A HOUSE RESOLUTION PROPOSING MODEL RULES FOR THE HOUSE OF
REPRESENTATIVES.

Whereas, it is necessary that every deliberative body be governed by rules of
procedure in order that the will of a majority of its members may be determined and revealed in
an orderly manner; and

Whereas, every member of a legislature is presumed to be the equal of each other
member, each has rights that must be respected, and the rights of the minority and the majority
both must be protected; and

Whereas, a proper application of the rules of procedure will eliminate controversy,
confusion, and litigation and will make public bodies more efficient in their work and more
pleasant to work in; Now, therefore,

Be it resolved by the House of Representatives:

SECTION 1. The permanent rules of the Regular Sessions of the House of
Representatives of the 2017 General Assembly are:

reconvening, the House shall convene on the next legislative day at 2:00 P.M. During January
and February of XXXX, no sessions may be held on Friday. Without leave of the House, no
session shall continue after 10:00 P.M. on Monday nor after 9:00 P.M. on any other days, and
the Speaker shall adjourn the House without motion at that point, except that a motion may be
made as to the time and day of next convening. No votes shall be held on Sunday, except for
votes on motions to approve the journal and to adjourn. The actual time shall govern the
applicability of this rule, and the clock in the chamber shall not be followed if the time on the

RULE 3. Quorum. – (a) A quorum consists of a majority of the qualified members of the House.

(b) Should the point of a quorum be raised, the doors shall be closed and the Clerk shall call the roll of the House, after which the names of those not responding shall again be called. In the absence of a quorum, 15 members are authorized to compel the attendance of absent members and may order that absentees for whom no sufficient excuses are made be taken into custody wherever they may be found by special messenger appointed for that purpose.

RULE 4. Approval of Journal. – (a) The Standing Committee on Rules, Calendar, and Operations of the House shall cause the Journal of the House to be examined daily before the hour of convening to determine if the proceedings of the previous day have been correctly recorded.

(b) Immediately following the opening prayer and Pledge of Allegiance, and upon appearance of a quorum, the Speaker shall call for the Journal report by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House, or by a Representative designated by the Chair, as to whether the proceedings of the previous day have been correctly recorded. Without objection, the Speaker shall cause the Journal to stand approved.

RULE 5. Order of Business of the Day. – (a) After the approval of the Journal of the preceding day, the House shall proceed to business in the following order:

1. The receiving of petitions, memorials, and papers addressed to the General Assembly or to the House;

(b) This order of business may not be varied unless a particular variance is requested by the Speaker or another member without objection, and if an objection is made,
variance from the order of business must be approved by a two-thirds vote of the members present.

II. Conduct of Debate

RULE 6. Duties and Powers of the Speaker. – The Speaker shall enforce, apply, and interpret the rules of the House in all deliberations of the House and shall enforce the legislative rules prescribed by statute and the Constitution of North Carolina. The Speaker shall lay before the House its business in the order indicated by the rules and shall receive propositions made by members and put them to the House. The Speaker shall have general direction of the Hall, subject to the more specific provisions of these rules. The Speaker may name any member to perform the duties of the Chair, but substitution shall not extend beyond one day, except in the case of sickness or by leave of the House. If the Speaker is absent and has not designated a member to perform the duties of the Chair, the Speaker Pro Tempore shall preside during such absence. In the case of a vacancy in the office of the Speaker of the House of Representatives, the Speaker Pro Tempore shall preside over the House until the House elects a Speaker.

RULE 7. Obtaining Floor. – (a) When any member desires recognition, the member shall rise and respectfully address the Speaker. When a member is seeking recognition, the Speaker may not decline to recognize that member unless a call of the question has been sustained pursuant to Rule 19 on the question to which the member desires to be recognized. No member shall proceed until recognized by the Speaker. The Speaker has the right to inquire for what purpose a member arises to ascertain whether the member proposes business that is in order. It is the duty of the Speaker to recognize a member for any proper motion or other matter whenever it is in order. The Speaker may not refuse to recognize a member for a purpose the Speaker rules is out of order unless the Speaker states the precise reason such recognition would be out of order under these rules.

(b) When a member desires to interrupt a member having the floor, the member shall first obtain recognition by the Speaker and permission of the member occupying the floor, and when such recognition and permission have been obtained, he or she may propound a question to the member occupying the floor; but he or she shall not otherwise interrupt the member having the floor, except as provided in subsection (c) of this rule; and the Speaker shall, without the point of order being raised, enforce this rule.

(c) A member who has obtained the floor may be interrupted only for the following reasons:

(1) A request that the member speaking yield for a question,
(2) A point of order,
(3) A parliamentary inquiry, or
(4) A question of privilege.

RULE 8. Privilege; Statements of Personal Privilege. – (a) Questions of Privilege. Upon recognition by the Speaker for that purpose, any member may speak to a question of privilege for a time not to exceed five minutes. Questions of privilege shall be those affecting, first, the rights of the House collectively, its safety, dignity, and the integrity of its proceedings; second, the rights, reputation, and conduct of members, individually, in their representative capacity only; and shall have precedence over all other questions, except motions to adjourn. Privilege may not be used to explain a vote or debate a bill. The Speaker shall determine if the question is one of privilege and shall, without the point of order being raised, enforce this rule.

(b) Upon recognition by the Speaker for that purpose, any member may speak to a question of personal privilege for a time not exceeding three minutes and may use some or all of that time to explain to the House a "Representative Statement of Personal Privilege." Upon motion supported by a majority present and voting, that statement may be spread upon the Journal. Neither personal privilege nor a Representative Statement of Personal Privilege may be used to explain a vote, debate a bill, or in any way disrupt the regular business of the House, nor shall such opportunities be used to solicit support or sponsors for any bill. The format of a
Representative Statement of Personal Privilege shall be prescribed by the Chair of the Committee
on Rules, Calendar, and Operations of the House but in any case shall speak only in the voice of
the member submitting it. The Speaker shall determine if the question raised is one of personal
privilege and shall, without the point of order being raised, enforce this rule. The Speaker may
confine such Points of Personal Privilege until after conclusion of the regular business before the
House, and such recognition shall not extend further than five minutes.

RULE 9. Points of Order. – (a) It is the duty of the Speaker or other presiding officer
to enforce the rules and orders of the House without delay and without waiting to have the
Speaker's or other presiding officer's attention called to the breach of order. It is also the right of
every member who notices a breach of order or of a rule to insist upon its enforcement through
a point of order.

(b) The Speaker shall decide questions of order pursuant to these rules and may
speak to points of order in preference to other members arising from their seats for that purpose.
Any member may appeal from the ruling of the chair on questions of order; on such appeal no
member may speak more than once, unless by leave of the House. A majority vote of the members
present and voting shall be necessary to sustain any appeal from the ruling of the chair.

(c) When the Speaker calls a member to order, the member shall be seated, except
that a member called to order may clear a matter of fact, or explain, but shall not proceed in
debate so long as the decision stands. If the member appeals from the ruling of the chair and the
decision by a majority vote of the members present be in favor of the member called to order, the
member may proceed; if otherwise, the member shall not; and if the case, in the judgment of the
House, requires it, the member shall be liable to censure by the House.

RULE 10. Limitations on Debate. – (a) No member shall speak on, debate, or solicit
cosponsors for a bill or resolution at its first reading.

(b) No member shall speak more than twice on the main question nor longer than
15 minutes for the first speech and five minutes for the second speech; nor shall the member
speak more than twice upon an amendment or motion to reconsider, re-refer, appeal, or postpone
or any motion on concurrence, and then not longer than 10 minutes for the first speech and five
minutes for the second speech.

(c) A member may speak only once and for not more than 10 minutes on the
question of the adoption of a minority report.

(d) The House, by consent of a majority of the members present, may suspend the
operation of subsections (b) and (c) of this rule during any debate on any particular question
before the House.

RULE 11. Reading of Papers. – When there is a call for the reading of the text of a
paper which has been presented to the House and there is objection to such reading, the question
shall be determined by a majority vote of the members of the House present. Except for protests
permitted by the Constitution, no member may have material printed in the Journal until said
material has been presented to the House and the printing approved by the House, and said
material shall not exceed 1,000 words.

RULE 12. General Decorum. – (a) The Speaker shall preserve order and decorum.

(b) Decency of speech shall be observed and disrespect to personalities carefully
avoided.

(c) When the Speaker is putting any question, or addressing the House, no person
shall speak, stand up, walk out of, or cross the House, nor, when a member is speaking, engage
in disruptive discourse or pass between the member and the Chair.

(d) Food or beverages shall not be permitted on the floor of the House during the
first hour of the daily session.

(e) The reading of newspapers shall not be permitted on the floor of the House
while the House is in session.
(f) Smoking shall not be permitted on the floor of the House or in the galleries at any time. The consumption of food or beverages shall not be permitted in the galleries at any time.

(g) Special recitals and performances by musicians or other groups shall not be permitted on the floor of the House; and special guests of members of the House shall not be permitted on the floor of the House.

(h) Members shall observe appropriate attire, coat and tie for male members and dignified dress for female members.

(i) The use of wireless telephones shall not be permitted in the House Chamber.

(j) Placards, stickers, or signs not approved by the Speaker are not permitted in the House Chamber.

III. Motions

RULE 13. Motions Generally. – (a) Every motion shall be reduced to writing if the Speaker or any two members request it. No motion relating to a bill shall be in order which does not identify the bill by its number and short title.

(b) When a motion is made, it shall be stated by the Speaker or, if written, it shall be handed to the chair and read aloud by the Speaker or Clerk before debate.

(c) After a motion has been stated by the Speaker or read by the Speaker or Clerk, it shall be in the possession of the House; but it may be withdrawn before a decision or amendment, except in case of a motion to reconsider, which motion, when made by a member, shall be in possession of the House and shall not be withdrawn without leave of the House.

RULE 14. Motions; Order of Precedence. – When there are motions before the House, the order of precedence is as follows:

To adjourn.
To lay on the table.
Previous question.
To recess.
To postpone indefinitely.
To reconsider.
To postpone to a day certain.
To re-refer.
To amend an amendment.
To amend.
To pass the bill.

No motion to lay on the table, to postpone indefinitely, to postpone to a day certain, to re-refer, or to make a particular amendment, being decided, shall be again allowed at the same stage of the bill or proposition.

RULE 15. Motion to Adjourn. – (a) A motion to adjourn shall be seconded before the motion is put to the vote of the House.

(b) A motion to adjourn shall be decided without debate and shall always be in order, except when the House is voting or some member is speaking; but a motion to adjourn shall not follow a motion to adjourn until debate or some other business of the House has intervened.

RULE 15.1. Motion to Adjourn or Stand in Recess; Standard Stipulations. – A motion to adjourn or stand in recess subject to the standard stipulations shall constitute a motion to adjourn or stand in recess subject to the ratification of bills, messages from the Senate, committee reports, conference reports, referral and re-referral of bills and resolutions, appointment of conferees, introduction of bills and resolutions, committee appointments, and the reading of Representative Statements.
RULE 16. Motion to Table. – (a) A motion to table shall be seconded before the motion is put to the vote of the House and is in order except when a motion to adjourn is before the House.

(b) A motion to table shall be decided without debate; however, the proponent of the matter that is subject of the motion to table shall be given up to two minutes to explain the matter subject to the motion to table if the proponent has not previously explained the matter prior to the motion to table.

(c) A motion to table a bill shall constitute a motion to table the bill and all amendments thereto.

(d) When the question before the House is the adoption of an amendment to a bill or resolution, a motion to table the bill is not in order; and a motion to table an amendment applies to the amendment only, and the motion may not expressly or by implication or construction be expanded to include a motion to table the bill also.

(e) When a question has been tabled, it shall not thereafter be considered except on motion to reconsider under Rule 18 or to remove from the table approved by a two-thirds vote.

RULE 17. Motion to Postpone Indefinitely. – A motion to postpone indefinitely is in order except when a motion to adjourn or to lay on the table or for the previous question or to recess is before the House. However, after one motion to postpone indefinitely has been decided, another motion to postpone indefinitely shall not be allowed at the same stage of the bill or proposition. When a question has been postponed indefinitely, it shall not thereafter be considered except on motion to reconsider under Rule 18 or to place on the favorable calendar approved by a two-thirds vote.

RULE 18. Motion to Reconsider. – (a) When a question has been decided, it is in order for a member of the prevailing side to move for the reconsideration thereof on the same or the succeeding legislative day.

(b) A motion to reconsider shall be determined by a majority vote, except the following shall require a two-thirds vote: a second or subsequent motion to reconsider and a motion to reconsider:

(1) A vote upon a motion to table,

(2) A motion to postpone indefinitely,

(3) A motion to remove a bill from the unfavorable calendar,

(4) A motion that a bill be read twice on the same day, or

(5) A motion to remove from the table.

RULE 19. Previous Question. – (a) The previous question may be called only by:

(1) The Chair of the Committee on Rules, Calendar, and Operations of the House;

(2) The member submitting the report on the bill or other matter under consideration;

(3) The member introducing the bill or other matter under consideration;

(4) The member in charge of the measure, who shall be designated by the chair of the standing committee reporting the same to the House at the time the bill or other matter under consideration is reported to the House or taken up for consideration;

(5) The majority leader or a majority whip; or

(6) The minority leader or a minority whip.

(a1) The previous question may only be called after at least three members have spoken in the affirmative and three members in the negative if there are three or more members desiring to speak on each side of a question.

(b) The previous question shall be as follows: "Call for the previous question having been made, is the call sustained?" When the call for the previous question has been decided in the affirmative by a majority vote of the House, the question is on the passage of the bill, resolution, or other matter under consideration.
(c) The call for the previous question shall preclude all motions, amendments, and debate, except the motion to adjourn or motion to table.

(d) If the previous question is decided in the negative, the question remains under debate.

(e) After the previous question is ordered by the House on the main question of second or third reading, the Majority Leader and the Minority Leader may each allocate three minutes of debate on the question. The Majority Leader and the Minority Leader may each designate another member to act under this subsection.

IV. Voting

RULE 20. Use of Electronic Voting System. – (a) Votes on the following questions shall be taken on the electronic voting system, and the ayes and noes shall be recorded on the Journal:

1. The passage as required by Section 23 of Article II of the North Carolina Constitution on second and third readings of any bill:
   a. Raising money on the credit of the State,
   b. Pledging the faith of the State for the payment of a debt,
   c. Imposing a State tax, or
   d. Authorizing a county, municipality, or other local governmental unit to
      1. Raise money on its credit,
      2. Pledge its faith for the payment of a debt, or
      3. Impose a local tax.

2. All measures affecting a fee imposed by the State or any subdivision thereof.

3. All questions on which a call for the ayes and noes under Rule 24(a) and Section 19 of Article II of the North Carolina Constitution has been sustained.

4. Both second and third readings of bills proposing amendment of the North Carolina Constitution or ratifying resolutions amending the United States Constitution.

5. The passage of a bill notwithstanding the Governor's veto thereof pursuant to Section 22 of Article II of the North Carolina Constitution.

(b) Votes on the following questions shall be taken on the electronic voting system:

1. Second reading of all public bills, all amendments to public bills, third reading if a public bill was amended after second reading or if the reading occurs on a day or days following the second reading, all conference reports on public bills, all motions to lay public bills on the table, and all motions to postpone public bills indefinitely.

2. Upon a call for division.

3. Any other question upon direction of the Speaker or upon motion of any member supported by one-fifth of the members present.

4. When the electronic voting system is used, 15 seconds shall be allowed for voting on the question before the House, unless the Chair shall direct otherwise. The system shall be set to close automatically when that time has expired. Once the system is locked, the vote shall be recorded and printed.

5. The voting station at each member's desk in the Chamber shall be used only by the member to which the station is assigned. Under no circumstances shall any other person vote at a member's station. It is a breach of the ethical obligation of a member either to request that another person vote at the requesting member's station or to vote at another member's station. The Speaker shall enforce this rule without exception.

6. When the electronic voting system is used, the Speaker shall state the question and shall then state substantially the following: "All in favor vote 'aye'; all opposed vote 'no'; the
Clerk will open the vote." In order to have the vote recorded, the member must vote by the electronic voting system within the time allowed for that vote, unless the voting station assigned to a member is malfunctioning. The Speaker shall enforce this rule without exception. After the allotted time for voting has elapsed, the Speaker shall say: "The Clerk will now lock the machine and record the vote." After the machine is locked and the vote recorded, the Speaker shall announce the vote and declare the result.

(f) One copy of the machine printout of the vote record of all votes taken on the electronic voting system shall be filed in the office of the Principal Clerk, and two copies shall be filed in the Legislative Library where the copies shall be open to public inspection. A legible copy of the bill, amendment, or motion on which the vote was taken shall be filed with the printout of the vote in the Legislative Library.

(g) When the Speaker ascertains that the electronic voting system is inoperative before a vote is taken or while a vote is being taken on the electronic voting system, the Speaker shall announce that fact to the House, and any partial electronic voting system voting record shall be voided. In such a case, if the North Carolina Constitution or the Rules of the House require a call of the ayes and noes, the Clerk shall call the roll of the House, and the ayes and noes shall be taken manually and shall be recorded on the Journal. All roll call votes shall be taken alphabetically. If, after a vote is taken on the electronic voting system, it is discovered that a malfunction caused an error in the electronic voting system printout, the Speaker shall direct the Reading Clerk and the Principal Clerk to verify and correct the printout record and so advise the House.

(h) For the purpose of identifying motions on which the vote is taken on the electronic voting system, the motions are coded as follows:

(1) To adjourn.
(2) To lay on the table.
(3) Previous question.
(4) To recess.
(5) To postpone indefinitely.
(6) To reconsider.
(7) To postpone to a day certain.
(8) To re-refer.
(9) To amend an amendment.
(10) To amend.
(11) To concur or not concur.
(12) Miscellaneous.

RULE 21. Voice Votes; Stating Questions. – (a) All other votes except those required to be taken on the electronic voting system shall be taken by voice vote.

(b) When a voice vote is taken, the Speaker shall put the question substantially as follows: "Those in favor (as the question may be) will say 'Aye,'" and after the affirmative voice has been expressed, "Those opposed will say 'No.'"

(c) No statement, explanation, debate, motion, parliamentary inquiry, or point of order shall be allowed once the voice vote has begun. Any point of order or parliamentary inquiry may be raised, however, after the completion of the vote.

RULE 22. Determining Questions. – (a) Unless otherwise provided by the Constitution of North Carolina or by these rules, all questions shall be determined by a simple majority of the members present and voting.

(b) No member may vote unless the member is in the Chamber when the question is put. This subsection of this rule cannot be suspended.

RULE 23. Voting by Division. – Any member may call for a division of the members upon the question before the result of the vote has been announced. Upon a call for a division, the Speaker shall cause the number voting in the affirmative and in the negative to be determined.
The Speaker or other presiding officer may not disregard a timely call for a division by a member. Upon a division and count of the House on any question, no member away from the member’s seat shall be counted.

RULE 24. Roll Call Vote. – (a) Before a question is put, any member may call for the ayes and noes. The Speaker may not disregard a timely request for the ayes and noes. If the call is sustained by one-fifth of the members present, the question shall be decided by the ayes and noes upon a roll call vote.

(b) Every member who is in the Hall of the House when the question is put shall vote upon a call of the ayes and noes, unless excused pursuant to Rule 24.1A.

(c) No member may change a vote without leave of the House, but such leave shall not be granted if it affects the result or if the session in which the vote was taken has been adjourned.

RULE 24.1A. Excuse From Deliberations and Voting on a Bill. – (a) Any member shall, upon request, be excused from the deliberations and voting on a particular bill, but to do so must make that request before the second reading of the bill and before any motion or vote on the bill or any amendment thereto. If the reason for the request arises at some point later in the proceedings, the request may be made at that time.

(b) The member must make a brief oral statement of the reasons for making the request. The member must send forward to the Principal Clerk, on a form provided by the Clerk, a concise written statement of the reason for the request, and the Clerk shall include this statement in the Journal.

(c) The member so excused shall not debate the bill or any amendment to the bill, vote on the bill, offer or vote on any amendment to the bill, or offer or vote on any motion concerning the bill at that reading, any subsequent reading, or any subsequent consideration of the bill.

(d) A member may request that his or her excuse from deliberations on a particular bill be withdrawn.

RULE 24.1B. Division of Amendments and Questions. – (a) Any member may call for an amendment to be divided into two or more amendments to be voted on separately. The motion shall be in writing, must be submitted to the Principal Clerk at the time the motion is made, and must clearly state how the question is to be divided. The Speaker shall determine whether the amendment admits of such a division. Upon a majority vote of the members present and voting, the motion shall be adopted and the body shall debate and vote each amendment separately.

(b) Any member may call for a bill to be divided into two or more propositions to be voted on separately provided the bill is subject to division into separate parts so that each part states a separate and distinct proposition capable of standing alone. The motion shall be in writing, must be submitted to the Principal Clerk at the time the motion is made, and must clearly state how the question is to be divided. The Speaker shall then determine whether the bill admits of such a division. Upon a majority vote of the members present and voting, the motion shall be adopted and there shall be no further amendment or debate as to further division of the distinct propositions. If the question is divided, the body shall debate and vote each proposition separately. If any proposition fails, the bill shall be removed from the calendar and re-referred to the committee from which the bill was reported. If all parts of the divided question pass, the Speaker shall announce that the entire measure has passed second or third reading.

RULE 25. Voting by Speaker. – In all elections, the Speaker may vote. In all other instances, the Speaker may vote or may reserve this right until there is a tie, in which event the Speaker may vote; but in no instance may the Speaker vote twice on the same question.

V. Committees

RULE 26. Standing Committees Generally. – (a) The party caucus of the political party which has a majority of the House members (the “majority caucus”) shall appoint a chair,
cochairs, and vice-chairs of every standing committee and select committee with chairs, cochairs, vice-chairs and members selected in the same matter as with standing committees, if any. In the construction of these rules, the word "chair" as applied to a committee extends to and includes a cochair of the committee. The Speaker shall have the authority to establish select committees, but this does not exclude the right of the House by resolution to establish select committees. Chairs, cochairs, vice-chairs, and members of select committees shall be determined in the same manner as for standing committees.

(b) The majority caucus shall appoint the majority party members, and the minority caucus shall appoint the minority members of all standing committees before the end of the tenth legislative day of the first regular session. The majority party shall have at least two more members on each committee than the minority party, except that the Ethics Committee shall have an equal number of members from the majority and minority parties.

(c) The majority party members and the minority party members of each standing committee shall be appointed by the majority caucus and the minority caucus respectively.

(d) The appointments by each caucus shall be in a manner determined by that caucus, and each caucus shall report its appointments to the Principal Clerk.

(e) The majority caucus may name one or more vice-chairs for any standing committee.

(f) Either the chair or acting chair, and five other members of the standing committee, or a majority of the standing committee, whichever is fewer, shall constitute a quorum of that standing committee.

(g) In any joint meeting of the Senate and House committees, the House standing committee reserves the right to vote separately.

(h) Once a member is appointed to a committee, or is appointed as chair of a committee, by the member's appointing caucus, the member can only be removed by the appointing caucus and then only for cause and no additional members may thereafter be appointed to a committee except to fill a vacancy.

(i) Each member of the House, other than the Speaker and Speaker Pro Tempore, shall be assigned to either the Committee on Finance or one of the Appropriations Committees.

RULE 26.1. Mentions of Standing Committee Includes Select Committee. – Any reference in these rules to standing committees shall extend to select committees unless the context requires otherwise.

Standing Committee Meetings. — (a) Standing committees shall be furnished with suitable meeting places pursuant to a schedule established by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House. Select committees shall be furnished with suitable meeting places as their needs require by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House.

(b) Subject to the provisions of subsection (c) of this rule, standing committees thereof shall permit other members of the General Assembly, the press, and the general public to attend all sessions of said standing committees. Meetings of standing committees may not be held on the floor of the House.

(c) The Chair or other presiding officer shall have general direction of the meeting place of the standing committee, subject to the more specific provisions of these rules, and, in case of any disturbance or disorderly conduct therein, or if the peace, good order, and proper conduct of the legislative business is hindered by any person or persons, the Chair or presiding officer shall have power to exclude from the session any individual or individuals so hindering the legislative business. The Chair shall set the agenda for each committee meeting subject to the approval of the committee. Upon motion of a member of a committee, a bill may be added to that committee's agenda; however, consideration of such bill may be delayed until the next meeting of the committee if the committee agenda so necessitates.

(d) Procedure in the standing committees shall be governed by the rules of the House, so far as the same may be applicable to such procedure. Before a question is put, any member may call for the ayes and noes. If the call is sustained by one-fifth of the members present, the question shall be decided by the ayes and noes upon a roll call vote. All roll call votes shall be taken alphabetically and shall be subject to Rule 21(c). No presiding officer may disregard a member who timely calls for the ayes and noes or a division on a question before the committee.

(e) No standing committee shall meet on any day when the House shall not convene except by permission of the Speaker or by approval of the House by resolution adopted by a majority vote of the House.

(f) No standing committee shall meet during any session of the House. Standing committees shall meet at their regularly scheduled hour. Standing committees may meet at other times as authorized by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House in order to assure the availability of the meeting room and that no conflicts will exist with the meetings of other bodies. All standing committee meetings shall adjourn no later than:

1. 15 minutes preceding a regular session of the House, and
2. 10 minutes preceding the hour of the next regularly scheduled standing committee meeting.

(g) Any call or notice of a standing committee meeting between legislative sessions shall be mailed to each member of the standing committee at least five days prior to
such meeting. If a member of the body so requests in writing to the chair of the standing
committee the member shall be notified by certified mail of the meetings.

(h) During standing committee meetings, the chair may exercise the right to vote,
or may reserve this right until there is a tie, in which event the chair may vote, but in no instance
may the chair vote twice on the same question.

RULE 28.1. Ethics Committee Investigations. – (a) On its own motion, or in
response to a signed and sworn complaint of any individual filed with the Standing Committee
on Ethics, the Committee shall inquire into any alleged violation by members of the House of
any rule, standard of conduct, or law that applies to the conduct of the business of the House or
the conduct of House members.

(b) If, after such preliminary investigation as it may make, the Committee
determines to proceed with an inquiry into the conduct of any individual, the Committee shall
notify the individual as to the fact of the inquiry and the charges against the individual and shall
schedule one or more hearings on the matter. The individual shall have the right to present
evidence, cross-examine witnesses, and be represented by counsel at any hearings.

(c) After the Committee has concluded its inquiries into the alleged violations,
the Committee shall dispose of the matter by taking one of the following actions:

(1) Dismiss the complaint and take no further action.

(2) Issue a private letter of reprimand to the member.

(3) Issue a public letter of reprimand if the violation was intentional or if the
member has previously received a private letter of reprimand. The Chair of
the Committee on Ethics shall have the public letter of reprimand spread on
the pages of the House Journal.

(4) Refer the matter to the House for appropriate action.

(d) The Ethics Committee shall consider complaints against presiding officers for
violations of these rules if the violation was brought to the attention of the presiding officer in a
timely manner and the presiding officer thereafter failed to immediately redress the violation.

RULE 29. Notice of Standing Committee Meetings and Hearings. – (a) Notice of
meetings of standing committees that will occur at the regularly scheduled meeting times shall
be given by one or both of the following methods:

(1) Notice given openly at a session of the House; or

(2) Notice mailed or sent by electronic mail to those who have requested notice
and to the Legislative Services Office, which shall post the notice on the
General Assembly Web site.

(b) Notice of all other meetings shall be given in the House. If the meeting is
scheduled to occur after adjournment, notice shall also be given by electronic mail and posting
on the General Assembly Web site.

(c) The chair of the standing committee shall notify or cause to be notified the
sponsor of each bill that is set for hearing or consideration before the standing committee as to
the date, time, and place of that meeting.

RULE 29.1. Public Hearings. – (a) Requests for a public hearing shall be made in
writing to the chair of the standing committee to which the bill has been referred. The chair of
the standing committee may schedule a public hearing by the standing committee as a whole after
the adjournment of a regular daily House session. Denial of a request made by a House member
may be appealed to the Speaker.

Notice shall be given not less than five calendar days prior to public hearings. These
notices shall be issued as information for the press and shall be posted in the places designated
by the Principal Clerk.

(b) Persons desiring to appear and be heard at a public hearing shall submit their
requests to the chair of the standing committee. The standing committee chair may designate one
or more members to arrange the order of appearance of interested parties. A brief written
statement of testimony may be submitted without oral presentation and shall be incorporated into
the minutes of the public hearing.

RULE 29.2. Minutes to Legislative Library. – The chair of a standing committee
shall ensure that written minutes are compiled for each of the body's meetings. The minutes shall
indicate the members present and the actions taken at the meeting. Not later than 20 days after
the adjournment of each session of the General Assembly, the chair shall deliver the minutes to
the Legislative Library. The Speaker of the House may grant a reasonable extension of time for
filing said minutes upon written application of the chair.

RULE 30. Committee of the Whole House. – (a) A Standing Committee of the
Whole House shall not be formed except by leave of the House.
(b) After passage of a motion to form a Standing Committee of the Whole House,
the Speaker shall appoint a chair to preside in the standing committee and the Speaker shall leave
the dais.
(c) The rules of procedure in the House shall be observed in the Standing
Committee of the Whole House, so far as they may be applicable, except the rule limiting the
time of speaking and the previous question.
(d) In the Standing Committee of the Whole House, a motion that the standing
committee rise shall always be in order, except when a member is speaking, and shall be decided
without debate.
(e) When a bill is submitted to the Standing Committee of the Whole House, it
shall be read and debated by sections, leaving the preamble to be last considered. The body of
the bill shall not be defaced or interlined, but all amendments, noting the page and line, shall be
duly entered by the Principal Clerk on a separate paper as the same shall be agreed to by the
standing committee and be so reported to the House. After report, the bill shall again be subject
to debate and amendment by sections before a question on its passage be taken.

VI. Handling of Bills

RULE 31. Introduction of Bills and Resolutions. – (a) All bills and resolutions shall
be introduced by submitting same to the Principal Clerk's office on the legislative day prior to
the first reading and reference thereof according to the following schedule: by 30 minutes after
adjournment each Monday; and by 3:00 P.M. each Tuesday, Wednesday, Thursday, and Friday.
(b) Bills shall not become resolutions provided the Senate has a similar rule.
Resolutions shall not become bills. Resolutions are not law but may be used when a law is not
necessary for the purpose contained therein. Resolutions shall not be used to appropriate funds
for any purpose but may be used to create study commissions or committees or establish
investigative committees, to honor deceased persons, and to adopt House rules and internal
affairs. Resolutions cannot amend, repeal, or modify a statute; nor do they have life beyond the
term of the session during which they are adopted.
(c) Every bill or resolution shall be read in regular order of business, except upon
permission of the Speaker or on the report of a standing committee.
(d) All bills and resolutions shall show in their captions a brief descriptive
statement of the true substance of same, which captions may thereafter be amended. Third
reading shall not be had on any bill or resolution on the same day that such caption is amended.
(e) A Substitute Bill shall be covered with the same color jacket as the original
bill and shall be prefaced as follows: "House Committee Substitute for______".
(f) House Resolutions need not be read more than twice.
(g) All memorializing, celebration, commendation, and commemoration
resolutions, except those honoring the memory of deceased persons, shall be excluded from
introduction and consideration in the House. The mention of a deceased person as a pretext to
honor an institution or a living person is prohibited. Members should utilize a "Representative
Statement of Personal Privilege," as provided in Rule 8.1, as the preferred alternative to House
simple resolutions that memorialize, celebrate, commend, and commemorate, other than for those
relating to deceased members of the General Assembly.

(h) A bill containing no substantive provisions may not be introduced.

(i) Any reference in these rules to bills shall extend to resolutions unless the
context requires otherwise.

RULE 31.1. Deadlines on Introduction and Receipt; No Blank Bills; Single
Subject Rule. – (a) All local bills must be submitted to the Bill Drafting Division of the
Legislative Services Office by 4:00 P.M. on XXXXXX and must be introduced not later than 3:00
P.M. on XXXXXX.

(b) All public bills which would not be required to be re-referred to the
Appropriations or Finance Committees under Rule 38 must be submitted to the Bill Drafting
Division of the Legislative Services Office by 4:00 P.M. on XXXXXX and must be introduced not
later than 3:00 P.M. on XXXXXX.

(c) All public bills, which under Rule 38 are required to be re-referred to either
or both of the Appropriations Committee or the Finance Committee, must be submitted to the
Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on XXXXXX and must be
introduced not later than 3:00 P.M. on XXXXXX. If any bill is subject to the deadline under this
subsection and the bill is amended so that all the provisions requiring referral to either or both of
those committees under Rule 38 do not remain in the bill, it is not eligible for further
consideration.

(d) A bill containing no substantive provisions may not be introduced in the
House.

(e) In order to be eligible for consideration by the House during the first Regular
Session, all Senate bills other than finance or appropriations bills which would be required to be
re-referred to the Appropriations or Finance Committee under Rule 38 or adjournment
resolutions must be received and read on the floor of the House as a message from the Senate no
later than XXXXXX; provided that a message from the Senate received by the next legislative day
stating that a bill has passed its third reading and is being engrossed shall comply with the
requirements of this subsection and provided that the Senate has a similar rule.

(f) Except by motion approved by a majority of members of the House present
and voting, no public House bill other than the Current Operations Appropriations Act or the
Capital Improvement Appropriations Act may contain more than one subject.

(g) This rule, other than subsections (d) and (f), does not apply to bills (i)
establishing districts for Congress or State or local entities or (ii) ratifying an amendment or
amendments to the Constitution of the United States.

RULE 32. Reference to Standing Committee; Serial Referrals. – Each bill not
introduced on the report of a standing committee shall immediately upon its first reading be
referred by the Speaker to the standing committee whose usual jurisdiction most closely relates
to the subject matter of the bill. The Speaker at the same time may order that, if the bill is reported
with any favorable recommendation or without prejudice, it be re-referred automatically upon
the committee report to another committee designated in the order. Each joint resolution or House
resolution not introduced on the report of a standing committee shall immediately upon its first
reading either be referred by the Speaker to a standing committee or be calendared on the date
designated by the Speaker, as the Speaker deems appropriate.

RULE 33. Papers Addressed to the House. – Petitions, memorials, and other papers
addressed to the House shall be presented by the Speaker. A brief statement of the contents
thereof may be made orally by the introducer before reference to a committee, but such papers
shall not be debated or decided on the day of their first being read unless the House shall direct
otherwise.

RULE 34. Introduction of Resolutions and Bills; Copies Required. – (a) Whenever
any resolution or bill is introduced, a duplicate copy thereof shall be attached thereto, and the
Principal Clerk shall cause said duplicate copy to be numbered as the original resolution or bill is numbered and shall cause the same to be available at all times to the member introducing the same.

(b) Numbering of House Bills shall be designated as "H.B.___" (No. following). A Joint Resolution shall be designated as "H.J.R. ___." (No. following). A House Resolution shall be designated as "H.R.___." (No. following).

RULE 35. Duplicating and Availability of Copies of Bills. – (a) The Legislative Services Officer shall cause such bills as are introduced to be duplicated in such numbers as may be specified by the Speaker. The Legislative Services Officer shall cause one copy of each resolution and public bill for each member to be delivered to the member's committee assistant or legislative assistant who shall place it in the appropriate notebook on the member's desk. If a member so requests, a second copy shall be delivered to the member's committee assistant or legislative assistant who shall place it in the member's office. The remaining copies shall be placed in the Printed Bills Room and made available to the committees to which the bill is referred, to individual members on request, and to the general public.

(b) A public bill is a bill affecting 15 or more counties. A local bill is one affecting fewer than 15 counties. No public bill and, upon objection by a member, no local bill may be considered unless copies of the bill have been made available to the entire membership of the House.

RULE 35.1. Municipal Incorporation Reports. – Every legislative proposal introduced in the House or received in the House from the Senate proposing the incorporation of a municipality shall have attached to the jacket of the original bill at the time of its consideration on second or third readings by the House or by any committee of the House prior to a favorable report a recommendation from the Municipal Incorporations Subcommittee of the Joint Legislative Committee on Local Government, established by Article 20 of Chapter 120 of the General Statutes. The recommendation of the Municipal Incorporations Subcommittee of the Joint Legislative Committee on Local Government shall be made in accordance with the provisions and criteria set forth in Article 20 of Chapter 120 of the General Statutes and shall include the findings required to be made by G.S. 120-166 through G.S. 120-170.

RULE 36. Report by Standing Committee. – (a) When Reports Required. – All House bills and resolutions that have a cumulative total of 60 or more principal sponsors or cosponsors shall be reported from the standing committee to which referred with such recommendations as the standing committee may desire to make except in the case where the principal introducer requests in writing to the chair of the standing committee that the bill not be considered.

(b) Favorable Report. – When a standing committee reports a bill with the recommendation that it be passed, the bill shall be placed on the favorable calendar on second legislative day following the report unless:

(1) The bill is re-referred to the Committee on Appropriations or Committee on Finance under Rule 38 or was serially referred under Rule 32;

(2) The bill has not yet been placed on the calendar, and the Speaker refers the bill to another committee, if such referral is approved by a majority vote of the House; or

(3) The principal sponsor of the bill requests in writing that the Chair of the Standing Committee on Rules, Calendar, and Operations of the House delay the calendaring of the bill for up to five legislative days.

In order to delay placing a bill on the calendar for a legislative day, notice shall be given by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House orally in the House or in writing to the Principal Clerk.

When a committee substitute is adopted and receives a favorable report by the committee, the standing committee chair shall submit to the standing committee the question of
an unfavorable report on the original bill. Except by vote of two-thirds of the committee members present, no committee substitute may be considered in a committee unless the committee substitute shall have been sent by electronic mail to each committee member at least one legislative day prior to its consideration. The standing committee's action, if any, on the original bill shall be reported at the same time the committee substitute is reported.

(c) **Report Without Prejudice.** – When a standing committee reports a bill without prejudice, the bill shall be placed on the favorable calendar in the same manner as provided in subsection (a) of this rule.

(d) **Postponed Indefinitely.** – When a standing committee reports a bill with the recommendation that it be postponed indefinitely and no minority report accompanies it, the bill shall be placed on the unfavorable calendar.

(e) **Unfavorable Report.** – When a standing committee reports a bill with the recommendation that it not be passed and no minority report accompanies it, the bill shall be placed on the unfavorable calendar.

(f) **Minority Report.** – When a bill is reported by a standing committee with a recommendation that it not be passed or that it be postponed indefinitely but it is accompanied by a minority report signed by at least one-fourth of the members of the standing committee who were present and voting when the bill was considered in standing committee, the question before the House shall be: "The adoption of the minority report." If the minority report is adopted by majority vote, the bill shall be placed on the favorable calendar for consideration. If the minority report fails of adoption by a majority vote, the bill shall be placed on the unfavorable calendar.

RULE 36.1. **Fiscal Notes.** – (a) The Chair or Cochair of the Appropriations Committee, of the Finance Committee, or of the Standing Committee on Rules, Calendar, and Operations of the House, upon the floor of the House, may request that a fiscal analysis be made of a bill, resolution, or an amendment to a bill or resolution which is in the possession of the House and that a fiscal note be attached to the measure, which request shall be allowed when, in the opinion of the Speaker, the fiscal effects of that measure are not apparent from the language of the measure.

(b) Once a request is made for a fiscal note pursuant to subsection (a) of this rule, the bill, resolution, or amendment shall be removed from the calendar until the requested fiscal note is attached thereto, at which time the bill, amendment, or resolution shall be placed back on the calendar. The fiscal note shall be filed and attached to the bill or amendment within two legislative days of the request. If it is impossible to prepare a fiscal note within two legislative days, the Director of Fiscal Research shall, in writing, so advise the Speaker, the Principal Clerk, and the member introducing or proposing the measure and shall indicate the time when the fiscal note will be ready.

(c) The fiscal note shall be prepared by the Fiscal Research Division on a form approved by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House as to content and form and signed by the staff member or members preparing it. If no estimate in dollars is possible, the fiscal note shall indicate the reasons that no estimate is provided. The fiscal note shall not comment on the merit but may identify technical problems. The Fiscal Research Division shall make the fiscal note available to the membership of the House.

(d) A sponsor of a bill or amendment may deliver a copy of the bill or amendment to the Fiscal Research Division for the preparation of a fiscal note. The sponsor shall attach the fiscal note to the bill when filed or to the amendment when its adoption is moved.

(e) The sponsor of a bill or amendment to which a fiscal note is attached who objects to the estimates and information provided may reduce to writing the objections. These objections shall be appended to the fiscal note attached to the bill or amendment and to the copies of the fiscal note available to the membership.
(f) Subsection (a) of this rule shall not apply to the Current Operations Appropriations Bill or the Capital Improvement Appropriations Bill. This rule shall not apply to a bill or amendment requiring an actuarial note under these rules.

RULE 36.2. **Actuarial Notes.** – (a) Every bill or resolution proposing any change in the law relative to any:

1. State, municipal, or other retirement system funded in whole or in part out of public funds; or
2. Program of hospital, medical, disability, or related benefits provided for teachers and State employees, funded in whole or in part by State funds; shall have attached to it at the time of its consideration by any standing committee a brief explanatory statement or note which shall include a reliable estimate of the financial and actuarial effect of the proposed change to that retirement or pension system. The actuarial note shall be attached to the jacket of each proposed bill or resolution, which is reported favorably by any standing committee shall be separate therefrom, and shall be clearly designated as an actuarial note. A bill described in subdivision (1) of this subsection shall be referred to the Committee on Pensions and Retirement upon its introduction in accordance with G.S. 120-111.3.

(b) The sponsor of the bill or resolution shall present a copy of the measure, with a request for an actuarial note, to the Fiscal Research Division, which shall prepare the actuarial note as promptly as possible but not later than two weeks after the request is made unless an extension of time is agreed to by the sponsor as being necessary in the preparation of the note. Actuarial notes shall be prepared in the order of receipt of request and shall be transmitted to the sponsor of the measure. The actuarial note of the Fiscal Research Division shall be prepared and signed by an actuary.

(c) The sponsor of the bill or resolution shall also present a copy of the measure to the actuary employed by the system or program affected by the measure. Actuarial notes shall be prepared and transmitted to the sponsor of the measure not later than two weeks after the request is received, unless an extension of time is agreed to by the sponsor as being necessary in the preparation of the note. The actuarial note shall be attached to the jacket of the measure. The provisions of this subsection may be waived by the measure's sponsor for a measure affecting local government retirement or pension plans not administered by the State or any local government program of hospital, medical, disability, or related benefits for local government employees not administered by the State.

(d) The note shall be factual and shall, if possible, provide a reliable estimate of both the immediate effect and, if determinable, the long-range fiscal and actuarial effect of the measure. If, after careful investigation, it is determined that no dollar estimate is possible, the note shall contain a statement to that effect, setting forth the reasons why no dollar estimate can be given. No comment or opinion shall be included in the actuarial note with regard to the merits of the measure for which the note is prepared. Technical and mechanical defects in the measure may be noted.

(e) When any standing committee reports a measure to which an actuarial note is attached at the time of standing committee consideration, with any amendment of such nature as would substantially affect the cost to or the revenues of any retirement or pension system, or program of hospital, medical, disability, or related benefits for teachers or State employees, the chair of the standing committee reporting the measure shall obtain from the Fiscal Research Division an actuarial note of the fiscal and actuarial effect of the proposed amendment. The actuarial note shall be attached to the jacket of the measure. An amendment to any bill or resolution shall not be in order if the amendment affects the costs to or the revenues of a State-administered retirement or pension system, or program of hospital, medical, disability, or related benefits for teachers or State employees, unless the amendment is accompanied by an
actuarial note, prepared by the Fiscal Research Division, as to the actuarial effect of the amendment.

(f) The Fiscal Research Division shall make all relevant actuarial notes available to the membership of the House.

RULE 36.3. Local Legislation Affecting State Highway System. – A local bill affecting the State Highway System shall be referred to the Committee on Transportation.

RULE 36.4. Content of Appropriations Bills. – (a) No provision making substantive changes to existing law shall be contained in any of the following bills unless the change is necessary to effectuate a concurrent funding matter that is directly reflected in the Committee Report or Conference Committee Report that was distributed in the applicable chambers and used to explain (i) the Current Operations Appropriations Bill; (ii) the Capital Improvement Appropriations Bill; or (iii) any bill generally revising appropriations for the second fiscal year of a biennium.

(a1) If a point of order is made pursuant to subsection (a) of this rule, the rule shall be construed strictly and, in case of doubt, in favor of the point of order.

(b) No amendment to any bill listed in subsection (a) of this rule shall be in order if the language is prohibited by that subsection.

(c) Notwithstanding subsections (a) and (b) of this rule, any of the bills listed in subsection (a) of this rule or an amendment to such bill may change existing law if the change:

(1) Alters expenditures or salaries;

(2) Changes the scope or character of a program which must be reduced, increased, or changed because of an increase or decrease of funds appropriated for the program or because of changes in federal law or regulation; or

(3) Modifies any function of State government which necessitates a transfer of funds from one department to another; provided, that for a provision to be in order under this subsection, it must be recommended to the General Assembly in a written report adopted by the Appropriations Committee before or at the same time the bill is reported, or, if such provision is contained in a floor amendment, the sponsor of the amendment must present to the Principal Clerk at or before the time the amendment is offered an explanation of the amendment for distribution to each member of the House.

(d) Each individual expenditure or special provision included in the budget shall be accompanied by the name of a house member (or in the case of the conference report, the name of the member of the House or Senate) who requested the expenditure, and no such expenditure shall be placed in the bill unless it was also contained in a separately filed bill.

RULE 37. Removing Bill From Unfavorable Calendar. – A bill may be removed from the unfavorable calendar upon motion carried by a two-thirds vote. A motion to remove a bill from the unfavorable calendar is debatable.

RULE 38. Reports on Appropriation and Revenue Bills. – (a) All standing committees, other than the Standing Committees on Appropriations, when favorably reporting any bill or resolution which:

(1) Carries an appropriation from the State; or

(2) Requires or will require in the future substantial additional State monies from the General Fund or Highway Fund to implement its provisions shall indicate same in the report, and said bill or resolution shall be referred to the Standing Committees on Appropriations for a further report before being acted upon by the House.

(b) All standing committees, other than the Standing Committee on Finance, when favorably reporting any bill which in any way or manner raises revenue, reduces revenue, levies a tax, authorizes the levying of a tax, an assessment, or a fee, or authorizes the issue of bonds or notes, whether public, public-local, or private, shall indicate same in the report, and said
bill shall be referred to the Standing Committee on Finance for a further report before being acted
upon by the House. This subsection shall not apply to bills only imposing fines, forfeitures, or
penalties.

(c) **Action on Amendment Before Re-Referral.** – If any standing committee
recommends adoption of an amendment or committee substitute of a bill which, under the rules
of the House, must be referred to the Standing Committees on Appropriations or the Standing
Committee on Finance, the amendment or committee substitute shall be considered and, if
adopted, the amendment or substitute engrossed before the bill is re-referred.

RULE 38.1. **Special Rules Relating to the Budget.** – (a) The allocation of
availability among the appropriations committees shall be put to a vote of the membership of the
House for approval at least two legislative days prior to any meeting of an Appropriations
Committee at which a vote on approval of the Current Operations Appropriations Bill takes place.

(b) No vote shall be taken on the Current Operations Appropriations Bill on either
second or third reading until at least 10 hours of debate on the bill or on consideration of
amendments to the bill has taken place, unless, prior to expiration of 10 hours, no member of the
House seeks to further debate or offer further amendments.

(c) No additional rules on consideration of the Current Operations Appropriations
Act may be enforced unless agreed to by majority vote of the members present and voting. No
additional rule shall prohibit amendments to the Current Operations Appropriations Bill that
transfers funds from one appropriations committee to another committee area.

RULE 39. **Recall of Bill From Standing Committee.** – (a) When a House bill has
been introduced and referred to a standing committee, or when a Senate bill has been referred to
a standing committee, if after 10 legislative days the standing committee has failed to act thereon,
then the introducer of the House bill or some member designated by the introducer, or some
House member designated by the introducer of the Senate bill, may, after three legislative days'
public notice given in the House and delivered in writing to the chair of the standing committee,
on motion supported by a vote of a majority of the members of the House, recall the same from
the standing committee to the floor of the House for consideration and such action thereon as a
majority of the members present may direct. The re-referral of a bill to another committee does
not restart the 10-day period after a notice has been given pursuant to this rule.

(b) This rule shall not be temporarily suspended without one day’s notice on the
motion given in the House and delivered in writing to the chair of the standing committee, and
to sustain that motion, two-thirds of the members of the House shall be required.

RULE 39.1. **Re-Referral of Bills From One Standing Committee to Another
Standing Committee.** – Upon consent of the sponsor of the bill, the Speaker, the chair of the
standing committee from whom the bill is to be re-referred, and the chair of the standing
committee to whom the bill is to be re-referred, the chair of the standing committee from whom
the bill is to be re-referred or the Chair of the Standing Committee on Rules, Calendar, and
Operations of the House may move for a re-referral to another standing committee, and the bill
shall be re-referred upon vote of the majority present during a regular session of the House.

RULE 39.3. **Discharge Petition.** – A motion to discharge a committee from
consideration of a bill or resolution may be filed with the Principal Clerk if accompanied by a
petition signed by 61 members of the House asking that the committee be discharged from further
consideration of the bill or resolution. No petition may be circulated for signatures until 10
legislative days after the bill has been referred to the committee. No petition may be circulated
for signature until notice has been given on the floor of the House that the petition is to be
circulated. If such a motion accompanied by a valid petition is filed, the Principal Clerk shall
place that motion on the calendar for the next legislative day as a special order of business. If the
motion is adopted, then the committee to which the bill or resolution has been referred is
discharged from further consideration of the bill or resolution, and that bill or resolution is placed
on the calendar for the next legislative day as a special order of business. If the committee had,
prior to discharge, adopted any amendment or committee substitute for the bill, it shall be in order to offer that amendment or substitute on the floor as if it were a committee amendment or substitute. The Principal Clerk shall provide a form for discharge petitions.

RULE 40. Calendars and Schedules of Business. – The Clerk of the House shall prepare a daily schedule of business, including the Calendar of Bills and Resolutions for consideration and debate that day, in accordance with the Order of Business of the Day (Rule 5). The Clerk shall number all bills and resolutions in the order in which they are introduced. All bills and resolutions shall be taken up by the full house as they appear in each category (Rule 5(10)) in the order they were placed on the Calendar under Rule 36(b). The Speaker shall not vary from the order unless two-thirds of the members present agree to the proposed variance. No bill shall be eligible for consideration by the House which was not placed on the Calendar of Bills and Resolutions for the day, unless two-thirds of the members present agree to consideration of such bill.

RULE 41. Reading of Bills. – (a) Every bill shall receive three readings in the House prior to its passage. The first reading and reference to standing committee of a House bill shall occur on the next legislative day following its introduction. The first reading and reference to standing committee of a Senate bill shall occur on the next legislative day following its receipt on messages from the Senate. The Speaker shall give notice at each subsequent reading whether it is the second or third reading.

(b) No bill shall be read more than once on the same day without the concurrence of two-thirds of the members present and voting; provided, no bill governed by Section 23 of Article II of the North Carolina Constitution or described in Rule 20(a)(2) herein shall be read twice on one day under any circumstance.

RULE 42. Effect of a Defeated Bill. – (a) Subject to the provisions of subsection (b) of this rule, after a bill has:

1. Been tabled,
2. Been postponed indefinitely,
3. Failed to pass on any of its readings, or
4. Been placed on the unfavorable calendar, the contents of that bill or the principal provisions of its subject matter shall not be considered in any other measure originating in the Senate or originating thereafter in the House. Upon the point of order being raised and sustained by the Chair, that measure shall be laid upon the table and shall not be taken therefrom except by a two-thirds vote of the members present and voting.

(b) No local bill shall be held by the Chair to embody the contents of the principal provisions of the subject matter of any statewide measure which has been laid on the table, has failed to pass on any of its readings, or has been placed on the unfavorable calendar.

RULE 43. Amendments. – No amendment to a measure before the House shall be in order unless the amendment is germane to the measure under consideration. A House amendment deleting a previously adopted House amendment shall not be in order, except that this sentence does not apply to amendments adopted under Rule 38(c).

If the Senate adopts an amendment or committee substitute to a House bill, the House may refuse to receive the bill on account of lack of germaneness.

Only one principal (first degree) amendment shall be pending at any one time. If a subsequent or substitute principal amendment shall be offered, the Speaker shall rule it out of order. However, any member desiring to offer a subsequent or substitute principal amendment in opposition to the pending amendment may inform the House by way of argument against the pending amendment that if it is defeated the member proposes to offer another principal amendment and the member may then read and explain such proposed amendment.
Perfecting or second degree amendments may be offered and considered without limitation as to number, and in the event of multiple perfecting amendments, they shall be voted upon in inverse order.

RULE 43.1. Engrossment. – Bills and resolutions, except those making appropriations, which originate in the House and which are amended, shall be engrossed before being sent to the Senate.

(b) The Speaker shall rule whether the committee substitute is a material amendment under Section 23 of Article II of the North Carolina Constitution which reads:

“Sec. 23. Revenue bills.

No law shall be enacted to raise money on the credit of the State, or to pledge the faith of the State directly or indirectly for the payment of any debt, or to impose any tax upon the people of the State, or to allow the counties, cities, or towns to do so, unless the bill for the purpose shall have been read three several times in each house of the General Assembly and passed three several readings, which readings shall have been on three different days, and shall have been agreed to by each house respectively, and unless the yeas and nays on the second and third readings of the bill shall have been entered on the journal.”

If the committee substitute was referred to the standing committee, the standing committee shall:

1. Report the bill with the recommendation either that the House do concur or that the House do not concur; and
2. Advise the Speaker as to whether or not that committee substitute is a material amendment under Section 23 of Article II of the North Carolina Constitution.
3. If the committee substitute for a bill is not a material amendment, the question before the House shall be concurrence.
4. If the committee substitute for a bill is a material amendment, the receiving of that bill on messages shall constitute first reading, and the question before the House shall be concurrence on second reading.
