AN ACT TO ENACT THE REASONABLE ENACTMENT OF COMPREHENSIVE LEGISLATION ADDRESSING IMMIGRATION MATTERS IN NORTH CAROLINA (RECLAIM NC) ACT.

Whereas, the North Carolina General Assembly recognizes that the issue of immigration is the responsibility of the federal government; and

Whereas, the federal government has failed to address the need for enforcement of existing immigration laws or to act decisively to correct, amend, and reform existing immigration procedures and policies; and

Whereas, federal courts have consistently upheld the authority of the federal government to restrict the efforts of states to uphold and enforce federal immigration laws in order to protect their citizens and their economies; and

Whereas, the federal government has endowed illegally present aliens with certain entitlements to be provided by the various states via unfunded mandates; and

Whereas, those unfunded mandates and the failure to address illegal immigration places an unwarranted strain on our State's law enforcement agencies, educational institutions, and social safety nets and undermines our trust in the rule of law; and

Whereas, the General Assembly of North Carolina recognizes its responsibility to protect and defend the citizens and the economy of the State of North Carolina; and

Whereas, North Carolina recognizes that the greatness of this State is the result of appreciating, incorporating, and welcoming the vast diversity of immigrants who lawfully assimilate into the culture and fabric that is North Carolina; and

Whereas, we do now encourage the North Carolina congressional delegation to exert the strongest effort possible to enact appropriate federal legislation to secure our nation's borders, uphold existing immigration laws, and reform the procedures and policies regarding the immigration process in order to facilitate an even and orderly process for those wishing to immigrate to our country; and

Whereas, we encourage the President to work in a dedicated and cooperative fashion with Congress to restore dignity and transparency to the immigration process; and

Whereas, the wealth, beauty, and strength of North Carolina rests not only with her natural attributes of mountains, beaches, and abundant resources but in the character of her people and their ability to address problems and challenges before them with an objective resolve tempered with a sense of fairness and consideration for all people; Now, therefore,

The General Assembly of North Carolina enacts:

Notwithstanding G.S. 20-30(a)(6), persons or agencies requesting assignment of motor vehicles may photostat or otherwise reproduce drivers' licenses for purposes of complying with this subpart.

As used in this subpart, "economically suitable transportation" means the most cost-effective standard vehicle in the State motor fleet, unless special towing provisions are required by the agency. PART III. CREATION OF REBUTTABLE PRESUMPTION AGAINST THE PRETRIAL RELEASE OF CERTAIN UNDOCUMENTED ALIENS

SECTION 3. G.S. 15A-533 reads as rewritten:
"§ 15A-533. Right to pretrial release in capital and noncapital cases.
 (a) A defendant charged with any crime, whether capital or noncapital, who is alleged to have committed this crime while still residing in or subsequent to his escape or during an unauthorized absence from involuntary commitment in a mental health facility designated or licensed by the Department of Health and Human Services, and whose commitment is determined to be still valid by the judge or judicial officer authorized to determine pretrial release to be valid, has no right to pretrial release. In lieu of pretrial release, however, the individual shall be returned to the treatment facility in which he was residing at the time of the alleged crime or from which he escaped or absented himself for continuation of his treatment pending the additional proceedings on the criminal offense.
 (b) A defendant charged with a noncapital offense must have conditions of pretrial release determined, in accordance with G.S. 15A-534.
 (c) A judge may determine in his discretion whether a defendant charged with a capital offense may be released before trial. If he determines release is warranted, the judge must authorize release of the defendant in accordance with G.S. 15A-534.
(d) There shall be a rebuttable presumption that no condition of release will reasonably assure the appearance of the person as required and the safety of the community if a judicial official finds the following:

(1) There is reasonable cause to believe that the person committed an offense involving trafficking in a controlled substance;
(2) The drug trafficking offense was committed while the person was on pretrial release for another offense; and
(3) The person has been previously convicted of a Class A through E felony or an offense involving trafficking in a controlled substance and not more than five years has elapsed since the date of conviction or the person's release from prison for the offense, whichever is later.

(e) There shall be a rebuttable presumption that no condition of release will reasonably assure the appearance of the person as required and the safety of the community, if a judicial official finds the following:

(1) There is reasonable cause to believe that the person committed an offense for the benefit of, at the direction of, or in association with, any criminal street gang, as defined in G.S. 14-50.16;
(2) The offense described in subdivision (1) of this subsection was committed while the person was on pretrial release for another offense; and
(3) The person has been previously convicted of an offense described in G.S. 14-50.16 through G.S. 14-50.20, and not more than five years has elapsed since the date of conviction or the person's release for the offense, whichever is later.

(f) There shall be a rebuttable presumption that no condition of release will reasonably assure the appearance of the person as required and the safety of the community if the person is unlawfully present in the United States and a judicial official finds either of the following:

(1) There is reasonable cause to believe that the person committed one or more of the following offenses:
   a. A sex offense. As used in this sub-subdivision, a "sex offense" is any offense upon conviction of which the offense becomes a reportable conviction, as that term is defined in G.S. 14-208.6(4).
   b. A violent felony, as that term is defined in G.S. 14-7.7(b), or any other criminal offense that includes assault as an essential element of the offense or as an aggravating factor in sentencing.
   c. A driving offense. As used in this sub-subdivision, the term "driving offense" means a moving violation contained in Chapter 20 of the General Statutes.
   d. A drug offense. As used in this sub-subdivision, the term "drug offense" means a violation of G.S. 90-95.
   e. A gang offense. As used in this sub-subdivision, the term "gang offense" means any violation of Article 13A of Chapter 14 of the General Statutes.

(2) There is reasonable cause to believe that the person committed an offense not listed in subdivision (f)(1) of this section and United States Immigration and Customs Enforcement has guaranteed that, in all such cases in this State, it will issue a detainer for the initiation of removal proceedings and agree to reimburse the State for the cost of incarceration from the time of the issuance of the detainer.

Persons who are considered for bond under the provisions of subsections (d) and (e) of this section may only be released by a district or superior court judge upon a
finding that there is a reasonable assurance that the person will appear and release does not
pose an unreasonable risk of harm to the community.”

PART IV. REIMBURSEMENT OF COST OF INCARCERATING UNDOCUMENTED
ALIENS

SECTION 4.(a) Chapter 148 of the General Statutes is amended by adding a new
section to read:

"§ 148-2.1. Reimbursement of incarceration costs by prisoners who are unlawfully
present in the United States.

(a) Undocumented Alien Prisoner Defined. – For purposes of this section, the term
"undocumented alien prisoner" means an inmate who is 18 years or older and who is
unlawfully present in the United States.

(b) Reimbursement Required. – An undocumented alien prisoner who is in the custody
of the Division of Adult Correction of the Department of Public Safety shall reimburse the
State for the actual cost of the prisoner's incarceration, as determined by the Division. The
reimbursement shall be collected by the Division and remitted to the General Fund.

(c) Outstanding Amounts. – If an undocumented alien prisoner has not made the full
reimbursement required by this section upon the prisoner's release, the Division shall calculate
the amount of reimbursement that is outstanding and give a verified statement of that amount to
the prisoner. Any reimbursement that remains unpaid shall constitute a "debt" within the
meaning of G.S. 105A-2, and may be set off against any North Carolina income tax refund due
the prisoner in accordance with Chapter 105A of the General Statutes. The Department of
Revenue shall pursue collection of the debt through setoff for at least 10 years from the time of
the prisoner's release or termination or until the debt is satisfied.

(d) Inclusion in Judgment. – In sentencing an individual who will be subject to the
requirements of subsection (b) of this section, a judge may include in the judge's order a
requirement that the sentenced individual pay an amount estimated to be sufficient to cover the
total actual cost of incarcerating the prisoner over the entirety of the prisoner's incarceration.
The Department of Public Safety shall develop a system that enables judges to quickly and
accurately estimate the appropriate amount. Any amount paid by a prisoner in satisfaction of a
term in a court order imposed pursuant to this section shall be credited against the amount the
prisoner owes under this section."

SECTION 4.(b) G.S. 148-33.1(f) reads as rewritten:

"(f) A prisoner who is convicted of a felony and who is granted work-release privileges
shall give his work-release earnings, less standard payroll deductions required by law, to the
Division of Adult Correction of the Department of Public Safety. A prisoner who is convicted
of a misdemeanor, is committed to a local confinement facility, and is granted work-release
privileges by order of the sentencing court shall give his work-release earnings, less standard
payroll deductions required by law, to the custodian of the local confinement facility. Other
misdemeanants granted work-release privileges shall give their work-release earnings, less
standard payroll deductions required by law, to the Division of Adult Correction of the
Department of Public Safety. The Division of Adult Correction of the Department of Public
Safety or the sentencing court, as appropriate, shall determine the amount to be deducted from
a prisoner's work-release earnings to pay for the cost of the prisoner's keep and to accumulate a
reasonable sum to be paid the prisoner when he is paroled or discharged from prison. The
Division or sentencing court shall also determine the amount to be disbursed by the Division or
clerk of court, as appropriate, for each of the following:

(1) To pay travel and other expenses of the prisoner made necessary by his
employment;

(2) To provide a reasonable allowance to the prisoner for his incidental personal
expenses;
(3) To make payments for the support of the prisoner's dependents in accordance with an order of a court of competent jurisdiction, or in the absence of a court order, in accordance with a determination of dependency status and need made by the local department of social services in the county of North Carolina in which such dependents reside;

(3a) To make restitution or reparation as provided in G.S. 148-33.2.

(4) To comply with an order from any court of competent jurisdiction regarding the payment of an obligation of the prisoner in connection with any judgment rendered by the court.

(5) To comply with a written request by the prisoner to withhold an amount, when the request has been granted by the Division or the sentencing court, as appropriate.

(6) To reimburse the State for the actual cost of the prisoner pursuant to G.S. 148-2.1.

Any balance of his earnings remaining at the time the prisoner is released from prison shall be paid to him. The Social Services Commission is authorized to promulgate uniform rules and regulations governing the duties of county social services departments under this section."

the first character of which shall be a letter that is only assigned to restricted

PART X. AUTHORIZE IMPOUNDMENT AND SALE OF VEHICLES FOR DRIVING
WHILE LICENSE REVOKED, DRIVING WITHOUT A LICENSE, AND DRIVING
WHILE FAILING TO MAINTAIN FINANCIAL RESPONSIBILITY

SECTION 10. Article 2 of Chapter 20 of the General Statutes is amended by
adding a new section to read:

"§ 20-28.10. Seizure, impoundment, forfeiture of motor vehicles for certain other offenses
under this Chapter.

(a) Definitions. – The following definitions apply in this section:

(1) Acknowledgment. – A written document acknowledging all of the
following:
   a. That the motor vehicle in question was operated by a person charged
      with an underlying offense.
   b. That a lack of knowledge or consent to the operation of the vehicle in
      question will not be a defense in the future, unless the motor vehicle
      owner has taken all reasonable precautions to prevent the use of the
      motor vehicle by this particular person and immediately reports,
      upon discovery, any unauthorized use to the appropriate law
      enforcement agency.

(2) Fair market value. – The value of a seized motor vehicle, as determined in
accordance with the schedule of values adopted by the Commissioner
pursuant to G.S. 105-187.3.

(3) Innocent owner. – A motor vehicle owner:
   a. Who did not know and had no reason to know that the defendant’s
      conduct would constitute an underlying violation; or
   b. Who knew that the defendant’s conduct would constitute an
      underlying violation but the defendant drove the vehicle without the
      person’s expressed or implied permission, and the owner files a
      police report for unauthorized use of the motor vehicle and agrees to
      prosecute the unauthorized operator of the motor vehicle; or
   c. Whose vehicle was reported stolen; or
   d. Who is in the business of renting vehicles, and the vehicle was driven
      by a person who is not listed as an authorized driver on the rental
      contract; or
   e. Who is in the business of leasing motor vehicles, who holds legal
      title to the motor vehicle as a lessee at the time of seizure, and who
      has no actual knowledge of the revocation of the lessee’s drivers
      license or failure to maintain financial responsibility, as applicable, at
      the time the lease is entered.

(4) Insurance company. – Any insurance company that has coverage on or is
otherwise liable for repairs or damages to the motor vehicle at the time of the
seizure.
Insurance proceeds. – Proceeds paid under an insurance policy for damage to a seized motor vehicle less any payments actually paid to valid lienholders and for towing and storage costs incurred for the motor vehicle after the time the motor vehicle became subject to seizure.

Lienholder. – A person who holds a perfected security interest in a motor vehicle at the time of seizure.

Motor vehicle owner. – A person in whose name a registration card or certificate of title for a motor vehicle is issued at the time of seizure.

Order of forfeiture. – An order by the court which terminates the rights and ownership interest of a motor vehicle owner in a motor vehicle and any insurance proceeds or proceeds of sale in accordance with this section.

Underlying violation. – Any of the following:

(a) Driving while the defendant's driver's license was revoked pursuant to an impaired driver's license revocation, as that term is defined in G.S. 20-28.2(a).

(b) A violation of G.S. 20-313.

(c) Driving without a license under G.S. 20-35 or driving without a restricted driver's permit under G.S. 20-35.

When Motor Vehicle Becomes Property Subject to Order of Forfeiture. – A judge may determine whether a vehicle driven at the time of the underlying offense becomes subject to an order of forfeiture. The determination may be made at any of the following times:

1. A sentencing hearing for the underlying offense.
2. A separate hearing after conviction of the defendant.
3. A forfeiture hearing held at least 60 days after the defendant failed to appear at the scheduled trial for the underlying offense, and the defendant's order of arrest for failing to appear has not been set aside.

The vehicle shall become subject to an order of forfeiture if the greater weight of the evidence shows that the defendant is guilty of an underlying violation, except that if any of the following conditions are satisfied, the vehicle shall not become subject to an order of forfeiture:

1. The underlying violation is a violation of G.S. 20-313 and the defendant tenders proof of financial responsibility that satisfies the requirements of G.S. 20-7(c1) to the judge.

2. The underlying violation is driving without a license under G.S. 20-35 or driving without a restricted driver's permit under G.S. 20-35 and the defendant presents the judge with the defendant's valid driver's license or restricted driver's permit.

Duty of Prosecutor to Notify Possible Innocent Parties. – In any case in which a prosecutor determines that a motor vehicle driven by a defendant may be subject to forfeiture under this section and the motor vehicle has not been permanently released to a nondefendant vehicle owner pursuant to subsection (p) of this section, or a lienholder pursuant to subsection (q) of this section, the prosecutor shall notify the defendant, each motor vehicle owner, and each lienholder that the motor vehicle may be subject to forfeiture and that the defendant, motor vehicle owner, or the lienholder may intervene to protect that person's interest. The notice may be served by any means reasonably likely to provide actual notice and shall be served at least 10 days before the hearing at which an order of forfeiture may be entered.

Motor Vehicles Involved in Accidents. – If a motor vehicle subject to forfeiture was damaged while the defendant operator was committing the underlying offense, or was damaged incident to the seizure of the motor vehicle, the Division shall determine the name of any insurance companies that are the insurers of record with the Division for the motor vehicle at the time of the seizure or that may otherwise be liable for repair to the motor vehicle. In any case where a seized motor vehicle was involved in an accident, the Division shall notify the
insurance companies that the claim for insurance proceeds for damage to the seized motor
vehicle shall be paid to the clerk of superior court of the county where the motor vehicle driver
was charged to be held and disbursed pursuant to further orders of the court. Any insurance
company that receives written or other actual notice of seizure pursuant to this section shall not
be relieved of any legal obligation under any contract of insurance unless the claim for property
damage to the seized motor vehicle minus the policy owner's deductible is paid directly to the
clerk of court. The insurance company paying insurance proceeds to the clerk of court pursuant
to this section shall be immune from suit by the motor vehicle owner for any damages alleged
to have occurred as a result of the motor vehicle seizure. The proceeds shall be held by the
clerk. The clerk shall disburse the insurance proceeds pursuant to further orders of the court.

(e) Forfeiture Hearing. – Unless a motor vehicle that has been seized pursuant to this
section has been permanently released to an innocent owner pursuant to subsection (p) of this
section, or to a lienholder pursuant to subsection (q) of this section, the court shall conduct a
hearing on the forfeiture of the motor vehicle. The hearing may be held at the sentencing
hearing on the underlying offense, at a separate hearing after conviction of the defendant, or at
a separate forfeiture hearing held not less than 60 days after the defendant failed to appear at
the scheduled trial for the underlying offense and the defendant's order of arrest for failing to
appear has not been set aside. If at the sentencing hearing or at a forfeiture hearing, the judge
determines that the motor vehicle is subject to forfeiture pursuant to this section and proper
notice of the hearing has been given, the judge shall order the motor vehicle forfeited unless
another motor vehicle owner establishes, by the greater weight of the evidence, that such motor
vehicle owner is an innocent owner as defined in this section, in which case the trial judge shall
order the motor vehicle released to the innocent owner pursuant to the provisions of subsection
(p) of this section. In any case where the motor vehicle is ordered forfeited, the judge shall:

(1) a. Authorize the sale of the motor vehicle at public sale or allow the
   county board of education to retain the motor vehicle for its own use
   pursuant to subsection (z) of this section; or
   b. Order the motor vehicle released to a lienholder pursuant to the
      provisions of subsection (g) of this section; and

(2) a. Order any proceeds of sale or insurance proceeds held by the clerk of
      court to be disbursed to the county board of education; and
   b. Order any outstanding insurance claims be assigned to the county
      board of education in the event the motor vehicle has been damaged
      in an accident incident to the seizure of the motor vehicle.

If the judge determines that the motor vehicle is subject to forfeiture pursuant to this
section, but that notice as required by subsection (c) has not been given, the judge shall
continue the forfeiture proceeding until adequate notice has been given. In no circumstance
shall the sentencing of the defendant be delayed as a result of the failure of the prosecutor to
give adequate notice.

(f) Release of Vehicle to Innocent Motor Vehicle Owner. – At a forfeiture hearing, if a
nondefendant motor vehicle owner establishes by the greater weight of the evidence that (i) the
motor vehicle was being driven by a person who was not the only motor vehicle owner or had
no ownership interest in the motor vehicle at the time of the underlying offense and (ii) the
petitioner is an innocent owner, a judge shall order the motor vehicle released to that owner,
conditioned upon payment of all towing and storage charges incurred as a result of the seizure
and impoundment of the motor vehicle.

Release to an innocent owner shall only be ordered upon satisfactory proof of:

(1) The identity of the person as a motor vehicle owner;
(2) The existence of financial responsibility to the extent required by Article 13
   of this Chapter or by the laws of the state in which the vehicle is registered;
The execution of an acknowledgment as defined in subdivision (a)(1) of this section.

If the nondefendant owner is a lessor, the release shall also be conditioned upon the lessor agreeing not to sell, give, or otherwise transfer possession of the forfeited motor vehicle to the defendant or any person acting on the defendant's behalf. A lessor who refuses to sell, give, or transfer possession of a seized motor vehicle to the defendant or any person acting on the behalf of the defendant shall not be liable for damages arising out of the refusal.

No motor vehicle subject to forfeiture under this section shall be released to a nondefendant motor vehicle owner if the records of the Division indicate the motor vehicle owner had previously signed an acknowledgment, as required by this section, and the same person was operating the motor vehicle while that person was committing an underlying violation, unless the innocent owner shows by the greater weight of the evidence that the motor vehicle owner has taken all reasonable precautions to prevent the use of the motor vehicle by this particular person and immediately reports, upon discovery, any unauthorized use to the appropriate law enforcement agency. A determination by the court at the forfeiture hearing held pursuant to subsection (e) of this section that the petitioner is not an innocent owner is a final judgment and is immediately appealable to the Court of Appeals.

Release to Lienholder. – At a forfeiture hearing, the trial judge shall order a forfeited motor vehicle released to the lienholder upon payment of all towing and storage charges incurred as a result of the seizure of the motor vehicle if the judge determines, by the greater weight of the evidence, that:

1. The lienholder's interest has been perfected and appears on the title to the forfeited vehicle;
2. The lienholder agrees not to sell, give, or otherwise transfer possession of the forfeited motor vehicle to the defendant or to the motor vehicle owner who owned the motor vehicle immediately prior to forfeiture, or any person acting on the defendant's or motor vehicle owner's behalf;
3. The forfeited motor vehicle had not previously been released to the lienholder;
4. The owner is in default under the terms of the security instrument evidencing the interest of the lienholder and as a consequence of the default the lienholder is entitled to possession of the motor vehicle; and
5. The lienholder agrees to sell the motor vehicle in accordance with the terms of its agreement and pursuant to the provisions of Part 6 of Article 9 of Chapter 25 of the General Statutes. Upon the sale of the motor vehicle, the lienholder will pay to the clerk of court of the county in which the vehicle was forfeited all proceeds from the sale, less the amount of the lien in favor of the lienholder, and any towing and storage costs paid by the lienholder.

A lienholder who refuses to sell, give, or transfer possession of a forfeited motor vehicle to the defendant, the vehicle owner who owned the motor vehicle immediately prior to forfeiture, or any person acting on the behalf of the defendant or motor vehicle owner shall not be liable for damages arising out of such refusal. The defendant, the motor vehicle owner who owned the motor vehicle immediately prior to forfeiture, and any person acting on the defendant's or motor vehicle owner's behalf are prohibited from purchasing the motor vehicle at any sale conducted by the lienholder.

Payment of Towing and Storage Charges Required. – Any order issued pursuant to this section authorizing the release of a seized vehicle shall require the payment of all towing and storage charges incurred as a result of the seizure and impoundment of the motor vehicle. This requirement shall not be waived.

Duty of Officer. – If the charging officer has probable cause to believe that a motor vehicle may be subject to forfeiture under this section because the driver is engaging in an
underlying offense, the officer shall seize the motor vehicle and have it impounded. If the
officer determines prior to seizure that the motor vehicle had been reported stolen, the officer
shall not seize the motor vehicle pursuant to this section. If the officer determines prior to
seizure that the motor vehicle was a rental vehicle driven by a person not listed as an authorized
driver on the rental contract, the officer shall not seize the motor vehicle pursuant to this
section but shall make a reasonable effort to notify the owner of the rental vehicle that the
vehicle was stopped and that the driver of the vehicle was not listed as an authorized driver on
the rental contract. Probable cause may be based on the officer's personal knowledge, reliable
information conveyed by another officer, records of the Division, or other reliable source. The
seizing officer shall notify the executive agency designated pursuant to subsection (j) of this
section as soon as practical but no later than 24 hours after seizure of the motor vehicle of the
seizure in accordance with procedures established by the executive agency designated pursuant
to subsection (j) of this section.

[j] Written Notification of Impoundment. – Within 48 hours of receipt within regular
business hours of the notice of seizure, an executive agency designated by the Governor shall
issue written notification of impoundment to the Division, to any lienholder of record, and to
two motor vehicle owners who were not operating the motor vehicle at the time of the offense. A
notice of seizure received outside of regular business hours shall be considered to have been
received at the start of the next business day. The notification of impoundment shall be sent by
first-class mail to the most recent address contained in the Division's records. If the motor
vehicle is registered in another state, notice shall be sent to the address shown on the records of
the state where the motor vehicle is registered. This written notification shall provide notice
that the motor vehicle has been seized, state the reason for the seizure, and the procedure for
requesting release of the motor vehicle. Additionally, if the motor vehicle was damaged while
the defendant operator was committing an underlying offense or incident to the seizure, the
agency shall issue written notification of the seizure to the owner's insurance company of
record and to any other insurance companies that may be insuring other motor vehicles
involved in the accident. The Division shall prohibit title to a seized motor vehicle from being
transferred by a motor vehicle owner unless authorized by court order.

[k] Additional Notification to Lienholders. – In addition to providing written
notification pursuant to subsection (j) of this section, within eight hours of receipt within
regular business hours of the notice of seizure, the executive agency designated under
subsection (j) of this section shall notify by facsimile any lienholder of record that has provided
the executive agency with a designated facsimile number for notification of impoundment. The
facsimile notification of impoundment shall state that the vehicle has been seized, state the
reason for the seizure, and notify the lienholder of the additional written notification that will
be provided pursuant to subsection (j) of this section. The executive agency shall establish
procedures to allow a lienholder to provide one designated facsimile number for notification of
impoundment for any vehicle for which the lienholder is a lienholder of record and shall
maintain a centralized database of the provided facsimile numbers. The lienholder must provide
a facsimile number at which the executive agency may give notification of impoundment at any
time.

[l] Review by Magistrate. – Upon determining that there is probable cause for seizing a
motor vehicle, the seizing officer shall present to a magistrate within the county where the
driver was charged an affidavit of impoundment setting forth the basis upon which the motor
vehicle has been or will be seized for forfeiture. The magistrate shall review the affidavit of
impoundment and if the magistrate determines the requirements of this section have been met,
shall order the motor vehicle held. The magistrate may request additional information and may
hear from the defendant if the defendant is present. If the magistrate determines the
requirements of this section have not been met, the magistrate shall order the motor vehicle
released to a motor vehicle owner upon payment of towing and storage fees. If the motor
vehicle has not yet been seized, and the magistrate determines that seizure is appropriate, the
magistrate shall issue an order of seizure of the motor vehicle. The magistrate shall provide a
copy of the order of seizure to the clerk of court. The clerk shall provide copies of the order of
seizure to the district attorney and the attorney for the county board of education.

(m) Effecting an Order of Seizure. – An order of seizure shall be valid anywhere in the
State. Any officer with territorial jurisdiction and who has subject matter jurisdiction for
violations of this Chapter may use such force as may be reasonable to seize the motor vehicle
and to enter upon the property of the defendant to accomplish the seizure. An officer who has
probable cause to believe the motor vehicle is concealed or stored on private property of a
person other than the defendant may obtain a search warrant to enter upon that property for the
purpose of seizing the motor vehicle.

(n) Custody of Motor Vehicle. – Unless the motor vehicle is towed pursuant to a
statewide or regional contract, or a contract with the county board of education, the seized
motor vehicle shall be towed by a commercial towing company designated by the law
enforcement agency that seized the motor vehicle. Seized motor vehicles not towed pursuant to
a statewide or regional contract or a contract with a county board of education shall be retrieved
from the commercial towing company within a reasonable time, not to exceed 10 days, by the
county board of education or its agent who must pay towing and storage fees to the commercial
towing company when the motor vehicle is retrieved. If either a statewide or regional
contractor or the county board of education chooses to contract for local towing services, all
towing companies on the towing list for each law enforcement agency with jurisdiction within
the county shall be given written notice and an opportunity to submit proposals prior to a
contract for local towing services being awarded. The seized motor vehicle is under the
constructive possession of the county board of education for the county in which
the operator
of the vehicle is charged at the time the vehicle is delivered to a location designated by the
county board of education or its agent pending release or sale, or in the event a
statewide or regional contract is in place, under the constructive possession of the Department
of Public Instruction, on behalf of the State at the time the vehicle is delivered to a location
designated by the Department of Public Instruction or delivered to its agent pending release or
sale. Absent a statewide or regional contract that provides otherwise, each county board of
education may elect to have seized motor vehicles stored on property owned or leased by the
county board of education and charge a reasonable fee for storage, not to exceed ten dollars
($10.00) per day. In the alternative, the county board of education may contract with a
commercial towing and storage facility or other private entity for the towing, storage, and
disposal of seized motor vehicles, and a storage fee of not more than ten dollars ($10.00) per
day may be charged. Except for gross negligence or intentional misconduct, the county board
of education, or any of its employees, shall not be liable to the owner or lienholder for damage
to or loss of the motor vehicle or its contents, or to the owner of personal property in a seized
vehicle, during the time the motor vehicle is being towed or stored pursuant to this subsection.

(o) Release of Motor Vehicle Pending Trial. – A motor vehicle owner, other than the
driver at the time of the underlying offense resulting in the seizure, may apply to the clerk of
superior court in the county where the charges are pending for pretrial release of the motor
vehicle.

The clerk shall release the motor vehicle to a nondefendant motor vehicle owner
conditioned upon payment of all towing and storage charges incurred as a result of seizure and
impoundment of the motor vehicle under the following conditions:

(1) The motor vehicle has been seized for not less than 24 hours;
(2) A bond in an amount equal to the fair market value of the motor vehicle has
been executed and is secured by a cash deposit in the full amount of the
bond, by a recordable deed of trust to real property in the full amount of the
bond, by a bail bond under G.S. 58-71-1(2), or by at least one solvent surety,
payable to the county school fund and conditioned on return of the motor
vehicle, in substantially the same condition as it was at the time of seizure
and without any new or additional liens or encumbrances, on the day of any
hearing scheduled and noticed by the district attorney under subsection (c) of
this section unless the motor vehicle has been permanently released;

(3) Execution of an acknowledgment;

(4) A check of the records of the Division indicates that the requesting motor
vehicle owner has not previously executed an acknowledgment naming the
operator of the seized motor vehicle; and

(5) A bond posted to secure the release of this motor vehicle under this
subsection has not been previously ordered forfeited under subsection (z) of
this section.

In the event a nondefendant motor vehicle owner who obtains temporary possession of a
seized motor vehicle pursuant to this subsection does not return the motor vehicle on the day of
the forfeiture hearing as noticed by the district attorney under subsection (c) of this section or
otherwise violates a condition of pretrial release of the seized motor vehicle as set forth in this
subsection, the bond posted shall be ordered forfeited and an order of seizure shall be issued by
the court. Additionally, a nondefendant motor vehicle owner or lienholder who willfully
violates any condition of pretrial release may be held in civil or criminal contempt.

(p) Pretrial Release of Motor Vehicle to Innocent Owner. – A nondefendant motor
vehicle owner may file a petition with the clerk of court seeking a pretrial determination that
the petitioner is an innocent owner. The clerk shall consider the petition and make a
determination as soon as may be feasible. At any proceeding conducted pursuant to this
subsection, the clerk is not required to determine the issue of forfeiture, only the issue of
whether the petitioner is an innocent owner. If the clerk determines that the petitioner is an
innocent owner, the clerk shall release the motor vehicle to the petitioner subject to the same
conditions as if the petitioner were an innocent owner under subsection (f) of this section. The
clerk shall send a copy of the order authorizing or denying release of the vehicle to the district
attorney and the attorney for the county board of education. An order issued under this
subsection finding that the petitioner failed to establish that the petitioner is an innocent owner
may be reconsidered by the court as part of the forfeiture hearing conducted pursuant to
subsection (e) of this section.

(q) Pretrial Release of Motor Vehicle to Lienholder. –

(1) A lienholder may file a petition with the clerk of court requesting the court
to order pretrial release of a seized motor vehicle. The lienholder shall serve
a copy of the petition on all interested parties which shall include the motor
vehicle owner, the titled owner, the district attorney, and the county board of
education attorney. Upon 10 days’ prior notice of the date, time, and location
of the hearing sent by the lienholder to all interested parties, a judge, after a
hearing, shall order a seized motor vehicle released to the lienholder
conditioned upon payment of all towing and storage costs incurred as a
result of the seizure and impoundment of the motor vehicle if the judge
determines, by the greater weight of the evidence, that:

a. Default on the obligation secured by the motor vehicle has occurred;
b. As a consequence of default, the lienholder is entitled to possession
of the motor vehicle;
c. The lienholder agrees to sell the motor vehicle in accordance with the
terms of its agreement and pursuant to the provisions of Part 6 of
Article 9 of Chapter 25 of the General Statutes. Upon sale of the
motor vehicle, the lienholder will pay to the clerk of court of the
county in which the driver was charged all proceeds from the sale,
less the amount of the lien in favor of the lienholder, and any towing and storage costs paid by the lienholder;

d. The lienholder agrees not to sell, give, or otherwise transfer possession of the seized motor vehicle while the motor vehicle is subject to forfeiture, or the forfeited motor vehicle after the forfeiture hearing, to the defendant or the motor vehicle owner; and

e. The seized motor vehicle while the motor vehicle is subject to forfeiture, or the forfeited motor vehicle after the forfeiture hearing, had not previously been released to the lienholder as a result of a prior seizure involving the same defendant or motor vehicle owner.

(2) The clerk of superior court may order a seized vehicle released to the lienholder conditioned upon payment of all towing and storage costs incurred as a result of the seizure and impoundment of the motor vehicle at any time when all interested parties have, in writing, waived any rights that they may have to notice and a hearing, and the lienholder has agreed to the provision of subdivision (1)(d) of this subsection. A lienholder who refuses to sell, give, or transfer possession of a seized motor vehicle while the motor vehicle is subject to forfeiture, or a forfeited motor vehicle after the forfeiture hearing, to:

a. The defendant;

b. The motor vehicle owner who owned the motor vehicle immediately prior to seizure pending the forfeiture hearing, or to forfeiture after the forfeiture hearing; or

c. Any person acting on the behalf of the defendant or the motor vehicle owner shall not be liable for damages arising out of such refusal. However, any subsequent violation of the conditions of release by the lienholder shall be punishable by civil or criminal contempt.

(f) Insurance Proceeds. – In the event a motor vehicle is damaged incident to the conduct of the defendant which gave rise to the seizure of a motor vehicle pursuant to this section, the county board of education, or its authorized designee, is authorized to negotiate the county board of education’s interest with the insurance company and to compromise and accept settlement of any claim for damages. Property insurance proceeds accruing to the defendant, or other owner of the seized motor vehicle, shall be paid by the responsible insurance company directly to the clerk of superior court in the county where the motor vehicle driver was charged. If the motor vehicle is declared a total loss by the insurance company liable for the damages to the motor vehicle, the clerk of superior court, upon application of the county board of education, shall enter an order that the motor vehicle be released to the insurance company upon payment into the court of all insurance proceeds for damage to the motor vehicle after payment of towing and storage costs and all valid liens. The clerk of superior court shall provide the Division with a certified copy of the order entered pursuant to this subsection, and the Division shall transfer title to the insurance company or to such other person or entity as may be designated by the insurance company. Insurance proceeds paid to the clerk of court pursuant to this subsection shall be subject to forfeiture pursuant to subsection (z) of this section and shall be disbursed pursuant to further orders of the court. An affected motor vehicle owner or lienholder who objects to any agreed upon settlement under this subsection may file an independent claim with the insurance company for any additional monies believed owed. Notwithstanding any other provisions in this Chapter, nothing in this section shall require an insurance company to make payments in excess of those required pursuant to its policy of insurance on the seized motor vehicle.

(s) Expedited Sale of Seized Motor Vehicles in Certain Cases. – In order to avoid additional liability for towing and storage costs pending resolution of the proceedings of the
defendant, the county board of education may, after expiration of 90 days from the date of seizure, sell any motor vehicle having a fair market value of one thousand five hundred dollars ($1,500) or less. The county board of education may also sell a motor vehicle, regardless of the fair market value, any time the outstanding towing and storage costs exceed eighty-five percent (85%) of the fair market value of the vehicle, or with the consent of all the motor vehicle owners. Any sale conducted pursuant to this subsection shall be conducted in accordance with the provisions of subdivision (z)(1) of this section, and the proceeds of the sale, after the payment of outstanding towing and storage costs or reimbursement of towing and storage costs paid by a person other than the defendant, shall be deposited with the clerk of superior court. If an order of forfeiture is entered by the court, the court shall order the proceeds held by the clerk to be disbursed as provided in subdivision (z)(2) of this section. If the court determines that the motor vehicle is not subject to forfeiture, the court shall order the proceeds held by the clerk to be disbursed first to pay the sale, towing, and storage costs, second to pay outstanding liens on the motor vehicle, and the balance to be paid to the motor vehicle owners.

(t) Retrieval of Certain Personal Property. – At reasonable times, the entity charged with storing the motor vehicle may permit owners of personal property not affixed to the motor vehicle to retrieve those items from the motor vehicle, provided satisfactory proof of ownership of the motor vehicle or the items of personal property is presented to the storing entity.

(u) County Board of Education Right to Appear and Participate in Proceedings. – The attorney for the county board of education shall be given notice of all proceedings regarding underlying offenses related to a motor vehicle subject to forfeiture. However, the notice requirement under this subsection does not apply to proceedings conducted under subsection (p) of this section. The attorney for the county board of education shall also have the right to appear and to be heard on all issues relating to the seizure, possession, release, forfeiture, sale, and other matters related to the seized vehicle under this section. With the prior consent of the county board of education, the district attorney may delegate to the attorney for the county board of education any or all of the duties of the district attorney under this section. Clerks of superior court, law enforcement agencies, and all other agencies with information relevant to the seizure, impoundment, release, or forfeiture of motor vehicles are authorized and directed to provide county boards of education with access to that information and to do so by electronic means when existing technology makes this type of transmission possible.

(v) Payment of Fees Upon Conviction. – If the driver of a motor vehicle seized pursuant to this section is convicted of an underlying offense, the defendant shall be ordered to pay as restitution to the county board of education, the motor vehicle owner, or the lienholder the cost paid or owing for the towing, storage, and sale of the motor vehicle to the extent the costs were not covered by the proceeds from the forfeiture and sale of the motor vehicle. In addition, a civil judgment for the costs under this section in favor of the party to whom the restitution is owed shall be docketed by the clerk of superior court. If the defendant is sentenced to an active term of imprisonment, the civil judgment shall become effective and be docketed when the defendant's conviction becomes final. If the defendant is placed on probation, the civil judgment in the amount found by a judge during the probation revocation or termination hearing to be due shall become effective and be docketed by the clerk when the defendant's probation is revoked or terminated.

(w) Trial Priority. – District court trials of underlying offenses involving forfeitures of motor vehicles pursuant to this section shall be scheduled on the seizing officer's next court date or within 30 days of the offense, whichever comes first. Once scheduled, the case shall not be continued unless all of the following conditions are met:

1. A written motion for continuance is filed with notice given to the opposing party prior to the motion being heard.
2. The judge makes a finding of a "compelling reason" for the continuance.
3. The motion and finding are attached to the court case record.
Upon a determination of guilt, the issue of vehicle forfeiture shall be heard by the judge immediately, or as soon thereafter as feasible, and the judge shall issue the appropriate orders pursuant to subsection (e) of this section.

Should a defendant appeal the conviction to superior court, any party who has not previously been heard on a petition for pretrial release under subsection (p) or (q) of this section may be heard on a petition for pretrial release pursuant to subsection (p) or (q) of this section. The provisions of subsection (o) of this section shall also apply to seized motor vehicles pending trial in superior court. Where a motor vehicle was released pursuant to subsection (o) of this section pending trial in district court, the release of the motor vehicle continues, and the terms and conditions of the original bond remain the same as those required for the initial release of the motor vehicle under subsection (o) of this section, pending the resolution of the underlying offense involving impaired driving in superior court.

(x) Release of Impounded Motor Vehicles by Judge; Release Upon Conclusion of Trial.

– If the driver of a motor vehicle seized pursuant to this section (i) is subsequently not convicted of an underlying offense due to dismissal or a finding of not guilty or (ii) the vehicle has not previously been released to a lienholder pursuant to subsection (q) of this section, the seized motor vehicle or insurance proceeds held by the clerk of court pursuant to subsection (d) or (r) of this section shall be released to the motor vehicle owner conditioned upon payment of towing and storage costs. The court shall not waive the payment of towing and storage costs. The court shall include in its order notice to the owner of the seized motor vehicle still being held, that within 30 days of the date of the court’s order, the owner must make payment of the outstanding towing and storage costs for the motor vehicle and retrieve the motor vehicle, or give notice to Division of Motor Vehicles requesting a judicial hearing on the validity of any mechanics' lien on the motor vehicle for towing and storage costs.

(y) Notwithstanding G.S. 44A-2(d), if the owner of the seized motor vehicle does not obtain release of the vehicle within 30 days from the date of the court’s order, the possessor of the seized motor vehicle has a mechanics’ lien on the seized motor vehicle for the full amount of the towing and storage charges incurred since the motor vehicle was seized and may dispose of the seized motor vehicle pursuant to Article 1 of Chapter 44A of the General Statutes. Notice of the right to a judicial hearing on the validity of the mechanics' lien given to the owner of the motor vehicle in open court in accordance with subsection (x) of this section or delivery to the owner of the vehicle of a copy of the court's order entered in accordance with subsection (x) of this section shall satisfy the notice requirement of G.S. 44A-4(b).

(z) Forfeiture of Impounded Motor Vehicle or Funds. –

(1) Sale. – A motor vehicle ordered forfeited and sold or a seized motor vehicle authorized to be sold pursuant to subsection (s) of this section, shall be sold at a public sale conducted in accordance with the provisions of Article 12 of Chapter 160A of the General Statutes, applicable to sales authorized pursuant to G.S. 160A-266(a)(2), (3), or (4), subject to the notice requirements of this subsection, and shall be conducted by the county board of education or a person acting on its behalf. Notice of sale, including the date, time, location, and manner of sale, shall be given by first-class mail to all motor vehicle owners of the vehicle to be sold at the address shown by the records of the Division. Written notice of sale shall also be given to all lienholders on file with the Division. Notice of sale shall be given to the Division in accordance with the procedures established by the Division. Notices required to be given under this subdivision shall be mailed at least 10 days prior to the date of sale. A lienholder shall be permitted to purchase the motor vehicle at any such sale by bidding in the amount of its lien, if that should be the highest bid, without being required to tender any additional funds, other than the towing and storage fees. The county board of
(2) Proceeds of sale.—Proceeds of any sale conducted under this section or subdivision (g)(5) of this section shall first be applied to the cost of sale and then to satisfy towing and storage costs. The balance of the proceeds of sale, if any, shall be used to satisfy any other existing liens of record that were properly recorded prior to the date of initial seizure of the vehicle. Any remaining balance shall be paid to the county school fund in the county in which the motor vehicle was ordered forfeited. If there is more than one school board in the county, then the net proceeds of sale, after reimbursement to the county board of education of reasonable administrative costs incurred in connection with the forfeiture and sale of the motor vehicle, shall be distributed in the same manner as fines and other forfeitures. The sale of a motor vehicle pursuant to this section shall be deemed to extinguish all existing liens on the motor vehicle and the motor vehicle shall be transferred free and clear of any liens.

(3) Retention of motor vehicle.—A board of education may, at its option, retain any forfeited motor vehicle for its use upon payment of towing and storage costs. If the motor vehicle is retained, any valid lien of record at the time of the initial seizure of the motor vehicle shall be satisfied by the county board of education relieving the motor vehicle owner of all liability for the obligation secured by the motor vehicle. If there is more than one school board in the county, and the motor vehicle is retained by a board of education, then the fair market value of the motor vehicle, less the costs for towing, storage, reasonable administrative costs, and liens paid, shall be used to determine and pay the share due each of the school boards in the same manner as fines and other forfeitures.

(4) Order of forfeiture; appeals.—An order of forfeiture is stayed pending appeal of a conviction for an offense that is the basis for the order. When the conviction of an offense that is the basis for an order of forfeiture is appealed from district court, the issue of forfeiture shall be heard in superior court de novo. Appeal from a final order of forfeiture shall be to the Court of Appeals."
