A BILL TO BE ENTITLED
AN ACT TO ESTABLISH SCHOOL EXTENSION LEARNING RECOVERY AND
ENRICHMENT PROGRAMS IN EACH LOCAL SCHOOL ADMINISTRATIVE UNIT
TO MITIGATE THE IMPACTS OF COVID-19 ON AT-RISK STUDENTS AND TO
REQUIRE THE IMPLEMENTATION OF INNOVATIVE BENCHMARK
ASSESSMENTS.

The General Assembly of North Carolina enacts:

PART I. SCHOOL EXTENSION LEARNING RECOVERY AND ENRICHMENT
PROGRAMS

SECTION 1.1. Program Established; Purpose. – Notwithstanding Part 3 of Article
16 of Chapter 115C of the General Statutes or any other provision of law, following the end of
the 2020-2021 school year, within funds available, including federal funds received by a local
school administrative unit for the purpose of responding to the impacts of the coronavirus disease
2019 (COVID-19), each local school administrative unit shall offer a six-week school extension
learning recovery and enrichment program (program) outside of the instructional school
calendar. The purpose of the program shall be to provide in-person instruction on specific
subjects, as well as offer additional enrichment activities, to students in kindergarten through
grade 12 to address learning losses and negative impacts students have experienced due to
COVID-19 during the 2020-2021 school year. Each local school administrative unit shall identify
and prioritize at-risk students, consistent with G.S. 115C-105.41(a), for participation in the
program. Students who are not identified as at-risk under G.S. 115C-105.41(a) may also
participate in a program within space available.

SECTION 1.2. Program Plan; Requirements. – Each local school administrative unit
shall develop and submit a plan for its program that meets the requirements of this act to the
Department of Public Instruction no later than 30 days prior to the final instructional day of the
2020-2021 school year. The Department shall notify the local school administrative unit of any
necessary changes and approve the program plan with those changes within 21 days of receiving
the plan from a local school administrative unit. A charter school is also encouraged to submit a
plan that meets the requirements of this section depending on the grade levels served by the
school to offer a program consistent with this act. The plan shall include at least the following as
components of the program:

(1) Instruction shall be delivered for at least five hours a day, which shall not
include the time for lunch service, transition periods, and the physical activity
period as required by this section. The program shall be offered five days per week for a six-week period.

(2) Lunch service for each instructional day.

(3) A period of physical activity during the instructional day.

(4) Grade level course offerings and activities in the following:
   a. For students in kindergarten through third grade, in-person instruction in the following:
      1. Reading and math, in addition to science instruction for third grade students.
      2. Integration of the local school administrative unit’s reading camp, as defined in G.S. 115C-83.3(4a), into the program.
      3. At least one enrichment activity. The local school administrative unit shall have discretion in the type of enrichment activity offered, such as a sports, music, or arts program.
   b. For students in fourth through eighth grade, in-person instruction in the following:
      1. Reading, math, and science.
      2. At least one enrichment activity. The local school administrative unit shall have discretion in the type of enrichment activity offered, such as a sports, music, or arts program.
   c. For high school students:
      1. In-person instruction in end-of-course subjects.
      2. Access to modules and teacher support for credit recovery courses necessary to meet graduation requirements.
      3. In-person instruction for an elective course.

(5) Transportation between a student's residence and the school facility housing the program.

(6) Voluntary participation by at-risk students in the program. Each local school administrative unit shall notify parents of students identified as at-risk, pursuant to G.S. 115C-105.41(a), and the student's eligibility for participation in the program. Parents of students who qualify for the program shall make the final decision regarding student attendance at the program. However, for students who do attend the program the following shall apply:
   a. Kindergarten students who participate in the program shall be exempt from retention for the 2021-2022 school year. At the end of the program, if necessary, a supplemental support plan shall be developed for the student for promotion to the first grade.
   b. For all other students who are at-risk of grade retention for the 2021-2022 school year, the student's principal shall reassess the student's promotion eligibility upon completion of the program.

(7) Opportunity for additional students to participate, within the space available, after students are prioritized for attendance in the program under subdivision (6) of this section. The local school administrative unit shall establish any criteria for prioritizing additional students participating in the program.

(8) Outreach to families and students to increase participation in the program by not only addressing learning losses, but by offering a fun, positive environment with enrichment activities to counteract the negative impacts from COVID-19 on student social interactions and development.
SECTION 1.3. Applicable Exceptions for Program Operations. – For each local school administrative unit operating the program, the following shall apply:

(1) Employment of school personnel. – Notwithstanding Articles 19, 20, 21, and Part 3 of Article 22 of Chapter 115C of the General Statutes, a local board of education shall employ teachers and other school personnel as temporary employees on a contract basis for the six-week period of the program. School personnel employed as temporary employees by a local board of education pursuant to this act shall not be considered an "employee" as defined in G.S. 135-1(10) or a "teacher" as defined in G.S. 135-1(25), nor shall it cause school personnel to be considered an "employee or State employee" under G.S. 135-48.1(10). In addition, school personnel shall not be deemed as earning "compensation" as defined in G.S. 135-1(7a) and shall not be eligible to accrue paid leave during their temporary employment.

(2) K-3 class size. – Notwithstanding G.S. 115C-301(c) or any other provision of law, limitations on teacher-to-student class size ratios for kindergarten through third grade shall not apply to classes offered though the local school administrative unit's program.

SECTION 1.4. Use of Reading Camp Funds. – Notwithstanding G.S. 115C-105.25(b)(10) and any other provision of law, local school administrative units may use funds allocated to the units for reading camps for the 2021-2022 fiscal year to also support the operation of a school extension learning recovery and enrichment program pursuant to this act.

SECTION 1.5. Report. – By October 15, 2021, the Department of Public Instruction shall report to the Joint Legislative Education Oversight Committee on the implementation of this act. The Department shall submit with its report a copy of each program plan submitted to the Department and shall include any other data deemed by the Department to be useful to the Joint Legislative Education Oversight Committee in evaluating the delivery of programs.

PART II. INNOVATIVE BENCHMARK ASSESSMENTS

SECTION 2. Benchmark Assessments. – Part 4 of Article 10A of Chapter 115C of the General Statutes is amended by adding a new section to read:

"§ 115C-174.23. Benchmark assessments.

Within funds available, the State Board of Education shall provide for and require local school administrative units to implement innovative benchmark assessments in certain grades and core subject areas to allow teachers to more frequently measure student learning and address student learning loss throughout the school year. An innovative benchmark assessment shall provide for educator flexibility, assessments aligned with the standard course of study, and actionable data for teachers, schools, and local school administrative units."

PART III. EFFECTIVE DATE

SECTION 3. Effective Date. – Section 1.4 of this act becomes effective July 1, 2021. The remainder of this act becomes effective when the act becomes law. Section 2 of this act applies beginning with the 2021-2022 school year.
