§ 163-82.6A. In-person registration and voting at one-stop sites.

(b) Both Attestation and Proof of Residence Required. – To register and vote under this section, the person shall do both of the following:

SECTION 5. (a) G.S. 163-111 reads as rewritten:

"§ 163-111. Determination of primary results; second primaries results.

(a) Nomination Determined by Substantial Plurality; Definition of Substantial Plurality. Except as otherwise provided in this section, nominations in primary elections shall be determined by a substantial plurality of the votes cast. A substantial plurality within the meaning of this section shall be determined as follows:

1. If a nominee for a single office is to be selected, and there is more than one person seeking nomination, the substantial plurality shall be ascertained by multiplying the total vote cast for all aspirants by forty percent (40%). Any excess of the sum so ascertained shall be a substantial plurality, and the aspirant who obtains a substantial plurality shall be declared the nominee. If two candidates receive a substantial plurality, the candidate receiving the highest vote shall be declared the nominee.

2. If nominees for two or more offices (constituting a group) are to be selected, and there are more persons seeking nomination than there are offices, the substantial plurality shall be ascertained by dividing the total vote cast for all aspirants by the number of positions to be filled, and by multiplying the result by forty percent (40%). Any excess of the sum so ascertained shall be a substantial plurality, and the aspirants who obtain a substantial plurality shall be declared the nominees. If more candidates obtain a substantial plurality than there are positions to be filled, those having the highest vote (equal to the number of positions to be filled) shall be declared the nominees.

(b) Right to Demand Second Primary. – If an insufficient number of aspirants receive a substantial plurality of the votes cast for a given office or group of offices in a primary, a second primary, subject to the conditions specified in this section, shall be held:

1. If a nominee for a single office is to be selected and no aspirant receives a substantial plurality of the votes cast, the aspirant receiving the highest number of votes shall be declared nominated by the appropriate board of elections unless the aspirant receiving the second highest number of votes shall request a second primary in accordance with the provisions of subsection (c) of this section. In the second primary only the two aspirants who received the highest and next highest number of votes shall be voted for.
If nominees for two or more offices (constituting a group) are to be selected and aspirants for some or all of the positions within the group do not receive a substantial plurality of the votes, those candidates equal in number to the positions remaining to be filled and having the highest number of votes shall be declared the nominees unless some one or all of the aspirants equal in number to the positions remaining to be filled and having the second highest number of votes shall request a second primary in accordance with the provisions of subsection (c) of this section. In the second primary to select nominees for the positions in the group remaining to be filled, the names of all those candidates receiving the highest number of votes and all those receiving the second highest number of votes and demanding a second primary shall be printed on the ballot.

(c) Procedure for Requesting Second Primary.

(1) A candidate who is apparently entitled to demand a second primary, according to the unofficial results, for one of the offices listed below, and desiring to do so, shall file a request for a second primary in writing with the Executive Director of the State Board of Elections no later than 12:00 noon on the ninth day (including Saturdays and Sundays) following the date on which the primary was conducted, and such request shall be subject to the certification of the official results by the State Board of Elections. If the vote certification by the State Board of Elections determines that a candidate who was not originally thought to be eligible to call for a second primary is in fact eligible to call for a second primary, the Executive Director of the State Board of Elections shall immediately notify such candidate and permit him to exercise any options available to him within a 48-hour period following the notification:

   Governor,
   Lieutenant Governor,
   All State executive officers,
   District Attorneys of the General Court of Justice,
   United States Senators,
   Members of the United States House of Representatives,
   State Senators in multi-county senatorial districts, and
   Members of the State House of Representatives in multi-county representative districts.

(2) A candidate who is apparently entitled to demand a second primary, according to the unofficial results, for one of the offices listed below and desiring to do so, shall file a request for a second primary in writing with the chairman or director of the county board of elections no later than 12:00 noon on the ninth day (including Saturdays and Sundays) following the date on which the primary was conducted, and such request shall be subject to the certification of the official results by the county board of elections:

   State Senators in single-county senatorial districts,
   Members of the State House of Representatives in single-county representative districts, and
   All county officers.

(3) Immediately upon receipt of a request for a second primary the appropriate board of elections, State or county, shall notify all candidates entitled to participate in the second primary, by telephone followed by written notice, that a second primary has been requested and of the date of the second primary.
Tie Votes; How Determined.

(1) In the event of a tie for the highest number of votes in a first primary between two candidates for party nomination for a single county, or single county legislative district office, the board of elections of the county in which the two candidates were voted for shall conduct a recount and declare the results. If the recount shows a tie vote, a second primary shall be held on the date prescribed in subsection (e) of this section between the two candidates having an equal vote, unless one of the aspirants, within three days after the result of the recount has been officially declared, files a written notice of withdrawal with the board of elections with which he filed notice of candidacy. Should that be done, the remaining aspirant shall be declared the nominee. In the event of a tie for the highest number of votes in a first primary among more than two candidates for party nomination for one of the offices mentioned in this subdivision, no recount shall be held, but all of the tied candidates shall be entered in a second primary.

(2) In the event of a tie for the highest number of votes in a first primary between two candidates for a State office, for United States Senator, or for any district office (including State Senator in a multi-county senatorial district and member of the State House of Representatives in a multi-county representative district), no recount shall be held solely by reason of the tie, but the two candidates having an equal vote shall be entered in a second primary to be held on the date prescribed in subsection (e) of this section, unless one of the two candidates files a written notice of withdrawal with the State Board of Elections within three days after the result of the first primary has been officially declared and published. Should that be done, the remaining aspirant shall be declared the nominee. In the event of a tie for the highest number of votes in a first primary among more than two candidates for party nomination for one of the offices mentioned in this subdivision, no recount shall be held, but all of the tied candidates shall be entered in a second primary.

(3) In the event one candidate receives the highest number of votes cast in a first primary, but short of a substantial plurality, and two or more of the other candidates receive the second highest number of votes cast in an equal number, the proper board of elections shall declare the candidate having the highest vote to be the party nominee, unless all but one of the tied candidates give written notice of withdrawal to the proper board of elections having the highest vote to be the party nominee, except for the candidate who received the second highest vote, within three days after the result of the first primary has been officially declared. If all but one of the tied candidates withdraw within the prescribed three-day period, and the remaining candidate demands a second primary in accordance with the provisions of subsection (c) of this section, a second primary shall be held between the candidate who received the highest vote and the remaining candidate who received the second highest vote.

(e) Date of Second Primary; Procedures. If a second primary is required under the provisions of this section, the appropriate board of elections, State or county, shall order that it be held seven weeks after the first primary. There shall be no registration of voters between the dates of the first and second primaries. Persons whose qualifications to register and vote mature after the day of the first primary and before the day of the second primary may register on the day of the second primary and, when thus registered, shall be entitled to vote in the second primary. The second primary is a continuation of the first primary and any voter who files a proper and timely written affirmation of change of address within the county under the provisions of G.S. 163-82.15, in the first
primary may vote in the second primary without having to refile that written affirmation if he is otherwise qualified to vote in the second primary. Subject to this provision for registration, the second primary shall be held under the laws, rules, and regulations provided for the first primary.

(f) No Third Primary Permitted. – In no case shall there be a third primary. The candidates receiving the highest number of votes in the second primary shall be nominated. If in a second primary there is a tie for the highest number of votes between two candidates, the proper party executive committee shall select the party nominee for the office in accordance with the provisions of G.S. 163-114."

SECTION 5.(b) G.S. 160A-23.1(d) reads as rewritten:

"(d) If the council adopts the resolution provided for in subsection (a) of this section and does not adopt the changes, or does adopt the changes, but approval under the Voting Rights Act of 1965, as amended, is required, and notice of such approval is not received, by the end of the third day before the opening of the filing period, the municipal election shall be rescheduled as provided in this subsection and current officeholders shall hold over until their successors are elected and qualified. 3. The filing fee for municipal and district primaries shall be fixed by the governing board not later than the day before candidates are permitted to begin filing notices of candidacy. There shall be a minimum filing fee of five dollars ($5.00). The governing board shall have the authority to set the filing fee at not less than five dollars ($5.00) nor more than one percent (1%) of the annual salary of the office sought unless one percent (1%) of the annual salary of the office sought is less than five dollars ($5.00), in which case the minimum filing fee of five dollars ($5.00) will be charged. The fee shall be paid to the board of elections at the time notice of candidacy is filed.
(4) The municipal ballot may not be combined with any other ballot.

(5) The canvass of the primary and second primary shall be held on the seventh day following the primary or second primary. In accepting the filing of complaints concerning the conduct of an election, a board of elections shall be subject to the rules concerning Sundays and holidays set forth in G.S. 103-5.

(6) Candidates having the right to demand a second primary shall do so not later than 12:00 noon on the Thursday following the canvass of the first primary."

SECTION 5.(r) G.S. 163-329(b1) reads as rewritten:

"(b1) Method for Vacancy Election. – If a vacancy for the office of justice of the Supreme Court, judge of the Court of Appeals, or judge of the superior court occurs more than 60 days before the general election and after the opening of the filing period for the primary, then the State Board of Elections shall designate a special filing period of one week for candidates for the office. If more than two candidates file and qualify for the office in accordance with G.S. 163-323, then the Board shall conduct the election for the office as follows:

(1) When the vacancy described in this section occurs more than 63 days before the date of the second primary for members of the General Assembly, a special primary shall be held on the same day as the second primary. The two candidates with the most votes in the special primary shall have their names placed on the ballot for the general election held on the same day as the general election for members of the General Assembly.

(2) When the vacancy described in this section occurs less than 64 days before the date of the second primary, a general election for all the candidates shall be held on the same day as the general election for members of the General Assembly and the "instant runoff voting" method shall be used to determine the winner. Under "instant runoff voting," voters rank up to three of the candidates by order of preference, first, second, or third. If the candidate with the greatest number of first-choice votes receives more than fifty percent (50%) of the first-choice votes, that candidate wins. If no candidate receives that minimum number, the two candidates with the greatest number of first-choice votes advance to a second round of counting. In this round, each ballot counts as a vote for whichever of the two final candidates is ranked highest by the voter. The candidate with the most votes in the second round wins the election. If more than one seat is to be filled in the same race, the voter votes the same way as if one seat were to be filled. The counting is the same as when one seat is to be filled, with one or two rounds as needed, except that counting is done separately for each seat to be filled. The first count results in the first winner. Then the second count proceeds without the name of the first winner. This process results in the second winner. For each additional seat to be filled, an additional count is done without the names of the candidates who have already won. In multi-seat contests, the State Board of Elections may give the voter more than three choices.

(3) If two or more candidates receiving the highest number of votes each receive the same number of votes, the board of elections shall resolve the tie in accordance with G.S. 163-182.8."

SECTION 6. G.S. 163-227.2 reads as rewritten:

A county board of elections shall conduct one-stop voting on the last Saturday before the election until 1:00 P.M. and may

In a primary election, the voter shall also state the political party with which the voter affiliates and in whose primary the voter desires to vote, or if the voter is an unaffiliated voter permitted to vote in the primary of a particular party under G.S. 163-119, the voter shall state the name of the authorizing political party in whose primary he wishes to vote. The board member or employee to whom the voter gives this information shall announce the name and residence of the voter in a distinct tone of voice. After examining the registration records, an employee of the board shall state whether the person seeking to vote is duly registered. If the voter is found to be registered that voter may request that the authorized member or employee of the board furnish the voter with an application form as specified in G.S. 163-227. The voter shall complete the application in the presence of the authorized member or employee of the board, and shall deliver the application to that person."
