SECTION 1.(b) For an election held in 2020, notwithstanding G.S. 163-42(b), in making appointments of the precinct assistants for each precinct in a county, the county board of elections shall ensure that at least one precinct assistant is a registered voter of the precinct, but may appoint registered voters from other precincts of the same county as precinct assistants for the remaining positions if there are an insufficient number of precinct assistants who reside within the precinct to fill all positions for the precinct, provided that the registered voter meets all qualifications to be a precinct assistant other than residence. For an election held in 2020, notwithstanding G.S. 163-41(c), the county board of elections shall ensure that at least one position of chief judge or judge is a registered voter of the precinct, but may appoint a registered voter from other precincts of the same county to fill the other two positions of chief judge or judge in a precinct, provided that the registered voter meets all other qualifications to be a chief judge or judge other than residence.

SECTION 1.(c) For an election held in 2020, any individual working as part of a multipartisan team trained and authorized by the county board of elections pursuant to G.S. 163-226.3 may assist any voter in the completion of a request form for absentee ballots or in delivering a completed request form for absentee ballots to the county board of elections and may serve as a witness for the casting of absentee ballots.

SECTION 1.(d) Section 1(a) and Section 1(c) of this section become effective July 1, 2020, and expire December 31, 2020. The remainder of this section is effective when it becomes law and expires December 31, 2020.

SECTION 2.(a) For an election held in 2020, notwithstanding G.S. 163-230.2, a completed written request for absentee ballots may be delivered either in person or by mail, e-mail, or fax, to the county board of elections by the voter, the voter's near relative or verifiable legal guardian, or any individual working as part of a multipartisan team trained and authorized by the county board of elections pursuant to G.S. 163-226.3. If the team consists of more than two members, voters who are unaffiliated or affiliated with other political parties recognized by the State may be team members. If a county board of elections finds an insufficient number of voters available to meet this requirement, the county board of elections, upon a unanimous vote of all of its sworn members, may appoint an unaffiliated team member to serve instead of a team member representing one of the two political parties having the highest number of affiliated voters in the State."

SECTION 2.5.(b) This section is effective when it becomes law and applies to appointments to a multipartisan team on or after that date.
