AN ACT TO ALLOW AN INDIVIDUAL INCOME TAX CREDIT FOR CHILDREN WITH DISABILITIES WHO REQUIRE SPECIAL EDUCATION AND TO CREATE A FUND FOR SPECIAL EDUCATION AND RELATED SERVICES.

The General Assembly of North Carolina enacts:

SECTION 1. Part 2 of Article 4 of Chapter 105 of the General Statutes is amended by adding a new section to read:

§ 105-151.33. Education expenses credit.

(a) Credit. – A taxpayer is allowed a credit against the tax imposed by this Part for each of the taxpayer's eligible dependent children who is a resident of this State and who, for one or two semesters during the taxable year, is enrolled in and attending grades K through 12 in a nonpublic school or in a public school at which tuition is charged in accordance with G.S. 115C-366.1. As used in this section, the term 'eligible dependent child' means a child with a disability as defined by G.S. 115C-106.3(1) who has spent at least two semesters in a taxable year in a public school, who while enrolled in and attending a public school was determined to require an individualized education program as defined by G.S. 115C-106.3(8), and for whom the taxpayer is entitled to deduct a personal exemption under section 151(c) of the Code for the taxable year. For the initial eligibility for the tax credit, the eligible dependent child shall have been enrolled in and attended at least the preceding two semesters in a public school.

(b) Amount. – The credit is equal to the amount the taxpayer paid for tuition and special education and related services expenses, not to exceed three thousand dollars ($3,000) per semester. For home schools, as defined in G.S. 115C-563(a), the credit is equal to the amount the taxpayer paid for special education and related services expenses, not to exceed three thousand dollars ($3,000) per semester.

(c) Semesters. – For the purposes of this section, there are two semesters during each taxable year. The spring semester is the first six months of the taxable year, and the fall semester is the second six months of the taxable year. An eligible dependent child is enrolled in a school for a semester if the eligible dependent child is enrolled in and attending that school for more than 80 days during that semester.

(d) Disqualification. – A taxpayer may not qualify for a credit for any semester during which the taxpayer's eligible dependent child for whom the credit would otherwise be claimed met any of the following conditions:

(1) Spent any time enrolled as a full-time student taking at least 12 hours of academic credit in a postsecondary educational institution.

(2) Was 22 years or older during the entire semester.
(e) Reduction of Credit. – The amount of the credit is reduced for any semester in which the eligible dependent child spent any time enrolled in and attending a public school. The amount of the reduction is a percentage equal to the percentage of the semester that the eligible dependent child spent enrolled in and attending a public school.

(f) Information. – In order to claim the credit allowed by this section, the taxpayer must provide the following to the Secretary:

1. The name, address, and social security number of each eligible dependent child for whom the credit is claimed and the name and address of the school or schools in which the eligible dependent child was enrolled in and attended for more than 80 days each semester.
2. The taxpayer's certification that the eligible dependent child did not meet any of the disqualifying conditions set out in this section.
3. The name of the local school administrative unit in which the eligible dependent child resides.

5. The eligibility determination that the eligible dependent child is a child with a disability as defined by
6. A listing of the tuition and special education and related services expenses on which the amount of the credit is based.
7. For home schools as defined in G.S. 115C-563(a), a listing of the special education and related services expenses on which the amount of the credit is based.

(g) Credit Refundable. – If the credit allowed by this section exceeds the amount of tax imposed by this Part for the taxable year reduced by the sum of all credits allowable, the Secretary must refund the excess to the taxpayer. The refundable excess is governed by the provisions governing a refund of an overpayment by the taxpayer of the tax imposed in this Part. In computing the amount of tax against which multiple credits are allowed, nonrefundable credits are subtracted before refundable credits.

(h) Transfer. – At the end of each fiscal year, the Secretary shall transfer to the Fund for Special Education and Related Services established under G.S. 115C-472.15 from the net individual income tax collections under G.S. 105-134.2 an amount equal to two thousand dollars ($2,000) multiplied by the number of credits taken under this section during the fiscal year."
