The State Board of Education shall (i) provide several valid and reliable alternative assessments to local school administrative units upon request, (ii) approve valid and reliable alternative assessments submitted by local school administrative units, and (iii) establish achievement level ranges for each approved alternative assessment. The student reading portfolio shall include an organized collection of evidence of the student's mastery of the State's reading standards that are assessed by the State-approved standardized test of reading comprehension administered to third grade students. A single piece of evidence may be used to show mastery of reading proficiency for up to two standards. For

The Board of Governors and the campuses of the constituent institutions also shall review the institutional trust funds and the special funds held by or on behalf of The University of North Carolina and its constituent institutions to determine whether there are monies available in those funds that can be used to assist with operating costs. In addition, the campuses of the constituent institutions also shall require their faculty to have a teaching workload equal to the national average in their Carnegie classification.

**SECTION 11.4.(b)** In allocating the management flexibility reduction, no reduction in State funds shall be allocated in either fiscal year of the 2015-2017 biennium to any of the following:

**NC GUARANTEED ADMISSION PROGRAM (NCGAP)**

**SECTION 11.7.(a)** The General Assembly finds that the six-year graduation rate for students pursuing a baccalaureate degree from any constituent institution of The University of North Carolina is too low. The General Assembly further finds that it is important to design and implement a program for the purpose of achieving the following goals: to assist more students to obtain a baccalaureate degree within a shorter time period; to provide students with a college education at significantly lower costs for both the student and the State; to help decrease the amount of debt resulting from loans that a student may owe upon graduation; to provide a student with an interim degree that may increase a student's job opportunities if the student chooses not to continue postsecondary education; and to provide easier access to academic counseling that will assist a student in selecting coursework that reflects the student's educational and career goals and helps the student succeed academically.

**SECTION 11.7.(b)** To address the issues and goals set out in subsection (a) of this section, the Board of Governors of The University of North Carolina shall establish a deferred admission program for students identified as academically at risk to be known as the North Carolina Guaranteed Admission Program (NCGAP). Under NCGAP, each constituent institution shall analyze its current six-year graduation rate, determine what factors lead to academic success and failure within those campuses, and report those findings to the Board of Governors of The University of North Carolina no later than January 30, 2016.

Based on the results of the analysis conducted pursuant to this subsection, the constituent institution shall develop a deferred admission program that requires a student who satisfies the admission criteria of the constituent institution but whose academic credentials are not as competitive as other students admitted to the institution to enroll in a community college in this State and earn an associate degree prior to enrolling as a student at the constituent institution. A student who earns an associate degree from a community college in this State within three years from the date of the deferred acceptance is guaranteed admission at that constituent institution to complete the requirements for a baccalaureate degree. A constituent institution shall hold in reserve an enrollment slot in the appropriate future academic year for any student who accepts a deferred admission. A constituent institution shall also reduce its enrollment for each academic year by the number of deferred admissions granted for that academic year.

The Board of Governors of The University of North Carolina shall ensure that a minimum of 1,305 budget FTEs are deferred admissions and is encouraged to increase the number of deferred admissions as appropriate.

**SECTION 11.7.(c)** The State Board of Community Colleges, in consultation with the Board of Governors of The University of North Carolina, shall adopt rules to ensure that a student participating in NCGAP is provided counseling and assistance in selecting coursework that reflects the student's educational and career goals and that provides a smooth transition from the community college to the constituent institution.

**SECTION 11.7.(d)** The State Board of Community Colleges shall allocate a portion of the nonrecurring funds appropriated to the NCGAP Reserve by this act for the
2016-2017 fiscal year to assist community colleges with students who are participating in NCGAP.

SECTION 11.7.(e) The Board of Governors of The University of North Carolina shall study and report to the Joint Legislative Education Oversight Committee by March 1, 2016, on methods to improve the collection of data regarding completion and outcomes of students who enroll as undergraduates. The report shall include (i) methods of measuring completion by student, year, and type of entry and (ii) methods of measuring success by student, year, and type of entry.

SECTION 11.7.(f) NCGAP shall be implemented for the 2016-2017 academic year and shall continue for each subsequent academic year.

SECTION 11.7.(g) This section does not apply to the North Carolina School of Science and Mathematics.

FUNDING FOR PROGRAMS TO IMPROVE CHILDREN'S HEALTH/ESTABLISH COMPETITIVE GRANTS PROCESS

SECTION 12A.2.(a) Findings. – The General Assembly finds that America spends twice as much on health care as any other nation, yet Americans are not the healthiest people in the world. Research indicates that spending on health care to treat people may actually come at the expense of investing in public health programs meant to keep people from getting sick in the first place. The General Assembly further finds that infant mortality rates are an indicator of a state's overall health status. North Carolina currently ranks 40th in the nation on infant mortality. Implementing statewide policies to invest in evidence-based programs that are scientifically proven to lower infant mortality rates, and improve birth outcomes and the health of children ages birth to five, will assure that future rankings for North Carolina are among the best in the nation.

SECTION 12A.2.(b) Designation of Lead Agency. – The Secretary of the North Carolina Department of Health and Human Services (Secretary) shall designate a lead agency that is responsible for doing all of the following:

(1) Assuming responsibility for controlling all funding and contracts designed to (i) improve North Carolina's birth outcomes, (ii) improve the overall health status of children in this State from ages birth to five, and (iii) lower this State's infant mortality rates.

The statewide proposal shall include at least all of the following:

(1) Details of the statewide plan and identification of the lead agency responsible for assuring the success of the plan.

(3) Recommendations for reallocation of funding from programs and activities that are not evidence-based and that are not producing positive returns on investment consistent with the goals described in subdivision (1) of subsection (b) of this section.

(4) Recommendations for investments in new initiatives that accomplish the goals described in subdivision (1) of subsection (b) of this section.

SECTION 12A.2.(e) Establishment of Competitive Grants Process for Local Health Departments. – It is the intent of the General Assembly that, beginning fiscal year 2016-2017, the Department of Health and Human Services implement a competitive grants process for local health departments based on a county's current health status and the county's detailed proposal to invest in evidence-based programs to achieve the goals described in subdivision (1) of subsection (b) of this section. SECTION 12B.1.(f) Audits. – The administration of the NC Pre-K program by local partnerships shall be subject to the financial and compliance audits authorized under G.S. 143B-168.14(b).

CHILD CARE SUBSIDY RATES

SECTION 12B.2.(a) The maximum gross annual income for initial eligibility, adjusted biennially, for subsidized child care services shall be determined based on a percentage of the federal poverty level as follows:

<table>
<thead>
<tr>
<th>AGE</th>
<th>INCOME PERCENTAGE LEVEL</th>
</tr>
</thead>
<tbody>
<tr>
<td>0-5</td>
<td>200%</td>
</tr>
<tr>
<td>6-12</td>
<td>133%</td>
</tr>
</tbody>
</table>

The eligibility for any child with special needs, including a child who is 13 years of age or older, shall be two hundred percent (200%) of the federal poverty level.

SECTION 12B.2.(b) Effective July 1, 2015, the Department of Health and Human Services, Division of Child Development and Early Education, shall revise its child care subsidy policy to exclude from the policy's definition of "income unit" a nonparent relative caretaker, and the caretaker's spouse and child, if applicable, when the parent of the child receiving child care subsidy does not live in the home with the child.

SECTION 12B.2.(c) Fees for families who are required to share in the cost of care are established based on ten percent (10%) of gross family income. Co-payments shall be prorated for part-time care based on policies that were in place prior to October 1, 2014.
**SECTION 12B.2.(d)** Payments for the purchase of child care services for low-income children shall be in accordance with the following requirements:

1. Religious-sponsored child care facilities operating pursuant to G.S. 110-106 and licensed child care centers and homes that meet the minimum licensing standards that are participating in the subsidized child care program shall be paid the one-star county market rate or the rate they charge privately paying parents, whichever is lower, unless prohibited by subsection (g) of this section.

2. Licensed child care centers and homes with two or more stars shall receive the market rate for that rated license level for that age group or the rate they charge privately paying parents, whichever is lower.

3. Nonlicensed homes shall receive fifty percent (50%) of the county market rate or the rate they charge privately paying parents, whichever is lower.

4. No payments shall be made for transportation services or registration fees charged by child care facilities.

5. Payments for subsidized child care services for postsecondary education shall be limited to a maximum of 20 months of enrollment.

6. The Department of Health and Human Services shall implement necessary rule changes to restructure services, including, but not limited to, targeting benefits to employment.

**SECTION 12B.2.(e)** Provisions of payment rates for child care providers in counties that do not have at least 50 children in each age group for center-based and home-based care are as follows:

1. Except as applicable in subdivision (2) of this subsection, payment rates shall be set at the statewide or regional market rate for licensed child care centers and homes.

2. If it can be demonstrated that the application of the statewide or regional market rate to a county with fewer than 50 children in each age group is lower than the county market rate and would inhibit the ability of the county to purchase child care for low-income children, then the county market rate may be applied.

**SECTION 12B.2.(f)** A market rate shall be calculated for child care centers and homes at each rated license level for each county and for each age group or age category of enrollees and shall be representative of fees charged to parents for each age group of enrollees within the county. The Division of Child Development and Early Education shall also calculate a statewide rate and regional market rate for each rated license level for each age category.

**SECTION 12B.2.(g)** The Division of Child Development and Early Education shall continue implementing policies that improve the quality of child care for subsidized children, including a policy in which child care subsidies are paid, to the extent possible, for child care in the higher-quality centers and homes only. The Division shall define higher-quality, and subsidy funds shall not be paid for one- or two-star-rated facilities. For those counties with an inadequate number of four- and five-star-rated facilities, the Division shall continue a transition period that allows the facilities to continue to receive subsidy funds while the facilities work on the increased star ratings. The Division may allow exemptions in counties where there is an inadequate number of four- and five-star-rated facilities for non-star-rated programs, such as religious programs.

**SECTION 12B.2.(h)** Facilities licensed pursuant to Article 7 of Chapter 110 of the General Statutes and facilities operated pursuant to G.S. 110-106 may participate in the program that provides for the purchase of care in child care facilities for minor children of needy families. Except as authorized by subsection (g) of this section, no separate licensing
requirements shall be used to select facilities to participate. In addition, child care facilities shall be required to meet any additional applicable requirements of federal law or regulations. Child care arrangements exempt from State regulation pursuant to Article 7 of Chapter 110 of the General Statutes shall meet the requirements established by other State law and by the Social Services Commission.

County departments of social services or other local contracting agencies shall not use a provider's failure to comply with requirements in addition to those specified in this subsection as a condition for reducing the provider's subsidized child care rate.

SECTION 12B.2.(i) Payment for subsidized child care services provided with Temporary Assistance for Needy Families Block Grant funds shall comply with all regulations and policies issued by the Division of Child Development for the subsidized child care program.

SECTION 12B.2.(j) Noncitizen families who reside in this State legally shall be eligible for child care subsidies if all other conditions of eligibility are met. If all other conditions of eligibility are met, noncitizen families who reside in this State illegally shall be eligible for child care subsidies only if at least one of the following conditions is met:

1. The child for whom a child care subsidy is sought is receiving child protective services or foster care services.
2. The child for whom a child care subsidy is sought is developmentally delayed or at risk of being developmentally delayed.
3. The child for whom a child care subsidy is sought is a citizen of the United States.

SECTION 12B.2.(k) The Department of Health and Human Services, Division of Child Development and Early Education, shall require all county departments of social services to include on any forms used to determine eligibility for child care subsidy whether the family waiting for subsidy is receiving assistance through the NC Pre-K Program or Head Start.

CHILDCARE ALLOCATION FORMULA

SECTION 12B.3.(a) The Department of Health and Human Services shall allocate child care subsidy voucher funds to pay the costs of necessary child care for minor children of needy families. The mandatory thirty-percent (30%) North Carolina Partnership for Children, Inc., subsidy allocation under G.S. 143B-168.15(g) shall constitute the base amount for each county's child care subsidy allocation. The Department of Health and Human Services shall use the following method when allocating federal and State child care funds, not including the aggregate mandatory thirty-percent (30%) North Carolina Partnership for Children, Inc., subsidy allocation:

1. Funds shall be allocated to a county based upon the projected cost of serving children under age 11 in families with all parents working who earn less than the applicable federal poverty level percentage set forth in Section 12B.2 of this act.
2. No county's allocation shall be less than ninety percent (90%) of its State fiscal year 2001-2002 initial child care subsidy allocation.
3. The Department of Health and Human Services shall allocate to counties all State funds appropriated for child care subsidy and shall not withhold funds during the 2015-2016 and 2016-2017 fiscal years.

SECTION 12B.3.(b) The Department of Health and Human Services may reallocate unused child care subsidy voucher funds in order to meet the child care needs of low-income families. Any reallocation of funds shall be based upon the expenditures of all child care subsidy voucher funding, including North Carolina Partnership for Children, Inc., funds within a county.
SECTION 12B.3.(c) When implementing the formula under subsection (a) of this section, the Department of Health and Human Services, Division of Child Development and Early Education, shall include the market rate increase in the formula process, rather than calculating the increases outside of the formula process. Additionally, the Department shall do the following:

(1) For fiscal year 2015-2016, (i) continue implementing one-third of the change in a county's allocation based on the new Census data; (ii) implement an additional one-third of the change in a county's allocation beginning fiscal year 2016-2017; and (iii) the final one-third change in a county's allocation beginning fiscal year 2018-2019. However, the following applies regarding increases to a county's allocation:

a. For the 2015-2016 fiscal year allocations, a county that did not have a child care subsidy waiting list during the 2014-2015 fiscal year shall not receive an increase in its allocation due to the new allocation formula directed in this subdivision.

b. Beginning fiscal year 2015-2016, a county whose spending coefficient is below ninety-five percent (95%) in the previous fiscal year shall not receive an increase in its allocation in the following fiscal year. The Division may waive this requirement and allow an increase if the spending coefficient is below ninety-five percent (95%) due to extraordinary circumstances, such as a State or federal disaster declaration in the affected county. By October 1 of each year, the Division shall report to the Joint Legislative Oversight Committee on Health and Human Services and the Fiscal Research Division the counties that received a waiver pursuant to this sub-subdivision and the reasons for the waiver.

(2) Effective immediately following the next new Census data release, implement (i) one-third of the change in a county's allocation in the year following the data release; (ii) an additional one-third of the change in a county's allocation beginning two years after the initial change under this subdivision; and (iii) the final one-third change in a county's allocation beginning the following two years thereafter.

CHILD CARE FUNDS MATCHING REQUIREMENTS

SECTION 12B.4. No local matching funds may be required by the Department of Health and Human Services as a condition of any locality's receiving its initial allocation of child care funds appropriated by this act unless federal law requires a match. If the Department reallocates additional funds above twenty-five thousand dollars ($25,000) to local purchasing agencies beyond their initial allocation, local purchasing agencies must provide a twenty percent (20%) local match to receive the reallocated funds. Matching requirements shall not apply when funds are allocated because of a disaster as defined in G.S. 166A-19.3(6).

CHILD CARE REVOLVING LOAN

SECTION 12B.5. Notwithstanding any law to the contrary, funds budgeted for the Child Care Revolving Loan Fund may be transferred to and invested by the financial institution contracted to operate the Fund. The principal and any income to the Fund may be used to make loans, reduce loan interest to borrowers, serve as collateral for borrowers, pay the contractor's cost of operating the Fund, or pay the Department's cost of administering the program.

ADMINISTRATIVE ALLOWANCE FOR COUNTY DEPARTMENTS OF SOCIAL SERVICES/USE OF SUBSIDY FUNDS FOR FRAUD DETECTION
SECTION 12B.6. (a) The Department of Health and Human Services, Division of Child Development and Early Education, shall fund the allowance that county departments of social services may use for administrative costs at four percent (4%) of the county's total child care subsidy funds allocated in the Child Care and Development Fund Block Grant plan or eighty thousand dollars ($80,000), whichever is greater.

SECTION 12B.6. (b) Each county department of social services may use up to two percent (2%) of child care subsidy funds allocated to the county for fraud detection and investigation initiatives.

SECTION 12B.6. (c) The Division of Child Development and Early Education may adjust the allocations in the Child Care and Development Fund Block Grant under Section 12I.1 of this act according to (i) the final allocations for local departments of social services under subsection (a) of this section and (ii) the funds allocated for fraud detection and investigation initiatives under subsection (b) of this section. The Division shall submit a report on the final adjustments to the allocations of the four percent (4%) administrative costs to the Joint Legislative Oversight Committee on Health and Human Services and the Fiscal Research Division no later than September 30 of each year.

All local partnerships are required to participate in the contract management system and, directed by the North Carolina Partnership for Children, Inc., to collaborate, to the fullest extent possible, with other local partnerships to increase efficiency and effectiveness.

SECTION 12B.7. (c) Salaries. – The salary schedule developed and implemented by the North Carolina Partnership for Children, Inc., shall set the maximum amount of State funds that may be used for the salary of the Executive Director of the North Carolina Partnership for Children, Inc., and the directors of the local partnerships. The amount of total funds administered.

(4) The professional experience of the individual to be compensated.

(5) Any other relevant factors pertaining to salary, as determined by the North Carolina Partnership for Children, Inc.

The salary schedule shall be used only to determine the maximum amount of State funds that may be used for compensation. Nothing in this subsection shall be construed to prohibit a local partnership from using non-State funds to supplement an individual’s salary in excess of the amount set by the salary schedule established under this subsection.

SECTION 12B.7.(d) Match Requirements. – The North Carolina Partnership for Children, Inc., and all local partnerships shall, in the aggregate, be required to match one hundred percent (100%) of the total amount budgeted for the program in each fiscal year of the 2015-2017 biennium. The North Carolina Partnership for Children, Inc., may carry forward any amount in excess of the required match for a fiscal year in order to meet the match requirement of the succeeding fiscal year. Only in-kind contributions that are quantifiable shall be applied to the in-kind match requirement. Volunteer services may be treated as an in-kind contribution for the purpose of the match requirement of this subsection. Volunteer services that qualify as professional services shall be valued at the fair market value of those services. All other volunteer service hours shall be valued at the statewide average wage rate as calculated from data compiled by the Employment Security Commission in the Employment and Wages in North Carolina Annual Report for the most recent period for which data are available. Expenses, including both those paid by cash and in-kind contributions, incurred by other participating non-State entities contracting with the North Carolina Partnership for Children, Inc., or the local partnerships, also may be considered resources available to meet the required private match. Failure to obtain a fifteen-percent (15%) match by June 30 of the 2015-2016 and 2016-2017 fiscal years shall result in a dollar-for-dollar reduction in the appropriation for the Program for a subsequent fiscal year. The North Carolina Partnership for Children, Inc., shall be responsible for compiling information on the private cash and in-kind contributions into a report that is submitted to the Joint Legislative Oversight Committee on Health and Human Services in a format that allows verification by the Department of Revenue. For the 2015-2017 fiscal biennium, local partnerships shall not spend any State funds on marketing campaigns, advertising, or any associated materials. Local partnerships may spend any private funds the local partnerships receive on those activities.

SECTION 12C.1.(d) For each year of the 2015-2017 fiscal biennium, Electing Counties shall be held harmless to their Work First Family Assistance allocations for the 2014-2015 fiscal year, provided that remaining funds allocated for Work First Family Assistance and Work First Diversion Assistance are sufficient for payments made by the Department on behalf of Standard Counties pursuant to G.S. 108A-27.11(b).

SECTION 12C.1.(e) In the event that departmental projections of Work First Family Assistance and Work First Diversion Assistance for the 2015-2016 fiscal year or the 2016-2017 fiscal year indicate that remaining funds are insufficient for Work First Family Assistance and Work First Diversion Assistance payments to be made on behalf of Standard Counties, the Department is authorized to reallocate funds, of those allocated to Electing Counties for Work First Family Assistance in excess of the sums set forth in G.S. 108A-27.11, up to the requisite amount for payments in Standard Counties. SUCCESSFUL TRANSITION/FOSTER CARE YOUTH

SECTION 12C.6.(a) It is the intent of the General Assembly to fund and support
transitional living services that demonstrate positive outcomes for youth, attract significant
private sector funding, and will lead to the development of evidence-based programs to serve
the at-risk population described in this section.

SECTION 12C.6.(b) To that end, there is created the Foster Care Transitional
Living Initiative Fund that will support a demonstration project with services provided by
Youth Villages to (i) improve outcomes for youth ages 17-21 years who transition from foster
care through implementation of outcome-based Transitional Living Services, (ii) identify
cost-savings in social services and juvenile and adult correction services associated with the

positive impacts in a variety of areas, including housing stability, earnings,
economic hardship, mental health, and intimate partner violence in
comparison to the control population.

(2) Public-Private Partnership, which is a commitment by private-sector funding
partners to match one hundred percent (100%) of the funds appropriated to
the Foster Care Transitional Living Initiative Fund for the 2015-2017 fiscal
biennium for the purposes of providing Transitional Living Services through
the Youth Villages Transitional Living Model to youth aging out of foster

by the State which are utilized by former foster care youth.

(4) Advancement of Evidence-Based Process, which is the implementation and
ongoing evaluation of the Youth Villages Transitional Living Model for the
purposes of establishing the first evidence-based transitional living program
in the nation. To establish the evidence-based program, additional
randomized controlled trials may be conducted to advance the model.

AUTHORIZE DHHS TO ADMINISTER MEDICAID AND HEALTH CHOICE WITHIN THEIR ENACTED BUDGETS

SECTION 12H.15(a) Notwithstanding G.S. 108A-54.1A, 108A-54.2(c), and 108A-70.25, and except as specifically set forth in this act or other State law, for the 2015-2017 fiscal biennium, the Department of Health and Human Services (Department) is fully authorized to make any changes or take any actions necessary to administer and operate the Medicaid and Health Choice programs provided that the total expenditures, net of agency receipts, for the Medicaid program do not exceed three billion seven hundred sixty million fifty-two thousand seven hundred seventy-eight dollars ($3,768,052,778) for fiscal year 2015-2016 and three billion nine hundred thirty million eight hundred ninety-six thousand eight hundred eighty-eight dollars ($3,933,896,888) for fiscal year 2016-2017, and for the NC Health Choice program do not exceed fourteen million three hundred ninety-six thousand nine hundred seventy dollars ($14,397,579) for fiscal year 2015-2016 and two million one hundred two thousand dollars ($2,102,042) for fiscal year 2016-2017.

SECTION 12H.15(b) Notwithstanding any other provision of law, neither the Director of the Budget nor any other State official, officer, or agency shall authorize any adjustment, drawdown, or transfer unearned or borrowed receipts to implement this section or expend any other funds to implement this section, if doing so would impose, increase, or continue a financial obligation in the 2015-2016 fiscal year or any subsequent fiscal year.

SECTION 12H.15(c) Chapter 120 of the General Statutes is amended by adding the following new Article to read:

"Article 23B.

(2) Seven members of the House of Representatives appointed by the Speaker of the House of Representatives, at least two of whom are members of the minority party.

(b) Terms on the Committee are for two years and begin on the convening of the General Assembly in each odd-numbered year. Members may complete a term of service on
the Committee even if they do not seek reelection or are not reelected to the General Assembly, but resignation or removal from service in the General Assembly constitutes resignation or removal from service on the Committee.

(c) A member continues to serve until a successor is appointed. A vacancy shall be filled within 30 days by the officer who made the original appointment.

"§ 120-209.1. Purpose and powers of Committee.

(a) The Joint Legislative Oversight Committee on Medicaid shall examine budgeting, financing, administrative, outcomes, and operational issues related to the Medicaid and NC Health Choice programs and to the Department of Health and Human Services.

(b) The Committee may make interim reports to the General Assembly on matters for which it may report to a regular session of the General Assembly. A report to the General Assembly may contain any legislation needed to implement a recommendation of the Committee.

"§ 120-209.2. Organization of Committee.

(a) The President Pro Tempore of the Senate and the Speaker of the House of Representatives shall each designate a cochair of the Joint Legislative Oversight Committee on Medicaid. The Committee shall meet upon the joint call of the cochairs and may meet while the General Assembly is in regular session.

(b) A quorum of the Committee is eight members. No action may be taken except by a majority vote at a meeting at which a quorum is present. While in the discharge of its official duties, the Committee has the powers of a joint committee under G.S. 120-19 and G.S. 120-19.1 through G.S. 120-19.4.

(c) Members of the Committee receive subsistence and travel expenses, as provided in G.S. 120-3.1. The Committee may contract for consultants or hire employees in accordance with G.S. 120-32.02. The Legislative Services Commission, through the Legislative Services Officer, shall assign professional staff to assist the Committee in its work. Upon the direction of the Legislative Services Commission, the Directors of Legislative Assistants of the Senate and of the House of Representatives shall assign clerical staff to the Committee. The expenses for clerical employees shall be borne by the Committee.

(d) The Committee cochairs may establish subcommittees for the purpose of examining issues relating to its Committee charge.

"§ 120-209.3. Additional powers.

The Joint Legislative Oversight Committee on Medicaid, while in discharge of official duties, shall have access to any paper or document, and may compel the attendance of any State official or employee before the Committee or secure any evidence under G.S. 120-19. In addition, G.S. 120-19.1 through G.S. 120-19.4 shall apply to the proceedings of the Committee as if it were a joint committee of the General Assembly.

"§ 120-209.4. Reports to Committee.

Whenever Medicaid or NC Health Choice is required by law to report to the General Assembly or to any of its permanent, study, or oversight committees or subcommittees on matters affecting the Department, the Department shall transmit a copy of the report to the cochairs of the Joint Legislative Oversight Committee on Medicaid."

SECTION 12H.15.(d) Beginning July 1, 2015, and quarterly thereafter, the Department shall submit a report on the outcomes, operations, and budget of the Medicaid and NC Health Choice programs to the Joint Legislative Oversight Committee on Medicaid, the Fiscal Research Division, and the Office of State Budget and Management.

SECTION 12H.15.(e) On January 1 of each year, beginning in 2016, the Department shall submit a report to the Joint Legislative Oversight Committee on Medicaid, the Fiscal Research Division, and the Office of State Budget and Management on the Medicaid and NC Health Choice programs that includes at least the following information:
(1) A detailed four-year forecast of expected changes to enrollment growth and enrollment mix.

(2) What program changes will be made by the Department in order to stay within the existing budget for the programs based on the next fiscal year's forecasted enrollment growth and enrollment mix.

(3) The cost to maintain the current level of services based on the next fiscal year's forecasted enrollment growth and enrollment mix.

SECTION 12H.15.(f) Notwithstanding G.S. 108A-54.1A, when the Department gives notice to the Native Americans of a State plan amendment, waiver, or waiver amendment, as required under federal law, the Department shall post the State plan amendment, waiver, or waiver amendment on its Web site and notify the members of the Joint Legislative Oversight Committee on Medicaid, the Fiscal Research Division, and the Office of State Budget and Management of the posting. The Department shall maintain on its Web site the most current version of all State plan amendments, waivers, and waiver amendments posted as required by this subsection at least until the plan has been approved, rejected, or withdrawn.

SECTION 12H.15.(g) Prior to submitting any State plan amendment, waiver, or waiver amendment related to Medicaid reform to the Centers for Medicare and Medicaid Services, the Department shall submit a detailed report of the reform plan to the Joint Legislative Commission on Governmental Operations (Commission) and consult with the Commission. If the Commission does not hold a meeting to hear the consultation within 90 days of receiving the submission of the detailed report, the consultation requirement is satisfied.

1915(C) INNOVATIONS WAIVER SERVICES ASSESSMENT

SECTION 12H.16.(a) If (i) federal law or regulation is amended to allow the imposition of assessments on 1915(c) North Carolina Innovations Waiver (formerly Community Alternatives Program for Persons with Mental Retardation/Developmental Disabilities (CAP-MR/DD)) services or such assessments are otherwise allowed by the Centers for Medicare & Medicaid Services (CMS) through waivers and (ii) the providers of such services are willing to participate in an assessment program, then the Department of Health and Human Services, Division of Medical Assistance, may implement a Medicaid assessment program for such services up to the maximum percentage allowed by federal regulation. The Department may retain up to sixty-five percent (65%) of the amount from such an assessment program to support Medicaid expenditures. The Department shall amend contracts with local management entities that have been approved to operate as managed care organizations (LME/MCOs) to ensure that any assessment funds not retained by the Department are used to increase LME/MCO capitation rates and that the additional amounts are passed along to the providers of Innovations Waiver services through increased reimbursement rates.

SECTION 12H.16.(b) The authorization provided to the Department under subsection (a) of this section to impose a new assessment program on Innovations Waiver services shall continue to exist until July 1, 2017. If an assessment program has not been established by July 1, 2017, then this section expires.

GENERAL PROVISIONS

SECTION 12I.1.(b) Information to Be Included in Block Grant Plans. – The Department of Health and Human Services shall submit a separate plan for each Block Grant received and administered by the Department, and each plan shall include the following:

(1) A delineation of the proposed allocations by program or activity, including State and federal match requirements.
(2) A delineation of the proposed State and local administrative expenditures.
(3) An identification of all new positions to be established through the Block Grant, including permanent, temporary, and time-limited positions.
(4) A comparison of the proposed allocations by program or activity with two prior years' program and activity budgets and two prior years' actual program or activity expenditures.
(5) A projection of current year expenditures by program or activity.
(6) A projection of federal Block Grant funds available, including unspent federal funds from the current and prior fiscal years.

SECTION 12I.1.(c) Changes in Federal Fund Availability. – If the Congress of the United States increases the federal fund availability for any of the Block Grants or contingency funds and other grants related to existing Block Grants administered by the Department of Health and Human Services from the amounts appropriated in this section, the Department shall allocate the increase proportionally across the program and activity appropriations identified for that Block Grant in this section. In allocating an increase in federal fund availability, the Office of State Budget and Management shall not approve funding for new programs or activities not appropriated in this section.

If the Congress of the United States decreases the federal fund availability for any of the Block Grants or contingency funds and other grants related to existing Block Grants administered by the Department of Health and Human Services from the amounts appropriated
in this section, the Department shall develop a plan to adjust the block grants based on reduced federal funding.

Notwithstanding the provisions of this subsection, for fiscal years 2015-2016 and 2016-2017, increases in the federal fund availability for the Temporary Assistance to Needy Families (TANF) Block Grant shall be used only for the North Carolina Child Care Subsidy program to pay for child care in four- or five-star-rated facilities for four-year-old children and shall not be used to supplant State funds.

Prior to allocating the change in federal fund availability, the proposed allocation must be approved by the Office of State Budget and Management. If the Department adjusts the allocation of any Block Grant due to changes in federal fund availability, then a report shall be made to the Joint Legislative Oversight Committee on Health and Human Services and the Fiscal Research Division.

SECTION 12I.1.(d) Except as otherwise provided, appropriations from federal Block Grant funds are made for each year of the fiscal biennium ending June 30, 2017, according to the schedule enacted for State fiscal years 2015-2016 and 2016-2017 or until a new schedule is enacted by the General Assembly.

SECTION 12I.1.(e) All changes to the budgeted allocations to the Block Grants or contingency funds and other grants related to existing Block Grants administered by the Department of Health and Human Services that are not specifically addressed in this section shall be approved by the Office of State Budget and Management, and the Office of State Budget and Management shall consult with the Joint Legislative Oversight Committee on Health and Human Services for review prior to implementing the changes. The report shall include an itemized listing of affected programs, including associated changes in budgeted allocations. All changes to the budgeted allocations to the Block Grants shall be reported immediately to the Joint Legislative Oversight Committee on Health and Human Services and the Fiscal Research Division. This subsection does not apply to Block Grant changes caused by legislative salary increases and benefit adjustments.

SECTION 12I.1.(f) Except as otherwise provided, the Department of Health and Human Services shall have flexibility to transfer funding between the Temporary Assistance for Needy Families (TANF) Block Grant and the TANF Emergency Contingency Funds Block Grant so long as the total allocation for the line items within those block grants remains the same.

PART XIII. DEPARTMENT OF AGRICULTURE AND CONSUMER SERVICES

COMMISSIONER OF AGRICULTURE/VEHICLE BENEFITS

SECTION 13.1. G.S. 143-341(8)(i)7a. reads as rewritten:

"7a. To adopt with the approval of the Governor and to enforce rules and to coordinate State policy regarding (i) the permanent assignment of state-owned passenger motor vehicles and (ii) the use of and reimbursement for those vehicles for the limited commuting permitted by this subdivision. For the purpose of this subdivision 7a, "state-owned passenger motor vehicle" includes any state-owned passenger motor vehicle, whether or not owned, maintained or controlled by the Department of Administration, and regardless of the source of the funds used to purchase it. Notwithstanding the provisions of G.S. 20-190 or any other provisions of law, all state-owned passenger motor vehicles are subject to the provisions of this subdivision 7a; no permanent assignment shall be made and no one shall be exempt from payment of reimbursement for commuting or from the other provisions of this subdivision 7a except as provided by this subdivision 7a. Commuting, as defined and regulated by this subdivision, is limited to those specific cases in which the Secretary has received and accepted written justification, verified by historical data. The Department shall not assign any state-owned motor vehicle that may be used for commuting other than those authorized by the procedure prescribed in this subdivision.

A State-owned passenger motor vehicle shall not be permanently assigned to an individual who is likely to drive it
on official business at a rate of less than 3,150 miles per
quarter unless (i) the individual's duties are routinely related
to public safety or (ii) the individual's duties are likely to
expose the individual routinely to life-threatening situations.
A State-owned passenger motor vehicle shall also not be
permanently assigned to an agency that is likely to drive it on
official business at a rate of less than 3,150 miles per quarter
unless the agency can justify to the Division of Motor Fleet
Management the need for permanent assignment because of
the unique use of the vehicle. Each agency, other than the
Department of Transportation, that has a vehicle assigned to it
or has an employee to whom a vehicle is assigned shall
submit a quarterly report to the Division of Motor Fleet
Management on the miles driven during the quarter by the
assigned vehicle. The Division of Motor Fleet Management
shall review the report to verify that each motor vehicle has
been driven at the minimum allowable rate. If it has not and if
the department by whom the individual to which the car is
assigned is employed or the agency to which the car is
assigned cannot justify the lower mileage for the quarter, the
permanent assignment shall be revoked immediately. The
Department of Transportation shall submit an annual report to
the Division of Motor Fleet Management on the miles driven
during the year by vehicles assigned to the Department or to
employees of the Department. If a vehicle included in this
report has not been driven at least 12,600 miles during the
year, the Department of Transportation shall review the
reasons for the lower mileage and decide whether to
terminate the assignment. The Division of Motor Fleet
Management may not revoke the assignment of a vehicle to
the Department of Transportation or an employee of that
Department for failure to meet the minimum mileage
requirement unless the Department of Transportation
consents to the revocation.

Every individual who uses a State-owned passenger
motor vehicle, pickup truck, or van to drive between the
individual's official work station and his or her home, shall
reimburse the State for these trips at a rate computed by the
Department. This rate shall approximate the benefit derived
from the use of the vehicle as prescribed by federal law.
Reimbursement shall be for 20 days per month regardless of
how many days the individual uses the vehicle to commute
during the month. Reimbursement shall be made by payroll
deduction. Funds derived from reimbursement on vehicles
owned by the Motor Fleet Management Division shall be
deposited to the credit of the Division; funds derived from
reimbursements on vehicles initially purchased with
appropriations from the Highway Fund and not owned by the
Division shall be deposited in a Special Depository Account
in the Department of Transportation, which shall revert to the
Highway Fund; funds derived from reimbursement on all
other vehicles shall be deposited in a Special Depository Account in the Department of Administration which shall revert to the General Fund. Commuting, for purposes of this paragraph, does not include those individuals whose office is in their home, as determined by the Department of Administration, Division of Motor Fleet Management. Also, this paragraph does not apply to the following vehicles: (i) clearly marked police and fire vehicles, (ii) delivery trucks with seating only for the driver, (iii) flatbed trucks, (iv) cargo carriers with over a 14,000 pound capacity, (v) school and passenger buses with over 20 person capacities, (vi) ambulances, (vii) [Repealed]. (viii) bucket trucks, (ix) cranes and derricks, (x) forklifts, (xi) cement mixers, (xii) dump trucks, (xiii) garbage trucks, (xiv) specialized utility repair trucks (except vans and pickup trucks), (xv) tractors, (xvi) unmarked law-enforcement vehicles that are used in undercover work and are operated by full-time, fully sworn law-enforcement officers whose primary duties include carrying a firearm, executing search warrants, and making arrests, and (xvii)-(xviii) any other vehicle exempted under Section 274(d) of the Internal Revenue Code of 1954, and Federal Internal Revenue Services regulations based thereon, or (xviii) the vehicle assigned to the Commissioner of Agriculture, with respect to trips between the Commissioner's home and locations other than the Commissioner's office. The Department of Administration, Division of Motor Fleet Management, shall report quarterly to the Joint Legislative Commission on Governmental Operations and to the Fiscal Research Division of the Legislative Services Office on individuals who use State-owned passenger motor vehicles, pickup trucks, or vans between their official work stations and their homes, who are not required to reimburse the State for these trips.

The Department of Administration shall revoke the assignment or require the Department owning the vehicle to revoke the assignment of a State-owned passenger motor vehicle, pickup truck or van to any individual who:

I. Uses the vehicle for other than official business except in accordance with the commuting rules;

II. Fails to supply required reports to the Department of Administration, or supplies incomplete reports, or supplies reports in a form unacceptable to the Department of Administration and does not cure the deficiency within 30 days of receiving a request to do so;

III. Knowingly and willfully supplies false information to the Department of Administration on applications for permanent assignments, commuting reimbursement forms, or other required reports or forms;

IV. Does not personally sign all reports on forms submitted for vehicles permanently assigned to him or
her and does not cure the deficiency within 30 days of receiving a request to do so;

V. Abuses the vehicle; or

VI. Violates other rules or policy promulgated by the Department of Administration not in conflict with this act.

A new requisition shall not be honored until the Secretary of the Department of Administration is assured that the violation for which a vehicle was previously revoked will not recur.

The Department of Administration, with the approval of the Governor, may delegate, or conditionally delegate, to the respective heads of agencies which own passenger motor vehicles or to which passenger motor vehicles are permanently assigned by the Department, the duty of enforcing all or part of the rules adopted by the Department of Administration pursuant to this subdivision 7a. The Department of Administration, with the approval of the Governor, may revoke this delegation of authority.

Notwithstanding the provisions of this section and G.S. 14-247, the Department of Administration may allow the organization sanctioned by the Governor's Council on Physical Fitness to conduct the North Carolina State Games to use State trucks and vans for the State Games of North Carolina. The Department of Administration shall not charge any fees for the use of the vehicles for the State Games. The State shall incur no liability for any damages resulting from the use of vehicles under this provision. The organization that conducts the State Games shall carry liability insurance of not less than one million dollars ($1,000,000) covering such vehicles while in its use and shall be responsible for the full cost of repairs to these vehicles if they are damaged while used for the State Games."

SECTION 13.2. In fiscal year 2015-2016, The Department of Agriculture and Consumer Services shall apply for two million two hundred forty thousand dollars ($2,240,000) from the Tennessee Valley Authority Settlement Agreement in compliance with the requirements of paragraphs 122 through 128 of the Consent Decree entered into by the State in State of Alabama et al. v. Tennessee Valley Authority, Civil Action 3:11-cv-00170 in the United States District Court for the Eastern District of Tennessee, and Appendix C to the Compliance Agreement. DISPOSITION OF ROSE HILL LABORATORY PROPERTY

SECTION 13.3. Notwithstanding Article 7 of Chapter 146 of the General Statutes, the Department of Administration shall sell the building and associated real property formerly used to house the Veterinary Diagnostic Laboratory located in the Town of Rose Hill in Duplin County. The Department of Administration shall credit the receipts to the Department of Agriculture and Consumer Services' General Fund to improve the efficiency and responsiveness of the Department's diagnostic laboratory system, and the net proceeds, once realized, are appropriated for that purpose. The Department of Administration may retain a service charge not greater than ten percent (10%) of the gross proceeds from the sale, to be used as set forth in G.S. 146-30(b)(3).

DRUG MANUFACTURING LICENSING AND REGISTRATION FEES

SECTION 13.4.(a) G.S. 106-140.1(h) reads as rewritten:

"(h) The Commissioner shall adopt rules to implement the registration requirements of this section. These rules may provide for an annual registration fee of up to five hundred dollars ($500.00) for companies operating as manufacturers, wholesalers, or repackagers; manufacturers or repackagers and seven hundred dollars ($700.00) for companies operating as wholesalers. The Department of Agriculture and Consumer Services shall use these funds for the implementation of the North Carolina Food, Drug and Cosmetic Act."

SECTION 13.4.(b) G.S. 106-145.4(b) reads as rewritten:

CORE SOUND OYSTER LEASING

SECTION 14.8. The Division of Marine Fisheries of the Department of Environment and Natural Resources shall, in consultation with representatives of the commercial fishing industry, representatives of the shellfish aquaculture industry, and relevant federal agencies, create a proposal to open to shellfish cultivation leasing certain areas of Core Sound that are currently subject to a moratorium on shellfish leasing. The Division will submit a report regarding the plan no later than April 1, 2016, to the Joint Legislative Commission on Governmental Operations.

AMEND SENATOR JEAN PRESTON MARINE SHELLFISH SANCTUARY LEGISLATION

SECTION 14.9. Section 44 of S.L. 2014-120 reads as rewritten:

"SENATOR JEAN PRESTON MARINE SHELLFISH—OYSTER SANCTUARY PROGRAM"

"SECTION 44.(a) It is the intent of the General Assembly to establish a marine shellfish sanctuary in the Pamlico Sound to be named in honor of former Senator Jean Preston, to be called the "Senator Jean Preston Marine Shellfish Sanctuary," to enhance shellfish habitats..."
within the Albemarle and Pamlico Sounds and their tributaries to benefit fisheries, water
quality, and the economy. This will be achieved through the establishment of a network of
oyster sanctuaries, harvestable enhancement sites, and coordinated support for the development
of shellfish aquaculture. The network of oyster sanctuaries is to be named in honor of
Senator Jean Preston and will be called the "Senator Jean Preston Oyster Sanctuary
Network".

"SECTION 44.(b) The Division of Marine Fisheries of the Department of Environment
and Natural Resources shall designate an area of appropriate acreage within the Pamlico Sound
as a recommendation to the Environmental Review Commission for establishment of the
"Senator Jean Preston Marine Shellfish Sanctuary" and create a plan for managing the
sanctuary that includes develop a plan to construct and manage additional oyster habitats. The
new sanctuaries, along with selected existing oyster sanctuaries, will be included in the Senator
Jean Preston Oyster Sanctuary Network. The plan will include the following components:

(1) Location and delineation of the sanctuary — oyster sanctuaries. — The plan
should include a location for the sanctuary network components that minimize the impact on commercial trawling. In
addition, the sanctuary should be gridded into areas leased to private parties
for restoration and harvest and areas operated and maintained by the State
for restoration that are not open for harvest. The leased and unleased areas
should be arranged in a pattern where leased squares are surrounded on four
sides by unleased squares. The location of sanctuaries shall take into account
connectivity to existing oyster sanctuaries and proposed oyster enhancement
sites. New oyster sanctuaries shall be designed to provide hook-and-line
fishing while allowing the development of complex fish habitats and
brood-stock oysters that will enhance recruitment in the surrounding reefs.
The plan should outline a 10-year development project to accomplish the
expansion.

(2) Administration. — The plan should include the prices to be charged for the
leased portions of the sanctuary, including an administration fee to be
retained by the Division to support the leasing and monitoring program. The
plan shall also provide that the balance of lease payments collected by the
Division be transferred to the General Fund with a recommendation that
some or all of the proceeds be used for the support of the State's special
education programs in memory of Senator Jean Preston.

(3) Enhancement of oyster habitat restoration. — The General Assembly finds
that the lack of a reliable State-based supply of oyster seed and inadequate
funding for cultch planting are limitations to the expansion of oyster
harvesting and the restoration of wild oyster habitat in North Carolina.
Therefore, the plan should include the following:

a. Provisions and recommendations to facilitate the availability of
oyster seed produced in North Carolina for wild oyster habitat
restoration projects as well as oyster aquaculture and to reduce
potential negative impacts from importation of non-native oyster
seed.

b. Plans, where feasible, for public-private partnerships for State-based
production of viable oyster seed through the creation of one or more
production hatcheries and recommendations for increased support of
the existing research hatchery at UNC-Wilmington.

c. Plans and cost estimates for an expansion of cultch planting in
suitable areas of the State's coastal waters in order to expand areas
suitable for development of wild oyster habitat.
(4) Economic relief. – The plan should consider a waiver of application fees and yearly rental fees for new shellfish leases for an established period of time to further promote and support shellfish aquaculture in North Carolina. The new leasing fee waiver program should include measures to discourage speculation and target persons with a genuine interest in starting a shellfish aquaculture business, such as a requirement that the lease be nontransferable for a five-year period.

(5) Outreach. – The plan should include outreach and education that promotes, whenever possible, public-private partnerships utilizing the Sea Grant College Program, local colleges, and other nongovernmental organizations to (i) encourage shellfish aquaculture and provide technical assistance to broaden cost-effective technologies available to leaseholders; (ii) encourage best management practices to leaseholders; and (iii) inform fishermen and the public on the benefits provided by the Senator Jean Preston Oyster Sanctuary Network.

(6) Monitoring. – The plan should include a monitoring plan designed to (i) determine the success of oyster reef construction and (ii) evaluate the cost benefit of the oyster sanctuary network and harvestable enhancement sites.

(7) Funding. – The plan should include a request for appropriations sufficient to provide funds for the construction of appropriate bottom habitat and shellfish seeding and for Division staff necessary to conduct oyster restoration and monitoring activities. The plan should provide that, whenever possible, construction and shellfish seeding be carried out by contract with private entities for Division staff to expand oyster restoration and monitoring activities for 10 years. The plan should provide that, whenever possible, public-private partnerships are employed to meet the construction, seeding, and outreach requirements of the plan.

(4) Commercial fisherman relief. – To promote the diversification of commercial fishing opportunities, the plan should include a program to award free or discounted leases under this section to commercial fishermen who (i) have held one or more commercial fishing licenses continually for a period of 10 or more years and (ii) receive at least fifty percent (50%) of their income from commercial fishing with those licenses.

(5) Recommendations. – The plan shall include recommendations for statutory or regulatory changes needed to expedite the expansion of shellfish restoration and harvesting in order to improve water quality, restore ecological habitats, provide enhanced recreational and commercial fishing opportunities, and expand the coastal economy.

(9) No funding for sanctuaries in closed areas. – The plan shall provide that no funding or other resources shall be available in water bodies where a moratorium or other legal prohibition on shellfish leasing under Article 16 of Chapter 113 of the General Statutes is currently in effect. This subdivision does not apply to leasing moratoria imposed because the area is closed to shellfish harvesting or recommended for closure by the State Health Director due to pollution.

"SECTION 44.(c) No later than December 1, 2014, and quarterly thereafter until submission of a final plan to the Environmental Review Commission, March 1, 2016, the Department of Environment and Natural Resources shall report to the Environmental Review Commission Chairs of the House of Representatives Appropriations Committee on Agriculture and Natural and Economic Resources, the Senate Appropriations Committee on Natural and Environmental Resources, the Department of Environment and Natural Resources, and the Environmental Review Commission the progress made in implementing this section and the fulfillment of the plan for the expansion of shellfish restoration and harvesting in North Carolina."
Economic Resources, and the Fiscal Research Division regarding its implementation of this  
section and its recommended plan."

SECTION 14.10.(a) G.S. 113-202.(i) reads as rewritten:

"§ 113-202. New and renewal leases for shellfish cultivation; termination of leases issued  
prior to January 1, 1966.

...  
(i) After a lease application is approved by the Secretary, the applicant shall submit to  
the Secretary a survey of the area approved for leasing and information sufficient to define the  
area approved for leasing with markers in accordance with the rules of the Commission. The survey  
information shall conform to standards prescribed by the Secretary concerning accuracy of survey and the amount of detail to be shown. When an acceptable survey information is submitted, the boundaries are marked and all fees and rents due in advance are paid, the Secretary shall execute the lease on forms approved by the Attorney General. The Secretary is authorized, with the approval of the lessee, to amend an existing lease by reducing the area under lease or by combining contiguous leases without increasing the total area leased. The information required by this subsection may be based on coordinate information produced using a device equipped to receive global positioning system data."

SECTION 14.10.(b) G.S. 113-202.(j) reads as rewritten:

"(j) Initial leases begin upon the issuance of the lease by the Secretary and expire at noon on the first day of July following the fifth tenth anniversary of the granting of the lease. Renewal leases are issued for a period of five 10 years from the time of expiration of the previous lease. At the time of making application for renewal of a lease, the applicant must pay a filing fee of one hundred dollars ($100.00). The rental for initial leases is one dollar ($1.00) per acre for all leases entered into before July 1, 1965, and for all other leases until noon on the first day of July following the first anniversary of the lease. Thereafter, for initial leases entered into after July 1, 1965, and from the beginning for renewals of leases entered into after that date, the rental is ten dollars ($10.00) per acre per year. Rental must be paid annually in advance prior to the first day of April each year. Upon initial granting of a lease, the pro rata amount for the portion of the year left until the first day of July must be paid in advance at the rate of one dollar ($1.00) per acre per year; then, on or before the first day of April next, the lessee must pay the rental for the next full year."

SECTION 14.10.(c) This section applies to shellfish lease applications received by the Department of Environment and Natural Resources on or after the date this act becomes law.

DYNAMIC PRICING FOR STATE PARKS AND ATTRACTIONS

SECTION 14.11.(a) G.S. 150B-1(d) is amended by adding a new subdivision to read:

   a. The North Carolina Zoological Park pursuant to G.S. 143B-335.
   b. State Parks pursuant to G.S. 113-35.
   c. The North Carolina Aquariums pursuant to G.S. 143B-289.44."

SECTION 14.11.(b) The Department of Environment and Natural Resources shall establish admission fees and related activity fees using a dynamic pricing strategy as defined in subsection (c) of this section. Any rule currently in the Administrative Code related to fees covered by subsection (a) of this section are ineffective and repealed upon the effective date of new admission fees and related activity fees adopted by the Department under the authority set out in subsection (a) of this section. Notice of the initial adoption of new admission fees and
related activity fees under subsection (a) of this section shall be given by the Department to the Codifier of Rules, who, upon receipt of notice of the initial adoption of new admission fees and related activity fees by the Department, shall note the repeal of these rules in the Administrative Code.

SECTION 14.11.(c) It is the intent of the General Assembly that the Department of Environment and Natural Resources institute dynamic pricing as a flexible pricing strategy for entrance fees and related activity fees for the North Carolina Zoological Park, State Parks, and the North Carolina Aquariums. Dynamic pricing is the adjustment of fees for admission and related activities from time to time to reflect marketing forces, including seasonal variations and special event interests, with the intent and effect to maximize revenues from use of these State resources to the extent practicable to offset appropriations from the General Assembly.

SECTION 14.11.(d) Nothing in this section is intended to authorize the Department of Environment and Natural Resources to charge new entrance or parking fees at the State Parks or to charge new parking fees at the North Carolina Zoological Park or the North Carolina Aquariums.

SECTION 14.13. (b) G.S. 159G-20, as amended by subsection (a) of this section, reads as rewritten:

The following definitions apply in this Chapter:

(1) Affordability. – The relative affordability of a project for a community compared to other communities in North Carolina based on factors that may include water and sewer service rates, median household income, poverty rates, employment rates, or the population of the served community.

(1a) Asset management plan. – The strategic and systematic application of management practices applied to the infrastructure assets of a local government unit in order to minimize the total costs of acquiring, operating, maintaining, improving, and replacing the assets while at the same time maximizing the efficiency, reliability, and value of the assets.

(1b) Authority. – The State Water Infrastructure Authority created and established pursuant to Article 5 of this Chapter.

…

(9) High-unit-cost project. – A project that results in an estimated average household user fee for water and sewer service in the area served by the project in excess of the high-unit-cost threshold. The average household user fee is calculated for a continuous 12-month period.

(10) High-unit-cost threshold. – Either of the following amounts determined on the basis of data from the most recent federal decennial census and updated by the U.S. Department of Housing and Urban Development’s annual estimated income adjustment factors:

a. One and one half percent (1.5%) of the median household income in an area that receives both water and sewer service.

b. Three-fourths of one percent (3/4%) of the median household income in an area that receives only water service or only sewer service.

…

(13) Local government unit. – Any of the following:

a. A city as defined in G.S. 160A-1.

b. A county.

c. A consolidated city-county as defined in G.S. 160B-2.

d. A county water and sewer district created pursuant to Article 6 of Chapter 162A of the General Statutes.

e. A metropolitan sewerage district or a metropolitan water district created pursuant to Article 4 of Chapter 162A of the General Statutes.

f. A water and sewer authority created under Article 1 of Chapter 162A of the General Statutes.

g. A sanitary district created pursuant to Part 2 of Article 2 of Chapter 130A of the General Statutes.

h. A joint agency created pursuant to Part 1 of Article 20 of Chapter 160A of the General Statutes.

i. A joint agency that was created by agreement between two cities and towns to operate an airport pursuant to G.S. 63-56 and that provided drinking water and wastewater services off the airport premises before 1 January 1995.

(13a) Merger. – The consolidation of two or more water and/or sewer systems into one system with common ownership, management, and operation.
(14) **Nonprofit water corporation.** – A nonprofit corporation that is incorporated under Chapter 55A of the General Statutes solely for the purpose of providing drinking water or wastewater services and is an eligible applicant for a federal loan or grant from the Rural Utility Services Division, U.S. Department of Agriculture.

(15) **Public water system.** – Defined in G.S. 130A-313.

(16) **Regionalization.** – The physical interconnecting of an eligible entity's wastewater system to another entity's wastewater system for the purposes of providing regional treatment or the physical interconnecting of an eligible entity's public water system to another entity's water system for the purposes of providing regional water supply.

(16) **Reserved.**

…

(21) **Targeted interest rate project.** – Either of the following types of projects:

a. A high-unit-cost project that is awarded a loan. A project that is awarded a loan from the Drinking Water Reserve or the Wastewater Reserve based on affordability.

b. A project that is awarded a loan from the CWSRF or the DWSRF and is in a category for which federal law encourages a special focus.

..."

**SECTION 14.13.** G.S. 159G-23 reads as rewritten:

"§ 159G-23. **Common criteria** for loan or grant from Wastewater Reserve or Drinking Water Reserve.

The criteria considerations for priority in this section apply to a loan or grant from the Wastewater Reserve or the Drinking Water Reserve. The Division of Water Infrastructure must establish a system of assigning points to applications based on the following criteria: consider the following items when evaluating applications:

(1) **Public necessity.** – An applicant must explain how the project promotes public health and protects the environment. A project that improves a system that is not in compliance with permit requirements or is under orders from the Department, enables a moratorium to be lifted, or replaces failing septic tanks with a wastewater collection system has priority.

(2) **Effect on impaired waters.** – A project that improves designated impaired waters of the State has priority.

(3) **Efficiency.** – A project that achieves efficiencies in meeting the State's water infrastructure needs or reduces vulnerability to drought consistent with Part 2A of Article 21 and Article 38 of Chapter 143 of the General Statutes by one of the following methods has priority:

a. The combination of two or more wastewater or public water systems into a regional wastewater or public water system by merger, consolidation, or another means.

b. Conservation or reuse of water, including bulk water reuse facilities and waterlines to supply reuse water for irrigation and other approved uses.

c. Construction of an interconnection between water systems intended for use in drought or other water shortage emergency.

d. Repair or replacement of leaking waterlines to improve water conservation and efficiency or to prevent contamination.

e. Replacement of meters and installation of new metering systems.
(4) Comprehensive land-use plan. – A project that is located in a city or county that has adopted or has taken significant steps to adopt a comprehensive land-use plan under Article 18 of Chapter 153A of the General Statutes or Article 19 of Chapter 160A of the General Statutes has priority over a project located in a city or county that has not adopted a plan or has not taken steps to do so. The existence of a plan has more priority than steps taken to adopt a plan, such as adoption of a zoning ordinance. A plan that exceeds the minimum State standards for protection of water resources has more higher priority than one that does not. A project is considered to be located in a city or county if it is located in whole or in part in that unit. A land-use plan is not considered a comprehensive land-use plan unless it has provisions that protect existing water uses and ensure compliance with water quality standards and classifications in all waters of the State affected by the plan.

(5) Flood hazard ordinance. – A project that is located in a city or county that has adopted a flood hazard prevention ordinance under G.S. 143–215.54A has priority over a project located in a city or county that has not adopted an ordinance. G.S. 143–215.54A. A plan that exceeds the minimum standards under G.S. 143-215.54A for a flood hazard prevention ordinance has more higher priority than one that does not. A project is considered to be located in a city or county if it is located in whole or in part in that unit. If no part of the service area of a project is located within the 100-year floodplain, the project has the same priority equal consideration under this subdivision as if it were located in a city or county that has adopted a flood hazard prevention ordinance. The most recent maps prepared pursuant to the National Flood Insurance Program or approved by the Department determine whether an area is within the 100-year floodplain.

(6) Sound management. – A project submitted by a local government unit that has demonstrated a willingness and ability to meet its responsibilities through sound fiscal policies and efficient operation and management has priority.

(6a) Asset management plan. – A project submitted by a local government unit with more than 1,000 service connections that has developed and is implementing an asset management plan has priority over a project submitted by a local government unit with more than 1,000 service connections that has not developed or is not implementing an asset management plan.

For noncompetitive jurisdictional revenues as defined in sub-subdivision

For subsection (h) competitive jurisdictional revenues as defined in sub-subdivision (4)b. of this subsection, and subsection (m) competitive jurisdictional revenues as defined in sub-subdivision (4)c. of this subsection, the public utility regulatory fee for each fiscal year is a percentage rate established by the General Assembly of each public utility's competitive jurisdictional revenues for each quarter.

If the estimated receipts provided for under this section are more than the estimated cost of operating the Commission and the Public Staff for the next fiscal year, including the reasonable margin for the reserve fund, then the Commission shall decrease the public utility regulatory fee on noncompetitive jurisdictional revenues effective for the next fiscal year.

(4) As used in this section:

The amount of the reserve may not exceed the estimated cost of the Commission and the Public Staff for the regulation of the electric membership corporations for the upcoming fiscal year.

Safety may use funds available to the Department for the 2015-2017 fiscal biennium to pay the
sum of forty dollars ($40.00) per day as reimbursement to counties for the cost of housing
convicted inmates, parolees, and post-release supervisees awaiting transfer to the State prison
system, as provided in G.S. 148-29. The Department shall report annually by February 1 of
each year to the chairs of the Joint Legislative Oversight Committee on Justice and Public
Safety and the chairs of the House of Representatives and Senate Appropriations Committees
on Justice and Public Safety on the expenditure of funds to reimburse counties for prisoners
awaiting transfer.

CENTER FOR COMMUNITY TRANSITIONS/CONTRACT AND REPORT

SECTION 16C.2. The Department of Public Safety may continue to contract with
The Center for Community Transitions, Inc., a nonprofit corporation, for the purchase of prison

MEDICAL COSTS FOR INMATES AND JUVENILE OFFENDERS

SECTION 16C.4. Article 13 of Chapter 143B of the General Statutes is amended

or juvenile facility the lesser amount of either a rate of seventy percent (70%) of the provider's
then-current prevailing charge or two times the then-current Medicaid rate for any given
service. The Department shall have the right to audit any given provider to determine the actual
prevailing charge to ensure compliance with this provision.

This section does apply to vendors providing services that are not billed on a fee-for-service
basis, such as temporary staffing. Nothing in this section shall preclude the Department from
contracting with a provider for services at rates that provide greater documentable cost
avoidance for the State than do the rates contained in this section or at rates that are less
favorable to the State but that will ensure the continued access to care.

(b) The Department of Public Safety shall make every effort to contain medical costs
for inmates and juvenile offenders by making use of its own hospital and health care facilities
to provide health care services to inmates and juvenile offenders. To the extent that the
Department of Public Safety must utilize other facilities and services to provide health care
services to inmates and juvenile offenders, the Department shall make reasonable efforts to
make use of hospitals or other providers with which it has a contract or, if none is reasonably
available, hospitals with available capacity or other health care facilities in a region to
accomplish that goal. The Department shall make reasonable efforts to equitably distribute
inmates and juvenile offenders among all hospitals or other appropriate health care facilities.

(c) The Department of Public Safety shall report quarterly to the Joint Legislative
Oversight Committee on Justice and Public Safety and the chairs of the House of
Representative and Senate Appropriations Committees on Justice and Public Safety on:
(1) The percentage of the total inmates and juvenile offenders requiring hospitalization or hospital services who receive that treatment at each hospital.

(2) The volume of services provided by community medical providers that can be scheduled in advance and, of that volume, the percentage of those services that are provided by contracted providers.

(3) The volume of services provided by community medical providers that cannot be scheduled in advance and, of that volume, the percentage of those services that are provided by contracted providers.

(4) The volume of services provided by community medical providers that are emergent cases requiring hospital admissions and emergent cases not requiring hospital admissions.

(5) The volume of inpatient medical services provided to Medicaid-eligible inmates and juvenile offenders, the cost of treatment, and the estimated savings of paying the nonfederal portion of Medicaid for the services.

(6) The hospital utilization, including the amount paid to individual hospitals, the number of inmates and juvenile offenders served, and the number of claims."

**INMATE MEDICAL SERVICES/REQUEST FOR INFORMATION**

**SECTION 16C.5.(a)** Not later than October 1, 2015, the Department of Public Safety shall issue a Request For Information (RFI) for a contractor to provide comprehensive medical care on a statewide basis to adult inmates and juvenile offenders in the custody of the Department. For purposes of this section, the term "comprehensive medical care" includes physical health services, mental health services, dental services, and pharmacy services, as well as inpatient hospitalization, outpatient care, specialty care, emergency department, dialysis services, and standardization of electronic health information records.

**SECTION 16C.5.(b)** The RFI shall require responses to be due not later than 90 days after the date it is issued by the Department.

(b) Notice. – A local agency must send written notice to a debtor that the agency intends to submit the debt owed by the debtor for collection by setoff. The notice must explain the basis for the agency's claim to the debt, that the agency intends to apply the debtor's refund or nontax payment against the debt, and that a collection assistance fee of fifteen dollars ($15.00) provided in G.S. 105A-13 will be added to the debt if it is submitted for setoff. The notice must also inform the debtor that the debtor has the right to contest the matter by filing a request for a hearing with the local agency, must state the time limits and procedure for requesting the hearing, and must state that failure to request a hearing within the required time will result in setoff of the debt.

(c) Administrative Review. – A debtor who decides to contest a proposed setoff must file a written request for a hearing with the local agency within 30 days after the date the local agency mails a notice of the proposed action to the debtor. That portion of the amount returned that reflects the collection assistance fees must be paid from the local agency's funds.

If a local agency submits a debt for collection under this Chapter after sending the required notice and the net proceeds collected that are credited to the local agency for the debt exceed the amount of the debt, the local agency must send the balance to the debtor. No part of the collection assistance fees provided in G.S. 105A-13 may be returned when a notice was sent and a debt is owed but the debt is less than the amount set off.

Interest accrues on the amount of a refund returned to a taxpayer under this subsection in accordance with G.S. 105-241.21. A local agency that returns a refund to a taxpayer under this subsection must pay from the local agency's funds any interest that has accrued since the fifth day after the Department mailed the notice of setoff to the taxpayer.

The Department must mail the debtor written notice that the setoff has occurred and must credit the net proceeds collected to the claimant agency. If the claimant agency is a State agency, that agency must credit the amount received to a nonreverting trust account and must follow the procedure set in G.S. 105A-8.

That portion of the amount returned that reflects the collection assistance fee must be paid from the State agency's funds.

If a debtor owes a debt to a State agency and the net proceeds credited to the State agency for the debt exceed the amount of the debt, the State agency must send the balance to the debtor. No part of the collection assistance fee retained by the Department may be returned when a debt is owed but it is less than the amount set off.

Interest accrues on the amount of a refund returned to a taxpayer under this subsection in accordance with G.S. 105-241.21. ESTABLISHMENT OF "DOT REPORT" PROGRAM

SECTION 29.14.(a) It is the intent of the General Assembly that North Carolina's reputation as the "Good Roads State" is restored, which requires a partnership between the Governor, the Department of Transportation, the General Assembly, and all North Carolina citizens. Further, the General Assembly finds that improving the condition of North Carolina's roads requires increased oversight, accountability, innovation, and efficiency. It is the belief of the General Assembly that, through increased transparency and responsiveness to the public, the condition of the roads in this State will be the best in the nation within 10 years.
SECTION 29.14. (b) To achieve the intent set forth in subsection (a) of this section, the Department of Transportation shall establish and implement the "DOT REPORT" Program (Program). The Program shall include the following components:

1. Responsiveness. – The Department of Transportation shall expand the Program to gather citizen input and shall commit to quickly addressing structural problems and other road hazards on State-maintained roads. Citizens may report potholes, drainage issues, culvert blockages, guardrail repairs, damaged or missing signs, malfunctioning traffic lights, highway debris, or shoulder damage to the Department of Transportation by calling 1-877-DOT-4YOU or submitting an online work request through the Web site link http://www.ncdot.gov/reportDOT/fixmyroad. Beginning January 1, 2016, upon receiving a citizen report in accordance with this subdivision, the Department of Transportation shall either address the reported problem or identify a solution to the reported problem. Excluding potholes, which shall be repaired within two business days of the date the report is received, the Department of Transportation shall properly address citizen reports no later than 10 business days after the date the citizen report is received. The Department of Transportation shall transmit information received about potholes or other problems on roads not maintained by the State to the appropriate locality within two business days of receiving the citizen report.

In forming the baseline unit prices and future targets, the Department of Transportation shall collect data from each Highway Division on its expenditures on transportation goods during the 2015-2016 fiscal year. Beginning January 1, 2016, no Highway Division shall exceed a ten-percent (10%) variance over a baseline unit price set for that year in accordance with this subdivision. The ten-percent (10%) maximum variance set under this subdivision is intended to account for regional differences requiring varying product mixes. The Department of Transportation shall report to the Joint Legislative Transportation Oversight Committee and the Fiscal Research Division on October 1, 2015, on information required by this subdivision. If a Highway Division exceeds the unit pricing threshold, the Department of Transportation shall report to the Joint Legislative Transportation Oversight Committee and the Fiscal Research Division no later than the fifteenth day following the end of the quarter on why the variance occurred and what steps are being taken to bring the Highway Division back into compliance. In order to drive savings, unit pricing may be reduced annually as efficiencies are achieved.

associated with the reclassified positions. Receipt-supported positions in
other organizational units within the Department of Transportation shall be
funded through existing fund codes and funding sources for their assigned
organizational units.

operations of the Division of Highways within the Department of
Transportation is needed to improve the efficiency and effectiveness of the
Division of Highways' operations and to align operations and staffing with
the strategic goals set for the Division of Highways. To that end, the Joint
Legislative Transportation Oversight Committee, through the Fiscal
Research Division and in consultation with the Department of
Transportation, shall study and review the Division of Highways. The Joint

SECTION 29.30.(s) G.S. 44A-4(b)(1) reads as rewritten:
"(b) Notice and Hearings. –
If the property upon which the lien is claimed is a motor vehicle that is required to be registered, the lienor following the expiration of the relevant time period provided by subsection (a) shall give notice to the Division of Motor Vehicles that a lien is asserted and sale is proposed and shall remit to the Division a fee of ten dollars ($10.00), fifteen dollars ($15.00). The Division of Motor Vehicles shall issue notice by certified mail, return receipt requested, to the person having legal title to the property, if reasonably ascertainable, to the person with whom the lienor dealt if different, and to each secured party and other person claiming an interest in the property who is actually known to the Division or who can be reasonably ascertained. The notice shall state that a lien has been asserted against specific property and shall identify the lienor, the date that the lien arose, the general nature of the services performed and materials used or sold for which the lien is asserted, the amount of the lien, and that the lienor intends to sell the property in satisfaction of the lien. The notice shall inform the recipient that the recipient has the right to a judicial hearing at which time a determination will be made as to the validity of the lien prior to a sale taking place. The notice shall further state that the recipient has a period of 10 days from the date of receipt in which to notify the Division by certified mail, return receipt requested, that a hearing is desired and that if the recipient wishes to contest the sale of his property pursuant to such lien, the recipient should notify the Division that a hearing is desired. The notice shall state the required information in simplified terms and shall contain a form whereby the recipient may notify the Division that a hearing is desired by the return of such form to the Division. The Division shall notify the lienor whether such notice is timely received by the Division. In lieu of the notice by the lienor to the Division and the notices issued by the Division described above, the lienor may issue notice on a form approved by the Division pursuant to the notice requirements above. If notice is issued by the lienor, the recipient shall return the form requesting a hearing to the lienor, and not the Division, within 10 days from the date the recipient receives the notice if a judicial hearing is requested. If the certified mail notice has been returned as undeliverable and the notice of a right to a judicial hearing has been given to the owner of the motor vehicle in accordance with G.S. 20-28.4, no further notice is required. Failure of the recipient to notify the Division or lienor, as specified in the notice, within 10 days of the receipt of such notice that a hearing is desired shall be deemed a waiver of the right to a hearing prior to the sale of the property against which the lien is asserted, and the lienor may proceed to enforce the lien by public or private sale as provided in this section and the Division shall transfer title to the property pursuant to such sale. If the Division or lienor, as specified in the notice, is notified within the 10-day period provided above that a hearing is desired prior to sale, the lien may be enforced by sale as provided in this section and the Division will transfer title only pursuant to the order of a court of competent jurisdiction.

If the certified mail notice has been returned as undeliverable, or if the name of the person having legal title to the vehicle cannot reasonably be ascertained and the fair market value of the vehicle is less than eight hundred dollars ($800.00), the lienor may institute a special proceeding in the county where the vehicle is being held, for authorization to sell that vehicle. Market
value shall be determined by the schedule of values adopted by the
Commissioner under G.S. 105-187.3.

In such a proceeding a lienor may include more than one vehicle, but the
proceeds of the sale of each shall be subject only to valid claims against that
vehicle, and any excess proceeds of the sale shall be paid immediately to the
Treasurer for disposition pursuant to Chapter 116B of the General Statutes.

The application to the clerk in such a special proceeding shall contain the
notice of sale information set out in subsection (f) hereof. If the application
is in proper form the clerk shall enter an order authorizing the sale on a date
not less than 14 days therefrom, and the lienor shall cause the application
and order to be sent immediately by first-class mail pursuant to G.S. 1A-1,
Rule 5, to each person to whom notice was mailed pursuant to this
subsection. Following the authorized sale the lienor shall file with the clerk a
report in the form of an affidavit, stating that the lienor has complied with
the public or private sale provisions of G.S. 44A-4, the name, address, and
bid of the high bidder or person buying at a private sale, and a statement of
the disposition of the sale proceeds. The clerk then shall enter an order
directing the Division to transfer title accordingly.

If prior to the sale the owner or legal possessor contests the sale or lien in
a writing filed with the clerk, the proceeding shall be handled in accordance
with G.S. 1-301.2."

SECTION 29.30. For the 2015-2016 fiscal year, twenty percent (20%) of the
revenues generated from the fees set forth in subdivisions (1) through (9) of subsection (a) of
G.S. 20-85, after the adjustments enacted in this section, shall be transferred from the Highway
Trust Fund to the Highway Fund.

SECTION 29.30. For the 2016-2017 fiscal year, thirty-five percent (35%) of the
revenues generated from the fees set forth in subdivisions (1) through (9) of subsection (a) of
G.S. 20-85, after the adjustments enacted in this section, shall be transferred from the Highway
Trust Fund to the Highway Fund.

SECTION 29.30. Subsections (t), (u), and (v) of this section are effective when
this act becomes law. Subsection (n) of this section becomes effective July 1, 2016, and applies
to renewal motor vehicle registrations on or after that date. The remainder of this section
becomes effective January 1, 2016, and applies to issuances, renewals, restorations, and
requests on or after that date.

SECTION 29.31. (a) G.S. 20-311 reads as rewritten:

"§ 20-311. Action by the Division when notified of a lapse in financial responsibility.
(a) Action. – When the Division receives evidence, by a notice of termination of a
motor vehicle liability policy or otherwise, that the owner of a motor vehicle registered or
required to be registered in this State does not have financial responsibility for the operation of
the vehicle, the Division shall send the owner a letter. The letter shall notify the owner of the
evidence and inform the owner that the owner shall respond to the letter within 10 days of the
date on the letter and explain how the owner has met the duty to have continuous financial
responsibility for the vehicle. Based on the owner's response, the Division shall take the
appropriate action listed:

(1) Division correction. – If the owner responds within the required time and the
response establishes that the owner has not had a lapse in financial
responsibility, the Division shall correct its records.
(2) Penalty only. — If the owner responds within the required time and the response establishes all of the following, the Division shall assess the owner a penalty in the amount set in subsection (b) of this section:
   a. The owner had a lapse in financial responsibility, but the owner now has financial responsibility.
   b. The vehicle was not involved in an accident during the lapse in financial responsibility.

   a. The owner had a lapse in financial responsibility and still does not have financial responsibility.
   b. The owner now has financial responsibility even though the owner had a lapse, but the response also establishes any of the following:
      1. The vehicle was involved in an accident during the lapse.
      2. The owner operated the vehicle during the lapse with knowledge that the owner had no financial responsibility for the vehicle, or both.
      3. The owner allowed the vehicle to be operated during the lapse with knowledge that the owner had no financial responsibility for the vehicle.

(4) Revocation pending response. — Except as otherwise provided in this subdivision, if the owner does not respond within the required time, the Division shall assess a penalty in the applicable amount set forth in subsection (b) of this section and shall revoke the registration of the owner's vehicle for the period set in subsection (c) of this section. When the owner responds, the Division shall take the appropriate action listed in subdivisions (1) through (3) of this subsection as if the response had been timely. If the owner does not respond within the required time, but later responds and establishes that the owner has not had a lapse in financial responsibility, the Division shall correct its records, rescind any revocation under this subdivision of the registration of the owner's vehicle, and the owner shall not be responsible for any fee or penalty arising under this section from the owner's failure to timely respond.

(b) Penalty Amount. — The following table determines the amount of a penalty payable under this section by an owner who has had a lapse in financial responsibility; the amount is based on the number of times the owner has been assessed a penalty under this section during the three-year period before the date the owner's current lapse began:

The revocation period for a revocation based on a response that establishes the occurrence of an accident during a lapse in financial responsibility or the knowing operation of a vehicle without financial responsibility is 30 days. The revocation period for a revocation based on failure of a vehicle owner to respond is indefinite and ends when the owner responds, the later of 30 days or when the owner obtains financial responsibility or transfers the vehicle to an owner who has financial responsibility.

(d) Revocation Notice. – When the Division revokes the registration of an owner's vehicle, it shall notify the owner of the revocation. The notice shall inform the owner of the following:

1. That the owner shall return the vehicle's registration plate and registration card to the Division, if the owner has not done so already, and that failure to do so is a Class 2 misdemeanor under G.S. 20-45.

3. That the registration of the vehicle cannot be renewed while the registration is revoked.

5. That failure of an owner to pay any penalty or fee assessed pursuant to this section shall result in the Division withholding the registration renewal of any motor vehicle registered in that owner's name.

(e) Registration After Revocation. – A vehicle whose registration has been revoked may not be registered during the revocation period in the name of the owner, a child of the owner, the owner's spouse, or a child of the owner's spouse. This restriction does not apply to a spouse who is living separate and apart from the owner. At the end of a revocation period, a vehicle owner who has financial responsibility may apply to register a vehicle whose registration was revoked. The owner shall provide proof of current financial responsibility and pay any penalty assessed, a restoration fee of fifty dollars ($50.00), and the fee for a registration plate. Pursuant to G.S. 20-54, failure of an owner to pay any penalty or fee assessed pursuant to this section shall result in the Division withholding the registration renewal of any motor vehicle registered in that owner's name.

SECTION 29.31. (b) G.S. 20-54 is amended by adding a new subdivision to read:

"(12) The owner of the vehicle has failed to pay any penalty or fee imposed pursuant to G.S. 20-311."

(6) Tax exemption. – Bonds and notes shall at all times be free from taxation by the State or any political subdivision or any of their agencies, excepting estate, inheritance, or gift taxes, income taxes on the gain from the transfer of bonds or notes, and franchise taxes. Bonds and notes are hereby made securities that may properly and legally be deposited with and received by any officer or agency of the State or political subdivision of the State for any purpose for which the deposit of bonds, notes, or obligations of the State or any political subdivision is now or may hereafter be authorized by law.
Faith and credit. – The faith and credit and taxing power of the State are hereby pledged for the payment of the principal of and the interest on bonds and notes. The State expressly reserves the right to amend any provision of this section to the extent it does not impair any contractual right of a bond owner.

Other agreements. – The State Treasurer may authorize, execute, obtain, or otherwise provide for bond insurance, investment contracts, credit and liquidity facilities, interest-rate swap agreements and other derivative products, and any other related instruments and matters the State Treasurer determines are desirable in connection with issuance, incurrence, carrying, or securing of bonds or notes. The State Treasurer is authorized to employ and designate any financial consultants, underwriters, and bond attorneys to be associated with any bond or note issue under this section as the State Treasurer considers necessary.

SECTION 31.12.(h) Variable Rate Demand Bonds and Notes. – In fixing the details of bonds and notes, the State Treasurer may provide that any of the bonds or notes may:

(1) Be made payable from time to time on demand or tender for purchase by the owner, if a credit facility supports the bonds or notes, unless the State Treasurer specifically determines that a credit facility is not required upon a finding and determination by the State Treasurer that the absence of a credit facility will not materially and adversely affect the financial position of the State and the marketing of the bonds or notes at a reasonable interest cost to the State;

(2) Be additionally supported by a credit facility;

(3) Be made subject to redemption or a mandatory tender for purchase prior to maturity;

(4) Bear interest at a rate or rates that may vary for any period of time, as may be provided in the proceedings providing for the issuance of the bonds or notes, including, without limitation, such variations as may be permitted pursuant to a par formula; and

are receipts of the Department of Cultural Resources and must be used for performing its duties
under this Article.
§ 105-129.103. Tax credited; credit limitations.
   (a) Tax Credited. – The credits provided in this Article are allowed against the franchise
tax imposed in Article 3 of this Chapter, the income taxes levied in Article 4 of this Chapter, or

must elect the tax against which a credit will be claimed when filing the return on which it is
claimed, and this election is binding. Any carryforwards of a credit must be claimed against the
same tax.
   (b) Return. – A taxpayer may claim a credit allowed by this Article on a return filed for
the taxable year in which the certified historic structure was placed into service. When an
income-producing certified historic structure as defined in G.S. 105-129.100 is placed into
service in two or more phases in different years, the amount of credit that may be claimed in a
year is the amount based on the qualified rehabilitation expenditures associated with the phase

   (c) Cap. – A credit allowed under this Article may not exceed the amount of the tax

owners of a pass-through entity, the forfeiture applies to the owners in the same proportion that
the credit was allocated.
   (e) Forfeiture for Change in Ownership. – If an owner of a pass-through entity that has
qualified for the credit allowed under G.S. 105-129.100 disposes of all or a portion of the
owner's interest in the pass-through entity within five years from the date the rehabilitated
historic structure is placed in service and the owner's interest in the pass-through entity is
reduced to less than two-thirds of the owner's interest in the pass-through entity at the time the
historic structure was placed in service, the owner forfeits a portion of the credit. The amount
forfeited is determined by multiplying the amount of credit by the percentage reduction in
ownership and then multiplying that product by the forfeiture percentage. The forfeiture
percentage equals the recapture percentage found in the table in section 50(a)(1)(B) of the
Code.
   (f) Exceptions to Forfeiture. – Forfeiture as provided in subsection (e) of this section is
not required if the change in ownership is the result of any of the following:
      (1) The death of the owner.
      (2) A merger, consolidation, or similar transaction requiring approval by the
shareholders, partners, or members of the taxpayer under applicable State
law, to the extent the taxpayer does not receive cash or tangible property in
the merger, consolidation, or other similar transaction.
   (g) Liability From Forfeiture. – A taxpayer or an owner of a pass-through entity that
forfeits a credit under this section is liable for all past taxes avoided as a result of the credit plus
interest at the rate established under G.S. 105-241.21, computed from the date the taxes would
have been due if the credit had not been allowed. The past taxes and interest are due 30 days

H97-PCS30383-LRxf-11          House Bill 97          Page 309
after the date the credit is forfeited. A taxpayer or owner of a pass-through entity that fails to pay the taxes and interest by the due date is subject to the penalties provided in G.S. 105-236.

(h) Substantiation. – To claim a credit allowed by this Article, the taxpayer must provide any information required by the Secretary of Revenue, including a copy of the certification obtained from the State Historic Preservation Office verifying that the historic structure has been rehabilitated in accordance with the requirements set out in this Article, and a copy of the eligibility certification if the historic structure is located in an eligible targeted investment site and the target investment bonus is claimed. Every taxpayer claiming a credit under this Article must maintain and make available for inspection by the Secretary of Revenue any records the Secretary considers necessary to determine and verify the amount of the credit to which the taxpayer is entitled. The burden of proving eligibility for the credit and the amount of the credit rests upon the taxpayer, and no credit may be allowed to a taxpayer that fails to maintain adequate records or to make them available for inspection.

(i) No Double Credit. – A taxpayer that claims a credit under this Article may not also claim a credit under Article 3D or Article 3H of this Chapter with respect to the same activity.

§ 105-129.104. Report; tracking.
