A BILL TO BE ENTITLED
AN ACT PROVIDING PAID SICK LEAVE IN RESPONSE TO THE COVID-19 OUTBREAK

The General Assembly of North Carolina enacts:

SECTION 1. Findings. – The General Assembly finds the following:

(1) COVID-19 was declared a pandemic by the World Health Organization on March 11, 2020.

(2) The United States Secretary of Health and Human Services declared a public health emergency on January 31, 2020. On March 13, 2020, the President of the United States found that the COVID-19 outbreak in the United States constitutes a national emergency, beginning March 1, 2020.

(3) Governor Roy Cooper issued Executive Order No. 116 on March 10, 2020, to declare a state of emergency, and subsequently issued various other executive orders in response to the COVID-19 outbreak.

(4) Coronavirus is an easily communicable disease. Experts at the World Health Organization and the United States Centers for Disease Control and Prevention recommend that exposed persons observe a 14-day period of isolation or quarantine to prevent exposing others.

(5) In an effort to prevent the spread of the disease and respond to the outbreak, the Families First Coronavirus Response Act became federal law on March 18, 2020.

(6) The Families First Coronavirus Response Act, Public Law 116-127, requires some employers to provide 80 hours of paid sick leave to full-time employees and the equivalent of the typical number of hours worked in a two-week period for part-time employees for the following reasons:

a. The employee is subject to a federal, State, or local quarantine or isolation order related to COVID-19.

b. The employee has been advised by a health care provider to self-quarantine due to concerns related to COVID-19.

c. The employee is experiencing symptoms of COVID-19 and seeking a medical diagnosis.

d. The employee is caring for an individual who is subject to an order as described in sub-subdivision a. of this subdivision or has been advised as described in sub-subdivision b. of this subdivision.

e. The employee is caring for a son or daughter of the employee if the school or place of care of the son or daughter has been closed, or the
child care provider of such son or daughter is unavailable, due to COVID-19 precautions.

f. The employee is experiencing any other substantially similar condition specified by the United States Secretary of Health and Human Services in consultation with the United States Secretary of the Treasury and the United States Secretary of Labor.

(7) The Families First Coronavirus Response Act exempts certain workers from COVID-19 paid sick days, specifically health care providers, first responders, and employees at businesses with more than 500 employees in the United States.

(8) Exceptions to the COVID-19 paid sick days put our communities at risk of further spreading the COVID-19 virus.

rights under this act.

SECTION 5.1. Construction. – No provision of this act, or any regulations
promulgated to implement or enforce this act, shall be construed as:
