1. Any fee that is incurred by a servicer shall be both:
   a. Assessed within 45 days of the date on which the fee was incurred. Provided, however, that attorney or trustee fees and costs incurred as a result of a foreclosure action shall be assessed within 45 days of the date they are charged by either the attorney or trustee to the servicer.

(2) All amounts received by a servicer on a home loan at the address where the borrower has been instructed to make payments shall be accepted and credited, or treated as credited, within one business day of the date received, provided that the borrower has made the full contractual payment and has provided sufficient information to credit the account. If a servicer uses the scheduled method of accounting, any regularly scheduled payment made prior to the scheduled due date shall be credited no later than the due date. Provided, however, that if any payment is received and not credited, or treated as credited, the borrower shall be notified within 10 business days by mail at the borrower's last known address of the disposition of the payment, the reason the payment was not credited, or treated as credited to the account, and any actions necessary by the borrower to make the loan current.

Nothing herein is intended to permit the application of payments or method of charging interest which is less protective of the borrower than the contracts between the parties and other applicable law.
