 51 doing business in this ~~State.~~ State for the privilege of doing business in this State and for the

1 continuance of articles of incorporation or domestication of each corporation in this State. The
 2 tax is determined on the basis of the books and records of the corporation as of the close of its
 3 income year. A corporation subject to the tax must file a return under affirmation with the
 4 Secretary at the place and in the manner prescribed by the Secretary. The return must be signed
 5 by the president, vice-president, treasurer, or chief financial officer of the corporation. The
 6 return is due on or before the fifteenth day of the fourth month following the end of the
 7 corporation's income year.

8 ...

9 (d) ~~Tax Base and Tax Rate.—After determining the Base. — A corporation's tax base is~~
 10 the greater of the following:

11 (1) ~~The proportion of its net worth as set out in subsection (c1) of this section,~~
 12 ~~which amount shall not be less than fifty-five percent (55%) section.~~

 20 every corporation taxed under this section shall annually pay to the Secretary

 28 valuation for the calendar year next preceding the due date of the franchise
 29 tax return. The term "total State. For purposes of this subdivision, the total
 30 actual investment in tangible property" as used in this section means
 31 property in this State is the total original purchase price or consideration to

45 **SECTION 2.4.** Section 2.1 of this act becomes effective for taxable years
 46 beginning on or after January 1, 2018. Section 2.2 of this act becomes effective for taxable
 47 years beginning on or after January 1, 2019. Section 2.3 of this act becomes effective for

1 **SECTION 3.1.** G.S. 105-130.4 reads as rewritten:

2 "**§ 105-130.4. Allocation and apportionment of income for corporations.**

3 ...
4 (1) ~~The Sales Factor.~~ – The sales factor is a fraction, the numerator of which is the
5 total sales of the corporation in this State during the income year, and the denominator of which
6 is the total sales of the corporation everywhere during the income year. Notwithstanding any
7 other provision under this Part, the receipts from any casual sale of property shall be excluded
8 from both the numerator and the denominator of the sales factor. Where a corporation is not
9 taxable in another state on its apportionable income but is taxable in another state only because
10 of nonapportionable income, all sales shall be treated as having been made in this State.

11 Receipts are in this State if the taxpayer's market for the receipts is in this State. If the
12 market for a receipt cannot be determined, the state or states of assignment shall be reasonably
13 approximated. In a case in which a taxpayer cannot ascertain the state or states to which
14 receipts of a sale are to be assigned through the use of a method of reasonable approximation,
15 the receipts must be excluded from the denominator of a taxpayer's sales factor. Except as
16 otherwise provided by this section, a taxpayer's market for receipts is in this State as provided
17 below:

- 18 (1) In the case of sale, rental, lease, or license of real property, if and to the
19 extent the property is located in this State.
- 20 (2) ~~Sales of tangible personal property are in this State if the property is~~
21 ~~received in this State by the purchaser. In the case of delivery of goods by~~
22 ~~common carrier or by other means of transportation, including transportation~~
23 ~~by the purchaser, the place at which the goods are ultimately received after~~
24 ~~all transportation has been completed shall be considered as the place at~~
25 ~~which the goods are received by the purchaser. Direct delivery into this State~~
26 ~~by the taxpayer to a person or firm designated by a purchaser from within or~~
27 ~~without the State shall constitute delivery to the purchaser in this State. In the~~
28 ~~case of rental, lease, or license of tangible personal property, if and to the~~
29 ~~extent the property is located in this State.~~
- 30 (3) ~~Other sales are in this State if:~~In the case of sale of tangible personal
31 property, if and to the extent the property is received in this State by the
32 purchaser. In the case of delivery of goods by common carrier or by other
33 means of transportation, including transportation by the purchaser, the place
34 at which the goods are ultimately received after all transportation has been
35 completed is considered the place at which the goods are received by the
36 purchaser. Direct delivery into this State by the taxpayer to a person or firm
37 designated by a purchaser from within or without the State constitutes
38 delivery to the purchaser in this State.
- 39 a. ~~The receipts are from real or tangible personal property located in~~
40 ~~this State; or~~
- 41 b. ~~The receipts are from intangible property and are received from~~
42 ~~sources within this State; or~~
- 43 e. ~~The receipts are from services and the income-producing activities~~
44 ~~are in this State.~~
- 45 (4) In the case of sale of a service, if and to the extent the service is delivered to
46 a location in this State.
- 47 (5) In the case of intangible property that is rented, leased, or licensed, if and to
48 the extent the property is used in this State. Intangible property utilized in
49 marketing a good or service to a consumer is "used in this State" if that good
50 or service is purchased by a consumer who is in this State.

1 (6) In the case of intangible property that is sold, if and to the extent the
2 property is used in this State. A contract right, government license, or similar
3 intangible property that authorized the holder to conduct a business activity
4 in a specific geographic area is "used in this State" if the geographic area
5 includes all or part of this State. Receipts from a sale of intangible property
6 that is contingent on the productivity, use, or disposition of the intangible
7 property shall be treated as receipts from the rental, lease, or licensing of the
8 intangible property as provided under subdivision (5) of this subsection. All
9 other receipts from a sale of intangible property shall be excluded from the
10 numerator and denominator of the sales factor.

11 (11) Banks. – A bank's market for receipts is in this State as provided in
12 G.S. 105-130.4A. For purposes of this section, the term "bank" has the same meaning as
13 defined in G.S. 105-130.4A.

14 "

15 **SECTION 3.2.** Part 1 of Article 4 of Chapter 105 of the General Statutes is

6 (11) Payor. – The person who is legally responsible for making payment to the
7 taxpayer.

8 (12) Real property owned. – Real property (i) on which the taxpayer may claim
9 depreciation for federal income tax purposes or (ii) to which the taxpayer

12 income tax. Real property does not include coin, currency, or property
13 acquired in lieu of or pursuant to a foreclosure.

14 (13) Syndication. – An extension of credit in which two or more persons fund,

27 vessels, motor vehicles, rolling stock, barges, and trailers.

28 (b) General Rule. – The receipts factor of a bank is a fraction, the numerator of which is
29 the total receipts of the taxpayer in this State during the income year, and the denominator of
30 which is the total receipts of the taxpayer everywhere during the income year. The method of
31 calculating receipts for purposes of the denominator is the same as the method used in
32 determining receipts for purposes of the numerator. The receipts factor includes only those
33 receipts described herein that are apportionable income for the taxable year. Notwithstanding
34 any other provision under this Part, the receipts from the following are excluded from both the
35 numerator and the denominator of the receipts factor:

36 (1) Receipts from a casual sale of property.

37 (2) Receipts exempt from taxation.

38 (3) The portion of receipts realized from the sale or maturity of securities or
39 other obligations that represents a return of principal.

40 (4) Receipts in the nature of dividends subtracted under G.S. 105-130.5(b)(3a)
41 and (3b) and dividends excluded for federal tax purposes.

46 receipts factor includes receipts from the sale, lease, or rental of real property owned by the
47 taxpayer if the property is located within this State or receipts from the sublease of real
48 property if the property is located within this State.

49 (d) Receipts From the Sale, Lease, or Rental of Tangible Personal Property. – The
50 method for calculating receipts from the sale, lease, or rental of tangible personal property is as
51 follows:

1 (1) Tangible personal property. – Except as provided in subdivision (2) of this
2 subsection, the numerator of the receipts factor includes receipts from the
3 sale, lease, or rental of tangible personal property owned by the taxpayer if
4 the property is located within this State when it is first placed in service by
5 the lessee.

6 (2) Transportation property. – Receipts from the lease or rental of transportation
7 property owned by the taxpayer are included in the numerator of the receipts
8 factor to the extent that the property is used in this State. The extent an
9 aircraft will be deemed to be used in this State and the amount of receipts
10 that is to be included in the numerator of this State's receipts factor is
11 determined by multiplying all the receipts from the lease or rental of the
12 aircraft by a fraction, the numerator of which is the number of landings of
13 the aircraft in this State and the denominator of which is the total number of
14 landings of the aircraft. If the extent of the use of any transportation property
15 within this State cannot be determined, then the property will be deemed to
16 be used wholly in the state in which the property has its principal base of
17 operations. A motor vehicle will be deemed to be used wholly in the state in
18 which it is registered.

19 (e) Interest, Fees, and Penalties From Loans Secured by Real Property. – The
20 numerator of the receipts factor includes interest, fees, and penalties from loans secured by real
21 property if the property is located within this State. If the property is located both within this
22 State and one or more other states, the receipts described in this subsection are included in the
23 numerator of the receipts factor if more than fifty percent (50%) of the fair market value of the
24 real property is located within this State. If more than fifty percent (50%) of the fair market
25 value of the real property is not located within any one state, then the receipts described in this
26 subsection are included in the numerator of the receipts factor if the borrower is located in this
27 State. The determination of whether the real property securing a loan is located within this State
28 is made as of the time the original agreement was made, and any and all subsequent
29 substitutions of collateral are disregarded.

30 (f) Interest, Fees, and Penalties From Loans Not Secured by Real Property. – The
31 numerator of the receipts factor includes interest, fees, and penalties from loans not secured by
32 real property if the borrower is located in this State.

33 (g) Net Gains From the Sale of Loans. – The numerator of the receipts factor includes
34 net gains from the sale of loans. Net gains from the sale of loans include income recorded under
35 the coupon stripping rules of section 1286 of the Code. The amount of net gains from the sale
36 of loans that is included in the numerator is determined as follows:

37 (1) Secured by real property. – The amount of net gains, but not less than zero,
38 from the sale of loans secured by real property is determined by multiplying
39 the net gains by a fraction, the numerator of which is the amount included in
40 the numerator of the receipts factor pursuant to subsection (e) of this section,
41 and the denominator of which is the total amount of interest, fees, and
42 penalties from loans secured by real property.

43 (2) Not secured by real property. – The amount of net gains, but not less than
44 zero, from the sale of loans not secured by real property is determined by
45 multiplying the net gains by a fraction, the numerator of which is the amount
46 included in the numerator of the receipts factor pursuant to subsection (f) of
47 this section, and the denominator of which is the total amount of interest,
48 fees, and penalties from loans not secured by real property.

49 (h) Receipts From Interest, Fees, and Penalties From Card Holders. – The numerator of
50 the receipts factor includes interest, fees, and penalties charged to credit, debit, or similar card
51 holders, including annual fees and overdraft fees, if the card holder is located in this State.

1 (i) Receipts From ATM Fees. – The numerator of the receipts factor includes receipts
2 from fees from the use of an ATM owned or rented by the taxpayer, if the ATM is located in
3 this State. The receipts factor includes all ATM fees that are not forwarded directly to another
4 bank. Receipts from ATM fees that are not sourced under this subsection are sourced pursuant
5 to subsection (l) of this section.

6 (j) Net Gains From the Sale of Credit Card Receivables. – The numerator of the
7 receipts factor includes net gains, but not less than zero, from the sale of credit card receivables
8 multiplied by a fraction, the numerator of which is the amount included in the numerator of the
9 receipts factor pursuant to subsection (h) of this section, and the denominator of which is the
10 taxpayer's total amount of interest, fees, and penalties charged to card holders.

11 (k) Miscellaneous Receipts. – The numerator of the receipts factor includes all of the
12 following:

13 (1) Card issuer's reimbursement fees. – Receipts from card issuer's
14 reimbursement fees if the payor is located in this State.

15 (2) Receipts from merchant's discount. – Receipts from a merchant discount if
16 the payor is located in this State.

17 (3) Loan servicing fees. – Receipts from loan servicing fees if the payor is
