A BILL TO BE ENTITLED
AN ACT TO EXEMPT FINANCE, BUSINESS OFFICE, AND AUDITOR PROFESSIONALS FROM MOST PROVISIONS OF THE NORTH CAROLINA HUMAN RESOURCES ACT, TO CONSOLIDATE AND ELIMINATE CERTAIN REPORTS, TO MAKE CHANGES FOR IN-STATE TUITION FOR VETERANS TO COMPLY WITH FEDERAL LAW, AND TO CODIFY CAPITAL PROJECT REPORTING REQUIREMENTS.

The General Assembly of North Carolina enacts:

PART I. EXEMPT UNC FINANCE PROFESSIONALS, BUSINESS OFFICE PROFESSIONALS, AND AUDITOR PROFESSIONALS FROM MOST PROVISIONS OF THE NORTH CAROLINA HUMAN RESOURCES ACT

SECTION 1. G.S. 126-5(c1) reads as rewritten:
"(c1) Except as to the provisions of Articles 6 and 7 of this Chapter, the provisions of this Chapter shall not apply to:

…

(8) Instructional and research staff, finance professionals, business office professionals, auditor professionals, information technology professionals, physicians, and dentists of The University of North Carolina, including the faculty of the North Carolina School of Science and Mathematics.

…"

PART II. UNC REPORT MODIFICATIONS/ELIMINATIONS

ELIMINATE REPORT ON MEDICAL SCHOOL PLANS FOR RESIDENTS ENTERING PRIMARY CARE DISCIPLINES/MODIFY DATE OF GRADUATE REPORT

SECTION 2.1. G.S. 143-613 reads as rewritten:
"§ 143-613. Medical education; primary care physicians and other providers.
(a) In recognition of North Carolina's need for primary care physicians, Bowman Gray School of Medicine and Duke University School of Medicine shall each prepare a plan with the goal of encouraging North Carolina residents to enter the primary care disciplines of general internal medicine, general pediatrics, family medicine, obstetrics/gynecology, and combined medicine/pediatrics and to strive to have at least fifty percent (50%) of North Carolina residents graduating from each school entering these disciplines. These schools of medicine shall present their plans to the Board of Governors of The University of North Carolina by April 15, 1996, and shall update and present their plans every two years thereafter. The Board of Governors shall
report to the Joint Legislative Education Oversight Committee by May 15, 1996, and every two years thereafter on the status of these efforts to strengthen primary health care in North Carolina.

(b) The Board of Governors of The University of North Carolina shall set goals for the Schools of Medicine at the University of North Carolina at Chapel Hill and the School of Medicine at East Carolina University for increasing the percentage of graduates who enter residencies and careers in primary care. A minimum goal should be at least sixty percent (60%) of graduates entering primary care disciplines. Each school shall submit a plan with strategies to reach these goals of increasing the number of graduates entering primary care disciplines to the Board by April 15, 1996, and shall update and present the plans every two years thereafter. The Board of Governors shall report to the Joint Legislative Education Oversight Committee by May 15, 1996, and every two years thereafter on the status of these efforts to strengthen primary health care in North Carolina.

Primary care shall include the disciplines of family medicine, general pediatric medicine, general internal medicine, internal medicine/pediatrics, and obstetrics/gynecology.

(b1) The Board of Governors of The University of North Carolina shall set goals for State-operated health professional schools that offer training programs for licensure or certification of physician assistants, nurse practitioners, and nurse midwives for increasing the percentage of the graduates of those programs who enter clinical programs and careers in primary care. Each State-operated health professional school shall submit a plan with strategies for increasing the percentage to the Board by April 15, 1996, and shall update and present the plans every two years thereafter. The Board of Governors shall report to the Joint Legislative Education Oversight Committee by May 15, 1996, and every two years thereafter on the status of these efforts to strengthen primary health care in North Carolina.

(c) The Board of Governors of The University of North Carolina shall further initiate whatever changes are necessary on admissions, advising, curriculum, and other policies for State-operated medical schools and State-operated health professional schools to ensure that larger proportions of students seek residencies and clinical training in primary care disciplines. The Board shall work with the Area Health Education Centers and other entities, adopting whatever policies it considers necessary to ensure that residency and clinical training programs have sufficient residency and clinical positions for graduates in these primary care specialties. As used in this subsection, health professional schools are those schools or institutions that offer training for licensure or certification of physician assistants, nurse practitioners, and nurse midwives.

(d) The progress of the private and State-operated medical schools and State-operated health professional schools towards increasing the number and proportion of graduates entering primary care shall be monitored annually by the Board of Governors of The University of North Carolina. Monitoring data shall include (i) the entry of State-supported graduates into primary care residencies and clinical training programs, and (ii) the specialty practices by a physician and each midlevel provider who were State-supported graduates as of a date five years after graduation. The Board of Governors shall certify data on graduates, their residencies and clinical training programs, and subsequent careers by November 15 of each calendar year, beginning in November of 2012, to the Fiscal Research Division of the Legislative Services Office and to the Joint Legislative Education Oversight Committee.

(e) The information provided in subsection (d) of this section shall be made available to the Appropriations Committees of the General Assembly for their use in future funding decisions on medical and health professional education.

EXEMPT UNC FROM REPORT ON GOVERNMENT FEES

SECTION 2.2.(a) G.S. 143C-9-4 reads as rewritten:

SECTION 4. Article 8 of Chapter 143C of the General Statutes is amended by adding the following new section to read:

"§ 143C-8-14. Capital project reporting.

(a) Definitions. – The following definitions apply in this section:

(1) Capital project. – Any capital improvement, as that term is defined in G.S. 143C-1-1, that is (i) funded in whole or in part with State funds, including receipts, non–General Fund sources, or statutorily or constitutionally authorized indebtedness of any kind, (ii) not complete, and (iii) authorized by the General Assembly for a total project cost of at least ten million dollars ($10,000,000)."
(2) Construction phase. – The status of a particular capital project as described using the terms customarily employed in the design and construction industries.

(b) Reporting. – The following reports on capital projects are required:

(1) By October 1 and April 1 of each year, the following reports shall be submitted to the Joint Legislative Oversight Committee on Capital Improvements and the Fiscal Research Division:
   a. The Office of State Budget and Management shall report on the status of capital projects funded from the State Capital and Infrastructure Fund or other State funds.
   b. Each State agency shall report on the status of agency capital projects funded from non-State funds.

(2) Beginning January 1, and quarterly thereafter, each State agency shall report on the status of agency capital projects to the Office of State Budget and Management.

(c) Report Contents. – The reports required by subsection (b) of this section shall include at least the following information about every agency capital project:

   (1) The current construction phase of the project.
   (2) The anticipated time line from the current construction phase to project completion.
   (3) Information about expenditures that have been made in connection with the project, regardless of source of the funds expended.
   (4) Information about the adequacy of funding to complete the project, including estimates of how final expenditures will relate to initial estimates of expenditures, and whether or not scope reductions will be necessary in order to complete the project within its budget.
   (5) For capital projects authorized within the most recent fiscal year only, an estimate of the operating costs for the project for the first five fiscal years of its operation.

(d) Additional Requirements. – In addition to the other reports required by this section, the State Construction Office shall submit a report on April 1 of each year to the Joint Legislative Oversight Committee on Capital Improvements and the Fiscal Research Division that contains the following:

   (1) The status of the Facilities Condition Assessment Program (FCAP), including (i) summary information about the average length of time that passes between FCAP assessments for an average State building, (ii) detailed information about when the last FCAP assessment was for each State building complex, and (iii) detailed information about the condition and repairs and renovations needs of each State building complex.
   (2) The status of plan review, approval, and permitting for each State capital improvement project and community college capital improvement project over which the Office exercises plan review, approval, and permitting authority, including (i) summary information about the workload of the Office during the previous quarter, including information about the average length of time spent by the State Construction Office on each major function it performs that is related to capital project approval, and (ii) detailed information about the amount of time spent engaged in those functions for each project that the State Construction Office worked on during the previous quarter.

PART V. EFFECTIVE DATE
SECTION 5. This act is effective when it becomes law. Section 4 applies to capital
projects authorized before, on, or after that date.
