SECTION 2. The North Carolina Housing Finance Agency shall provide assistance
in the form of zero-interest loans made to eligible landlords experiencing economic hardship
caused by the COVID-19 pandemic. The following shall apply to all loans made by the Agency
pursuant to this act:
(1) The loan shall have an interest rate of zero percent (0%).
(2) The term of the loan shall not exceed 66 months.
(3) An eligible landlord shall certify in writing that the landlord will use a loan
    provided under the program for employee compensation, mortgage, rent,
    utilities, and other operating costs and expenses incurred in this State.
(4) An eligible landlord may only apply for one loan under this program.
Only one individual per household may apply for a loan under this program. A spouse of a landlord may be listed on the same application as the landlord, but may not submit a separate application.

A loan provided by the Agency is limited to no more than five thousand dollars ($5,000) per eligible landlord.

Upon the occurrence of a triggering event, repayment of the loan shall commence.

The Agency shall prioritize lending to eligible landlords that can document that current tenants are (i) student tenants currently enrolled in an accredited academic program who are displaced or (ii) individuals unable to pay rent as a result of the COVID-19 pandemic.

Loans are made pursuant to an agreement with an eligible landlord that includes at least all of the following:

a. A provision requiring an eligible landlord to certify in writing that the landlord will use a loan provided under the program for employee compensation, mortgage, rent, utilities, and other operating costs and expenses incurred in this State.

b. A provision establishing the method for determining compliance with the program.

c. A provision requiring the eligible landlord to first repay the loan amount with any federal or State assistance received by the landlord that represents a duplication of benefits; provided that, the repayment does not disqualify or impair the federal or State assistance available to the landlord.

d. A provision requiring the loan to be secured through a security instrument.

e. A provision requiring the eligible landlord to comply with the following:
   1. Unless good cause exists to terminate under the terms of the lease agreement, a current lease agreement entered into by the landlord with a tenant shall renew on at least a month-to-month basis, subject to the consent of the listed tenants, if the terms of that lease agreement would cause it to expire during any portion of the State of Emergency.
   2. The landlord may not increase the rent charged to any tenant during any portion of the State of Emergency.
   3. The landlord must waive any late fees or other charges to a tenant that the landlord may be entitled to under a lease agreement with that tenant for or during any portion of the State of Emergency.
   4. The landlord must forgive or defer rents due and payable by all tenants that are unable to pay during any portion of the State of Emergency. A deferral of rents by the landlord must be established using a reasonable, long-term payment plan with a tenant.

f. A provision requiring recapture of loan funds if the eligible landlord fails to comply with the requirements of the program. The Agency shall recapture loan funds only if the Agency determines there is a reasonable expectation that the recovery of funds will exceed the cost of recovery.
The awarding of new loans using State funds appropriated in this act shall cease upon the date the State of Emergency ends.

SECTION 3.(a) There is appropriated from the General Fund to the North Carolina Housing Finance Agency the sum of three million dollars ($3,000,000) in nonrecurring funds for the 2019-2020 fiscal year to be used for the loan program outlined in this act.

SECTION 3.(b) In the event that federal dollars are received by the Housing Finance Agency that may be used for the purposes set forth in this act, the Agency shall exhaust the federal funds before using any State funds.

SECTION 4. The North Carolina Housing Finance Agency shall submit a quarterly report to the Joint Legislative Oversight Committee on General Government and the Fiscal Research Division that details at least all of the following:

2. The geographic portions of the State where loans have been issued.
3. Loan repayment amounts received.
4. The number of defaulted loans, loans with triggering events, and loans where funds have been recaptured.
