(4) Location percentage. – The percentage for the operator, rounded to the nearest tenth of a percent (1/10 of 1%), of the total amount of entry fees collected from players located in this State, divided by the total entry fees collected by the operator from all players.

   e. Allow individuals, upon request, to restrict themselves from entering a fantasy contest and take reasonable steps to prevent those individuals from entering the operator's fantasy contests.
   f. Disclose the maximum number of entries a single fantasy contest player may submit to each fantasy contest and take reasonable steps to prevent any player from submitting more than the maximum allowable number.
g. Segregate player funds from operational funds in separate accounts and maintain a reserve in the form of cash, cash equivalents, irrevocable letter of credit, bond, credit card and payment processor accounts and receivables, or a combination thereof, in an amount sufficient to pay all prizes and awards offered to winning participants.

h. Prevent fantasy contests based on the performances of participants in collegiate, high school, or youth athletic competitions.

(c) Registrations issued pursuant to this Chapter shall expire five years after issuance or renewal. The Department shall renew the registration of an operator that submits a completed application in accordance with subsection (b) of this section and a renewal fee equal to the lesser of five thousand dollars ($5,000) or ten percent (10%) of the operator's net revenue from the previous calendar year.

(d) An operator applying for registration who has been in continuous operation in this State for at least 180 days as of the effective date of this act may continue to offer fantasy contests to persons located in the State until 60 days after applications for registration are published by the Department. Operators who have applied for registration during that 60-day period may continue to operate while the registration is pending. Operators who have not registered shall cease operations within this State by the expiration of the 60-day period.

(e) An operator applying for registration or renewal of a registration may operate during the application period unless the Department has reasonable cause to believe that the operator is or may be in violation of the provisions of this Chapter and the Department requires the operator to suspend all fantasy contests until registration or renewal of registration is issued or denied.

(f) The Department shall issue a registration within 60 days of receipt of the application for registration. If the registration is not issued, the Department shall provide the operator with the justification for not issuing such registration with specificity.

"§ 78E-4. Denial, revocation, or suspension of registration; hearings; civil penalties.

(a) The Department may deny, revoke, or suspend a registration upon determination that an operator, or any officer, partner, principal stockholder, or director of the operator, has done any of the following:

(5) Fails to be qualified to do business in this State or is not subject to the jurisdiction of the courts of this State.

(b) After a hearing with 30 days' notice, the Department may suspend or revoke an operator's registration where a violation of this Chapter has been found by a preponderance of the evidence. In addition, the Department may assess a civil penalty not in excess of one thousand dollars ($1,000) for any violation of this Chapter demonstrated by a preponderance of the evidence; provided, however, that the penalty shall not exceed ten thousand dollars ($10,000) for a continuing violation. The clear proceeds of any civil penalty assessed under this section shall be
remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2. After a hearing, the Department may revoke a registration if it finds that facts not known by it at the time it considered the application indicate that such registration should not have been issued. For the purposes of this section, a single act or omission by an operator that affects one or more players shall be treated as a single violation.

(c) If the Department determines that a violation of this Chapter has occurred and emergency action is required to protect the public health, safety, and welfare, the Department may suspend any registration for a period of not more than seven business days pending a hearing and final determination. The Department shall notify the operator of the date, time, and place of the hearing at least five business days prior to the hearing.

(d) If the Department denies, suspends, or revokes a registration, or assesses a civil penalty in accordance with this Chapter, the Department shall issue written notice to the operator. § 78E-6. Change of ownership or acquisition of interest in operator.

If any person acquires a controlling interest of a registered operator, that person shall register with the Department in accordance with this act. The operator may continue to operate during the registration period unless the Department has reasonable cause to believe that person is or may be in violation of the provisions of this Chapter. The Department may require the operator to suspend the operation of any fantasy contest until registration is issued or denied.

§ 78E-7. Powers and duties of the Department.

(a) The Department shall have all powers and duties necessary to carry out the provisions of this Chapter. The Department may, in accordance with Chapter 150B of the General Statutes, adopt rules necessary to carry out the provisions of this Chapter.

(b) The Department may apply to the superior court for an injunction to restrain any person from violating the provisions of this Chapter or its rules. Actions under this section shall be brought in the county where the operator maintains its principal place of business or where the alleged acts occurred.

(c) Whenever the Department has reasonable cause to believe that a violation of any of the provisions of this Chapter may have occurred, the Department may, upon its own motion or upon complaint of any person, investigate any operator to determine whether a violation has occurred.

§ 78E-8. Confidential information.

Reports, data, or documents submitted to the Department pursuant to the audit requirements of this Chapter and records submitted to the Department as part of an application for registration or renewal that contain information about the character or financial responsibility of the operator or its principal stockholders are confidential and shall not be considered public records within the meaning of Chapter 132 of the General Statutes.

§ 78E-9. Fantasy contests not considered gambling.
Fantasy contests conducted pursuant to this Chapter do not constitute gambling, lotteries, gaming, or any activity or enterprise subject to or prohibited by Chapter 14, 16, or 19 of the General Statutes, or any other provision of law. The award of prize money for any fantasy contest shall not be deemed to be part of any gaming contract prohibited pursuant to Chapter 16 of the General Statutes.

"§ 78E-10. Operator control of contests.
Nothing in this Chapter shall be construed to limit the ability of an operator to control or conduct its contests or to provide a uniform gameplay platform for players in multiple jurisdictions."
