA will facilitate the Department's ability to draw down federal Medicaid funds to support this administrative function.

CLARIFYING CHANGES TO STATE MEDICAID RESPONSIBILITIES

SECTION 10.68. Consistent with Sections 31.16.1(c) and (d) of S.L. 2007-323 that require the State to assume responsibility for the nonfederal share of the costs of medical services provided under the Medicaid Program starting June 1, 2009, the counties shall neither bear any responsibility for settlement payments to providers nor refunds of expenditures for program service claims paid on or before June 1, 2009. Counties will continue to participate in their share of administrative costs.

AUTHORIZE THE DIVISION OF MEDICAL ASSISTANCE TO TAKE CERTAIN STEPS TO EFFECTUATE COMPLIANCE WITH BUDGET REDUCTIONS IN THE MEDICAID PROGRAM

SECTION 10.68A.(a) For the purpose of enabling the Department of Health and Human Services, Division of Medical Assistance, to achieve the budget reductions enacted in this act for the Medicaid program, the Department may take the following actions, notwithstanding any other provision of this act or other State law or rule to the contrary and subject to the requirements of subsection (e) of this section:

- (1) Electronic transactions. –
 - a. Within 60 days of notification of its procedures via the DMA Web site, Medicaid providers shall follow the Department's established procedures for securing electronic payments. No later than September 1, 2009, the Department shall cease routine provider payments by check.
 - b. Effective September 1, 2009, all Medicaid providers shall file claims electronically to the fiscal agent. Nonelectronic claims submission may be required when it is in the best interest of the Department.
 - c. Effective September 1, 2009, enrolled Medicaid providers shall submit Preadmission Screening and Annual Resident Reviews (PASARR) through the Department's Web-based tool or through a vendor with interface capability to submit data into the Web-based PASARR.
- (2) Clinical coverage. – The Department of Health and Human Services, Division of Medical Assistance, shall amend applicable clinical policies and submit applicable State Plan amendments to CMS to implement the budget reductions authorized in the following clinical coverage areas in this act:
 - a. Consolidate and reduce Targeted Case Management and case management functions bundled within other Medicaid services.
 - b. Take appropriate action to lower the cost of HIV case management, including tightening service hours and limiting administrative costs. The Department shall maintain HIV case management as a

stand-alone service outside of departmental efforts to consolidate case management services.

- c. Eliminate coverage of therapeutic camps. The Department shall report on or before October 1, 2009, on the plan to transition children out of mental health residential therapeutic camps. The Department shall submit the report to the Joint Legislative Oversight Committee on Mental Health, Developmental Disabilities, and Substance Abuse Services.
- (3) Medicaid Personal Care Service provision. – Upon the enactment of this act, the Division of Medical Assistance shall implement the following new criteria for personal care services (PCS):
- a. Independent assessment by an entity that does not provide direct PCS services for evaluation of the recipient prior to initiation of service. The independent assessment will determine the qualifying Activities of Daily Living (ADL), the level of assistance required, and the amount and scope of PCS to be provided, according to policy criteria.
 - b. Independent assessment or review from the assigned Community Care of North Carolina (CCNC) physician of the continued qualification for PCS services under the revised PCS policy criteria.

Recipients currently receiving PCS services shall be reviewed under the above criteria, and those recipients not meeting the new criteria shall be terminated from the service within 30 days of the review. The Department shall review usage of personal care services in adult care homes to determine if overuse is occurring and shall report its findings to the House of Representatives Appropriations Subcommittee on Health and Human Services, the Senate Appropriations Committee on Health and Human Services, and the Fiscal Research Division on or before December 1, 2009.

- (5) Community Support and other MH/DD/SA services. – The Department of Health and Human Services shall transition community support child and adult, individual and group services to other defined services on or before June 30, 2010.  - e. The current moratorium on community support provider endorsement shall remain in effect.
 - f. A provider of community support services whose endorsement has been withdrawn or whose Medicaid participation has been terminated is not entitled to payment during the period the appeal is pending, and the Department shall make no payment to the provider during that period. If the final agency decision is in favor of the provider, the Department shall remove the suspension, commence payment for valid claims, and reimburse the provider for payments withheld during the period of appeal.
 - g. Effective 60 days from the enactment of this act, the paraprofessional level of community support shall be eliminated, and from this date the Department shall not use any Medicaid or State funds to pay for this level of service.
 - h. Thirty days after the enactment of this act, any concurrent request shall be accompanied with a discharge plan.  - k. Failure to comply with notification, recipient transition planning, or record maintenance shall result in suspension of further payment until such failure is corrected. In addition, failure to comply shall result in denial of enrollment as a provider for any Medicaid or State-funded service. A provider (including its officers, directors, agents, or managing employees or individuals or entities having a direct or indirect ownership interest or control interest of five percent (5%) or more as set forth in Title XI of the Social Security Act) that fails to comply with the required record retention may be subject to sanctions, including exclusion from further participation in the Medicaid program, as set forth in Title XI.
- (6) Community Support Team. – Authorization for a Community Support Team shall be based upon medical necessity as defined by the Department and shall not exceed 18 hours per week. The Division of Medical Assistance shall do an immediate rate study of the Community Support Team to bring the average cost of service per recipient in line with Assertive Community

Treatment Team (ACTT) services. The Division shall also revise provider qualifications and tighten the service definition to contain costs in this line item. Not later than December 1, 2009, the Division of Medical Assistance shall report its findings on the rate study and any actions it has taken to conform with this subdivision to the Joint Legislative Oversight Committee on Mental Health, Developmental Disabilities, and Substance Abuse Services.

- (7) MH Residential. – The Department of Health and Human Services shall restructure the Medicaid child mental health, developmental disabilities, and substance abuse residential services to ensure that total expenditures are within budgeted levels. All restructuring activities shall be in compliance with federal and State law or rule. The restructuring shall address all of the following:

The revised criteria shall promote least restrictive services in the home prior to residential placement. During treatment, there must be inclusion in community activities and parent or legal guardian participation in treatment.
 - c. Require all existing residential providers or agencies to be nationally accredited within one year of enactment of this act. Any providers enrolled after the enactment of this act shall be subject to existing endorsement and nationally accrediting requirements. In the interim, providers who are nationally accredited will be preferred providers for placement considerations.
 - d. Before a child can be admitted to Level III or Level IV placement, one or more of the following shall apply:
 1. Placement shall be a step down from a higher level placement such as a psychiatric residential treatment facility or inpatient.
 2. Multisystemic therapy or intensive in-home therapy services have been unsuccessful.
 3. The Child and Family Team has reviewed all other alternatives and recommendations and recommends Level III or IV placement due to maintaining health and safety.
 4. Transition or discharge plan shall be submitted as part of the initial or concurrent request.
 - e. Length of stay is limited to no more than 120 days. Any exceptions granted will require an independent psychiatric assessment, Child and Family Team review of goals and treatment progress, family or discharge placement setting are actively engaged in treatment goals and objectives and active participation of the prior authorization of vendor.

 - h. Record maintenance is the responsibility of the provider and must be in compliance with record retention requirements. Records shall also be available to State, federal, and local agencies.
 - i. Failure to comply with notification, recipient transition planning, or record maintenance shall be grounds for withholding payment until such activity is concluded. In addition, failure to comply shall be

- j. On or before October 1, 2009, the Department shall report on its plan for transitioning children out of Level III and Level IV group homes. The Department shall submit the reports to the Joint Legislative Oversight Committee on Mental Health, Developmental Disabilities, and Substance Abuse Services.
- (8) Reduce Medicaid rates. – Subject to the prior approval of the Office of State Budget and Management, the Secretary shall reduce Medicaid provider rates to accomplish the reduction in funds for this purpose enacted in this act. The Secretary shall consider the impact on access to care through primary care providers and critical access hospitals and may adjust the rates accordingly. The rate reduction applies to all Medicaid private and public providers with the following exceptions: federally qualified health clinics, rural health centers, State institutions, hospital outpatient, pharmacies, and the noninflationary components of the case-mix reimbursement system for nursing facilities. Medicaid rates predicated upon Medicare fee schedules shall follow Medicare reductions but not Medicare increases unless federally required. Inflationary increases for Medicaid providers paying provider fees (private ICF-MRs and nursing facilities) can occur if the State share of the increases can be funded with provider fees.
- (9) Medicaid identification cards. – The Department shall issue Medicaid identification cards to recipients on an annual basis with quarterly updates.
- (10) The Department of Health and Human Services shall develop a plan for the consolidation of case management services. The plan shall address the time line and process for implementation, the vendors involved, the identification of savings, and the Medicaid recipients affected by the consolidation. Consolidation under this subdivision does not apply to HIV case management. By December 1, 2009, the Department shall report on the plan to the House of Representatives Appropriations Subcommittee on Health and Human Services, the Senate Appropriations Committee on Health and Human Services, and the Fiscal Research Division.

INFORMATION ON MEDICAID WAIVERS

SECTION 10.72A.(a) The Department of Health and Human Services, Division of Medical Assistance, in conjunction with the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services, shall report on the feasibility and efficacy of applying for Medicaid waivers from the Centers for Medicare and Medicaid Services. The report shall recommend whether the following waivers should be pursued and the reasons therefore:

- (1) An 1115 waiver to permit individuals that test positive for HIV and have incomes at or below two hundred percent (200%) of the federal poverty level access to Medicaid services. The report and recommendation shall indicate the number of people that may be eligible for Medicaid services under the waiver, the resulting cost and cost savings to the State if all potentially eligible individuals applied for assistance, and the programmatic and technical impact should the waiver be implemented.
- (2) An 1115 waiver or other available Medicaid options to provide interconceptional coverage to low-income women with incomes below one hundred eighty-five percent (185%) of the federal poverty guidelines who have given birth to a high-risk infant. A high-risk infant is defined as weighing less than 1,500 grams, is born less than 34 weeks gestation, is born with a congenital anomaly, or who has died within the first 28 days of life. Interconceptional care would be limited to two years following the birth of a high-risk infant, or until a subsequent birth, whichever comes first. The report and recommendations should include estimated cost savings from improved birth outcomes that will offset the cost of providing Medicaid coverage to this targeted population.
- (3) A 1915(c) waiver to permit individuals who sustain traumatic brain injury after age 22 to access home and community-based Medicaid services. The report and recommendation shall include the estimated cost to implement the waiver.
- (4) A waiver to prevent a Medicaid recipient from losing Medicaid eligibility due to Social Security and Railroad Retirement cost-of-living adjustments and federal poverty level adjustments. The report and recommendation shall provide the cost to cover all affected persons effective April 1, 2009.

The Department shall provide for each waiver the estimated time needed to prepare the waiver application and the earliest date upon which the waiver, if approved by CMS, could be implemented.

SECTION 10.72A.(b) The Department shall submit its report and recommendations to the House of Representatives Appropriations Subcommittee on Health and Human Services, the Senate Appropriations Committee on Health and Human Services, the Fiscal Research Division, and the Legislative Oversight Committee on Mental Health, Developmental Disabilities, and Substance Abuse Services by March 1, 2010.

The suspension of payment shall be in the amount under review and shall continue during the pendency of any appeal filed at the Department, the Office of Administrative Hearings, or State or federal courts. If the provider appeals the final agency decision and the decision is in favor of the provider, the Department shall reimburse the provider for payments for all valid claims suspended during the period of appeal.

SECTION 10.73A.(b) Entering into a Medicaid Administrative Participation Agreement with the Department does not give rise to any property or liberty right in continued participation as a provider in the North Carolina Medicaid program.

SECTION 10.73A.(c) The Department shall not make any payment to a provider unless and until all outstanding Medicaid recoupments, assessments, or overpayments have been repaid in full to the Department, together with any applicable penalty and interest charges, or unless and until the provider has entered into an approved payment plan.

The Department may also issue a provisional license to a facility, pursuant to rules adopted by the Medical Care Commission, for substantial failure to comply with the provisions of this section or rules adopted pursuant to this section. Any facility wishing to contest the issuance of a provisional license shall be entitled to an administrative hearing as provided in the Administrative Procedure Act, Chapter 150B of the General Statutes. GENERAL PROVISIONS

SECTION 10.78.(b) Information to Be Included in Block Grant Plans. – The Department of Health and Human Services shall submit a separate plan for each Block Grant received and administered by the Department, and each plan shall include the following:

- (1) A delineation of the proposed allocations by program or activity, including State and federal match requirements.
- (2) A delineation of the proposed State and local administrative expenditures.
- (3) An identification of all new positions to be established through the Block Grant, including permanent, temporary, and time-limited positions.
- (4) A comparison of the proposed allocations by program or activity with two prior years' program and activity budgets and two prior years' actual program or activity expenditures.
- (5) A projection of current year expenditures by program or activity.
- (6) A projection of federal Block Grant funds available, including unspent federal funds from the current and prior fiscal years.

SECTION 10.78.(c) Changes in Federal Fund Availability. – If the Congress of the United States increases the federal fund availability for any of the Block Grants administered by the Department of Health and Human Services from the amounts appropriated in this section, the Department shall allocate the increase proportionally across the program and activity appropriations identified for that Block Grant in this section. In allocating an increase in federal fund availability, the Department shall not propose funding for new programs or activities not appropriated in this section.

If the Congress of the United States decreases the federal fund availability for any of the Block Grants administered by the Department of Health and Human Services from the amounts appropriated in this section, the Department shall reduce State administration by at least the percentage of the reduction in federal funds. After determining the State administration, the remaining reductions shall be allocated proportionately across the program and activity appropriations identified for that Block Grant in this section.

Prior to allocating the change in federal fund availability, the proposed allocation must be approved by the Office of State Budget and Management. If the Department adjusts the allocation of any Block Grant due to changes in federal fund availability, then a report shall be made to the Joint Legislative Commission on Governmental Operations, the House of Representatives Appropriations Subcommittee on Health and Human Services, the Senate Appropriations Committee on Health and Human Services, and the Fiscal Research Division.

SECTION 10.78.(d) Appropriations from federal Block Grant funds are made for the fiscal year ending June 30, 2010, according to the schedule enacted for State fiscal year 2009-2010 or until a new schedule is enacted by the General Assembly.

SECTION 10.78.(e) All changes to the budgeted allocations to the Block Grants administered by the Department of Health and Human Services that are not specifically addressed in this section shall be approved by the Office of State Budget and Management, and a report shall be submitted to the Joint Legislative Commission on Governmental Operations for review prior to implementing the changes. All changes to the budgeted allocations to the Block Grants shall be reported immediately to the House of Representatives Appropriations Subcommittee on Health and Human Services, the Senate Appropriations Committee on Health and Human Services, and the Fiscal Research Division. This subsection does not apply to Block Grant changes caused by legislative salary increases and benefit adjustments.

TEMPORARY ASSISTANCE FOR NEEDY FAMILIES (TANF) BLOCK GRANT AND TANF CONTINGENCY FUNDS

SECTION 10.78.(f) The sum of one million ninety-three thousand one hundred seventy-six dollars (\$1,093,176) appropriated in this section in the TANF Block Grant to the Department of Health and Human Services, Division of Social Services, for the 2009-2010 fiscal year shall be used to support administration of TANF-funded programs.

SECTION 10.78.(g) The sum of one million seven hundred sixty thousand dollars (\$1,760,000) appropriated under this section in TANF Contingency funds to the Department of Health and Human Services, Division of Social Services, for the 2009-2010 fiscal year shall be used to provide domestic violence services to Work First recipients. These funds shall be used

to provide domestic violence counseling, support, and other direct services to clients. These funds shall not be used to establish new domestic violence shelters or to facilitate lobbying efforts. The Division of Social Services may use up to seventy-five thousand dollars (\$75,000) in TANF funds to support one administrative position within the Division of Social Services to implement this subsection.

Each county department of social services and the local domestic violence shelter program serving the county shall develop jointly a plan for utilizing these funds. The plan shall include the services to be provided and the manner in which the services shall be delivered. The county plan shall be signed by the county social services director or the director's designee and the domestic violence program director or the director's designee and submitted to the Division of Social Services by December 1, 2009. The Division of Social Services shall allocate these funds to county departments of social services according to the following formula: (i) each county shall receive a base allocation of five thousand dollars (\$5,000); and (ii) each county shall receive an allocation of the remaining funds based on the county's proportion of the statewide total of the Work First caseload as of July 1, 2009, and the county's proportion of the statewide total of the individuals receiving domestic violence services from programs funded by the Council for Women as of July 1, 2009. The Division of Social Services may reallocate unspent funds to counties that submit a written request for additional funds.

The Department shall develop and implement a grant program to award grants to community-based programs that demonstrate the ability to reach children at risk of teen pregnancy, school dropout, and gang participation. The Department shall award grants to community-based organizations that demonstrate the ability to develop and implement linkages with local departments of social services, area mental health programs, schools, and other human services programs in order to provide support services and assistance to the child and family. These funds may be used to fund one position within the Division of Social Services to coordinate at-risk after-school programs and shall not be used for other State administration.

SECTION 10.78.(i) The sum of fourteen million four hundred fifty-two thousand three hundred ninety-one dollars (\$14,452,391) appropriated in this section to the Department of Health and Human Services, Division of Social Services, in the TANF Block Grant for the 2009-2010 fiscal year for child welfare improvements shall be allocated to the county departments of social services for hiring or contracting staff to investigate and provide services in Child Protective Services cases; to provide foster care and support services; to recruit, train, license, and support prospective foster and adoptive families; and to provide interstate and postadoption services for eligible families.

The Division of Social Services, in consultation with the North Carolina Association of County Directors of Social Services and representatives of licensed private adoption agencies, shall develop guidelines for the awarding of funds to licensed public and private adoption agencies upon the adoption of children described in G.S. 108A-50 and in foster care. Payments received from the Special Children Adoption Fund by participating agencies shall be used exclusively to enhance the adoption services program. No local match shall be required as a condition for receipt of these funds.

SECTION 10.78.(k) The sum of one million two hundred thousand dollars (\$1,200,000) in this section appropriated to the Department of Health and Human Services in the TANF Block Grant for the 2009-2010 fiscal year shall be used to implement N.C. FAST (North Carolina Families Accessing Services through Technology). The N.C. FAST Program involves the entire automation initiative through which families access services and local departments of social services deliver benefits, supervised by the Department of Health and Human Services, Divisions of Social Services, Aging and Adult Services, Medical Assistance,

and Child Development. The statewide automated initiative shall be implemented in compliance with federal regulations in order to ensure federal financial participation in the project. The Department of Health and Human Services shall report on its compliance with this subsection to the House of Representatives Appropriations Subcommittee on Health and Human Services, the Senate Appropriations Committee on Health and Human Services, and the Fiscal Research Division no later than January 1, 2010.

The Department shall develop and implement a grant program to award funds to community-based programs demonstrating the capacity to reach children at risk of teen pregnancy, school dropout, and gang participation. These funds shall not be used for training or administration at the State level. All funds shall be distributed to community-based programs, focusing on those communities where similar programs do not exist in middle schools.

SECTION 10.78.(m) In implementing the TANF Block Grants, the Department of Health and Human Services shall review policies, programs, and initiatives to ensure that they support men in their role as fathers and strengthen fathers' involvement in their children's lives. The Department shall encourage county departments of social services to ensure their Work First programs emphasize responsible fatherhood and increased participation by noncustodial fathers.

SECTION 10.78.(n) The sum of four hundred forty thousand dollars (\$440,000) appropriated in this section to the Department in TANF Contingency funds for the 2009-2010 fiscal year shall be transferred to Connect, Inc. Connect, Inc., shall report on the number of people served and the services received as a result of the receipt of funds. The report shall contain expenditure data, including the amount of funds used for administration and direct training. The report shall also include the number of people who have been employed as a direct result of services provided by Connect, Inc., including the length of employment in the new position. The Department of Health and Human Services shall evaluate the program and ensure that services provided are not duplicative of local employment security commissions in the nine counties served by Connect, Inc. The evaluation report shall be submitted to the House of Representatives Appropriations Subcommittee on Health and Human Services, the Senate Appropriations Committee on Health and Human Services, and the Fiscal Research Division no later than May 1, 2010.

The Department of Health and Human Services, in accordance with federal regulations for the use of TANF Block Grant funds, shall administer a grant program to award funds to the Boys and Girls Clubs across the State in order to implement programs that improve the motivation, performance, and self-esteem of youths and to implement other initiatives that would be expected to reduce gang participation, school dropout, and teen pregnancy rates. The Department shall encourage and facilitate collaboration between the Boys and Girls Clubs and Support Our Students, Communities in Schools, and similar programs to submit joint applications for the funds if appropriate.

SECTION 10.78.(p) The Department of Health and Human Services, Division of Social Services, shall continue implementing county demonstration grants that began in the 2006-2007 fiscal year. The county demonstration grants may be awarded for up to three years with all projects ending no later than the end of fiscal year 2009-2010. The purpose of the county demonstration grants is to identify best practices that can be used by counties to improve the work participation rates. The Division of Social Services is authorized to establish two time-limited positions to manage the grant award process and monitor the demonstration projects through fiscal year 2009-2010.

Funding provided under the county demonstration grants shall not be used to supplant local funds, and counties shall be required to maintain the current level of effort and funding for the Work First program.

The Department of Health and Human Services, Division of Social Services, shall report on the status of county demonstration grants implemented pursuant to this subsection to the House of Representatives Appropriations Subcommittee on Health and Human Services,

the Senate Appropriations Committee on Health and Human Services, and the Fiscal Research Division no later than February 1, 2010.

of this subsection. The maximum sentence shall be calculated using G.S. 15A-1340.17(d), (e), or (e1).

- (3) If a person is serving sentences for two or more offenses that are concurrent in any respect, then the offense with the greater classification shall be used to determine a single maximum sentence for the concurrent offenses. The fact that the person has been convicted of multiple offenses may be considered by the Commission in making its determinations under subsection (a) of this section.

SECTION 19.8.(c) The Post-Release Supervision and Parole Commission shall report to the Joint Legislative Corrections, Crime Control, and Juvenile Justice Oversight Committee and to the Chairs of the House of Representatives and Senate Appropriations Committees, and the Chairs of the House of Representatives and Senate Appropriations Subcommittees on Justice and Public Safety by April 1, 2010. REDUCTIONS IN FORCE NECESSITATED BY THE EXTREME FISCAL CRISIS

SECTION 26.14B. Findings. – The General Assembly finds that:

- (1) The extreme fiscal crisis affecting North Carolina's economy, the national economy, and global economic markets has substantially reduced the State's revenue projections for the 2009-2011 fiscal biennium.
- (2) Economies in State expenditures and maximized efficiencies in State operations must be effected immediately and systematically in order to meet the compelling State interest of enacting a balanced budget in accordance with the State Constitution and to protect the interests of the people of North Carolina.
- (3) Given the broad scope and depth of the budget reduction and efficiency measures required by this act, the elimination through reductions in force of positions, both filled and vacant, including contract positions, is necessary to preserve the public health, safety, and welfare and to continue the effective administration of important governmental functions in the interest of the people of North Carolina.

REDUCTION IN FORCE/EXTEND STATE EMPLOYEE PRIORITY RIGHTS

SECTION 26.14D. For the 2009-2011 fiscal biennium, the priority consideration afforded to State employees pursuant to G.S. 126-7.1(c1) shall remain in effect for an additional 12-month period.

The member shall suffer no diminution of retirement average final compensation based on being on furlough, and the retirement average final compensation shall be calculated based on the undiminished compensation. During a furlough period, the employer shall pay both employee and employer contributions to the Retirement Systems Division or ORP on

behalf of the furloughed employee as though the employee were in active service.

- (2) A member of the State Health Plan for Teachers and State Employees shall be considered eligible for coverage under the Plan on the same basis as on the workday immediately preceding the furlough. The public employer shall pay contributions on behalf of the furloughed public employee as though the employee were in active service.

SECTION 26.14E.(c) This section holds harmless employees who are subject to furloughs to accomplish economies required by this act as to their retirement and other benefits that normally accrue as a result of employment. - (2) To allow the public agency to settle any claim against the public agency or to gain additional economies not specifically required by this act.

SECTION 26.14E.(d) This section shall not be construed as authorizing furloughs.

SECTION 26.14E.(e) Whenever the Governor, the Chief Justice, the Legislative Services Commission, the Board of Governors of The University of North Carolina, the Board of the North Carolina Community College System, or a local school board authorizes a furlough of public agency employees, the respective authorizing officer or entity shall report to the State Treasurer, the Director of the Retirement Systems Division, and the Executive Administrator of the State Health Plan the following:
