The General Assembly of North Carolina enacts:

SECTION 1. G.S. 153A-77 reads as rewritten:

"§ 153A-77. Authority of boards of commissioners in certain counties over commissions, boards, agencies, etc.

(a) In the exercise of its jurisdiction over commissions, boards and agencies, the board of county commissioners may assume direct control of any activities theretofore conducted by or through any commission, board or agency by the adoption of a resolution assuming and conferring upon the board of county commissioners all powers, responsibilities and duties of any such commission, board or agency. This ~~subsection~~ section shall apply to the board of health, the social services board, area mental health, developmental disabilities, and substance abuse area board and any other commission, board or agency appointed by the board of county commissioners or acting under and pursuant to authority of the board of county commissioners of said county except as provided in G.S. 153A-76. A board of county commissioners exercising the power and authority under this subsection may, notwithstanding G.S. 130A-25, enforce public health rules adopted by the board through the imposition of civil penalties. If a public health rule adopted by a board of county commissioners imposes a civil penalty, the provisions of G.S. 130A-25 making its violation a misdemeanor shall not be applicable to that public health rule unless the rule states that a violation of the rule is a misdemeanor. The board of county commissioners may exercise the power and authority herein conferred only after a public hearing held by said board pursuant to 30 days' notice of said public hearing given in a newspaper having general circulation in said county.

The board of county commissioners may also appoint advisory boards, committees, councils and agencies composed of qualified and interested county residents to study, interpret and develop community support and cooperation in activities conducted by or under the authority of the board of county commissioners of said county.

(b) In the exercise of its jurisdiction over commissions, boards, and agencies, the board of county commissioners of a county having a county manager pursuant to G.S. 153A-81 may:
