40 Employees' Retirement System and the State Health Plan for Teachers and State Employees."

41 **SECTION 1.1.(b)** G.S. 143B-431A(i), as enacted by this act, does not apply to
42 employees of the Department of Commerce, other than employees involved in the
43 recommendation and administration of State economic development incentive programs, prior
44 to the time the Department contracts with a North Carolina nonprofit corporation pursuant to
45 this act.

46 **SECTION 1.1.(c)** G.S. 132-6(d) reads as rewritten:

47 "(d) Notwithstanding the provisions of subsections (a) and (b) of this section, public
48 records relating to the proposed expansion or location of specific business or industrial projects
49 may be withheld so long as their inspection, examination or copying would frustrate the
50 purpose for which such public records were created; provided, however, that nothing herein
51 shall be construed to permit the withholding of public records relating to general economic

1 development policies or activities. Once the State, a local government, or the specific business
 2 has announced a commitment by the business to expand or locate a specific project in this State
 3 ~~or a final decision not to do so and the business has communicated that commitment or decision~~
 4 ~~to the State or local government agency involved with the project,~~ and that the business will
 5 receive a discretionary incentive for the project pursuant to Chapter 143B of the General
 6 Statutes, the provisions of this subsection allowing public records to be withheld by the agency
 7 no longer apply. If the specific business has requested discretionary incentives for the project
 8 pursuant to Chapter 143B of the General Statutes, but decides to not expand or locate the
 9 project in this State or does not receive such discretionary incentives, then the only records that
 10 are subject to disclosure pursuant to this Chapter are the records submitted to the Department of
 11 Commerce by the nonprofit corporation with which the Department contracts pursuant to
 12 G.S. 143B-431A. If a business decides to expand or locate a specific project in this State, but
 13 the nonprofit corporation with which the Department contracts pursuant to G.S. 143B-431A
 14 does not submit any documentation to the Department regarding a request for any discretionary
 15 incentives by the State pursuant to Chapter 143B of the General Statutes, and the business does
 16 not receive any such discretionary incentives, then any records regarding such project are not
 17 subject to disclosure pursuant to this Chapter. Once the provisions of this subsection no longer
 18 apply, the agency shall disclose as soon as practicable, and within 25 business days, public
 19 records requested for the announced project that are not otherwise made confidential by law.
 20 An announcement that a business or industrial project has committed to expand or locate in the
 21 State shall not require disclosure of local government records relating to the project if the
 22 business has not selected a specific location within the State for the project. Once a specific
 23 location for the project has been determined, local government records must be disclosed, upon
 24 request, in accordance with the provisions of this section. For purposes of this section, "local
 25 government records" include records maintained by the State that relate to a local government's
 26 efforts to attract the project."

27 **SECTION 1.2.(a)** G.S. 143B-434 is repealed.

28 **SECTION 1.2.(b)** G.S. 143B-434.01 reads as rewritten:

37 (b) ~~Board to Prepare Plan.~~ – ~~The Board Secretary shall prepare review and update the~~
 38 ~~existing Plan by April 1, 1994, on or before April 1 of each year. The Board shall review and~~
 39 ~~update this Plan by April 1 of each year. The original Plan shall cover a period of four years~~
 40 ~~and each annual update shall extend the time frame by one year so that a four-year plan is~~
 41 ~~always in effect. The Board Secretary shall provide copies of the Plan and each annual update~~
 42 ~~to the Governor and the Joint Legislative Commission on Governmental Operations. The Plan~~
 43 ~~shall encompass all of the components set out in this section.~~

44 (c) Purpose. – The purpose of this section is to require the ~~Board Secretary~~ to apply
 45 strategic planning principles to its economic development efforts. This requirement is expected
 46 to result in:

47 (1) The selection of a set of priority development objectives that recognizes the
 48 increasingly competitive economic environment and addresses the changing
 49 needs of the State in a more comprehensive manner.

50 (2) The effective utilization of available and limited resources.

51 (3) A commitment to achieve priority objectives and to sustain the process.

- 1 (d) (1) Public and Private Input. – At each stage as it develops and updates the Plan,
2 the ~~Board-Secretary~~ shall solicit input from all parties involved in economic
3 development in North Carolina, including:
4 a. Each of the programs and organizations that, for State budget
5 purposes, identifies economic development as one of its global goals.
6 b. Local economic development departments and regional economic
7 development organizations.
8 c. The Board of Governors of The University of North Carolina.
- 9 (2) The ~~Board-Secretary~~ shall also hold hearings in each of the Regions to solicit
10 public input on economic development before the initial Plan is completed.
11 The purposes of the public hearings are to:
12 a. Assess the strengths and weaknesses of recent regional economic
13 performance.
14 b. Examine the status and competitive position of the regional resource
15 base.
16 c. Identify and seek input on issues that are key to improving the
17 economic well-being of the Region.
18 The ~~Board-Secretary~~ shall hold additional hearings from time to time to
19 solicit public input regarding economic development activities.
- 20 (3) Each component of the Plan shall be based on this broad input and, to the
21 extent possible, upon a consensus among all affected parties. The ~~Board~~
22 ~~Secretary~~ shall coordinate its planning process with any State capital
23 development planning efforts affecting State infrastructure such as roads and
24 water and sewer facilities.
- 25 (e) Environmental Scan. – The first step in developing the Plan shall be to develop an
26 environmental scan based on the input from economic development parties and the public and
27 on information about the economic environment in North Carolina. To prepare the scan, the
28 ~~Board-Secretary~~ shall gather the following information required in this subsection and ensure
29 that the information is updated periodically. The updated information may be provided in
30 whatever format and through whatever means is most efficient. The information required to
31 prepare the scan includes all of the following:
32 ...
- 33 (f) Repealed by Session Laws 2012-142, s. 13.4(a), effective July 1, 2012.
- 34 (g) Vision and Mission Statements. – The ~~Board-Secretary~~ shall develop a vision
35 statement for economic development that would describe the preferred future for North
36 Carolina and what North Carolina would be like if all economic development efforts were
37 successful. The ~~Board-Secretary~~ shall then develop a mission statement that outlines the basic
38 purpose of each of North Carolina's economic development programs. Because special purpose
39 nonprofit organizations are uniquely situated to conduct the entrepreneurial and high-risk
40 activity of investing in and supporting new business creation in the State, they should be
41 assigned a dominant role in this key component of economic development activity.
- 42 (h) Goals and Objectives. – The ~~Board-Secretary~~, using data from the public input and
43 the environmental scan, shall formulate a list of goals and objectives. Goals shall be
44 long-range, four years or more, and shall address both needs of economically distressed
45 Regions and counties as well as opportunities for Regions and counties not distressed. The
46 goals shall be developed with realism but should also be selected so as to encourage every
47 Region and county within the State to develop to its maximum potential. Objectives shall be
48 one year or less in scope and shall, if achieved, lead to the realization of the goals formulated
49 by the ~~Board-Secretary~~ as provided in this section.
- 50 Both goals and objectives should be stated largely in economic terms, that is, they should
51 be related to specific population, employment, demographic targets, or economic sector targets.

1 Both efficiency and equity considerations are to be addressed and balanced with special
2 emphasis placed on the needs of disadvantaged or economically distressed populations and
3 communities. The goals and objectives should not state how the economic targets are to be
4 reached, but rather what the economic conditions will be if they are obtained. So that the
5 progress of North Carolina's economic development efforts can be monitored, the ~~Board~~
6 Secretary shall set objectives for each goal that allow measurement of progress toward the goal.
7 Objectives should be quantifiable and time-specific in order to serve as performance indicators.

8 ...
9 (j) Implementation Plan. – Based upon all of the foregoing steps, the ~~Board~~Secretary
10 shall establish an implementation plan assigning to the appropriate parties specific
11 responsibilities for meeting measurable objectives. The implementation plan shall contain all
12 necessary elements so that it may be used as a means to monitor performance, guide
13 appropriations, and evaluate the outcomes of the parties involved in economic development in
14 the State.

15 (k) Annual Evaluation. – The ~~Board~~Secretary shall annually evaluate the State's
16 economic performance based upon the statistics listed in this subsection and upon the ~~Board's~~
17 Secretary's stated goals and objectives in its Plan. The statistics upon which the evaluation is
18 made should be available to policymakers. The information may be provided in whatever
19 format and through whatever means is most efficient.

20 ...
21 (l) Accountability. – The ~~Board~~Secretary shall make all data, plans, and reports
22 available to the General Assembly, the Joint Legislative Commission on Governmental
23 Operations, the Joint Legislative Economic Development and Global Engagement Oversight
24 Committee, the Senate Appropriations Committee on Natural and Economic Resources, and the
25 House of Representatives Appropriations Subcommittee on Natural and Economic Resources at
26 appropriate times and upon request. The ~~Board~~Secretary shall prepare and make available on
27 an annual basis public reports on each of the major sections of the Plan and the Annual Report
28 indicating the degree of success in attaining each development objective."
