(b) Absence for Sickness or Physical Disability. – Notwithstanding the provisions of subsection (a) of this section, if a voter expects to be unable to go to the voting place to vote in person on election day because of that voter's sickness or other physical disability, that voter or that voter's near relative or verifiable legal guardian may make the request for absentee ballots in person to the board of elections of the county in which the voter is registered after 5:00 p.m. on the second Tuesday before the election but not later than 5:00 p.m. on the day before the election. The county board of elections shall treat that completed request form in the same manner as a request under subsection (a) of this section but may personally deliver the application and ballots to the voter or that voter's near relative or verifiable legal guardian, and shall enter in the register of absentee requests, applications, and ballots issued the information required in G.S. 163-228 as soon as each item of that information becomes available. The county board of elections shall personally deliver to the requester in a single package:

The list shall be supplemented with new information each business day following the day of the election until the deadline for receipt of such absentee ballots. At the end of the list, the chairman shall execute the following certificate under oath:

SECTION 6.  G.S. 163-234 reads as rewritten:

All absentee ballots returned to the county board of elections in the container-return
envelopes shall be retained by the board to be counted by the county board of elections as follows:

1. Only those absentee ballots returned to the county board of elections no later
   than 5:00 p.m. on the day before election day in a properly executed
   container-return envelope or absentee ballots received pursuant to
   G.S. 163-231(b)(2)b. or c. G.S. 163-231(b)(2)c. shall be counted, except to
   the extent federal law requires otherwise.

2. The county board of elections shall meet at 5:00 p.m. on election day in the
   board office or other public location in the county courthouse for the purpose
   of counting all absentee ballots except those which have been challenged
   before 5:00 p.m. on election day and those received pursuant to
   G.S. 163-231(b)(2)b. or c. G.S. 163-231(b)(2)c. Any elector of the county
   shall be permitted to attend the meeting and allowed to observe the counting
   process, so long as the elector does not in any manner interfere with the
   election officials in the discharge of their duties.

The county board of elections may begin counting absentee ballots issued
under Article 21A of this Chapter between the hours of 9:00 a.m. and 5:00
p.m. and may begin counting all absentee ballots between the hours of 2:00
p.m. and 5:00 p.m. upon the adoption of a resolution at least two weeks prior
the election in which the hour and place of counting absentee ballots shall
be stated. The resolution also may provide for an additional meeting following
the day of the election and prior to the day of canvass to count absentee ballots
received pursuant to G.S. 163-231(b)(2)b. or c. G.S. 163-231(b)(2)c. as
provided in subdivision (11) of this section. A copy of the resolution shall be
published once a week for two weeks prior to the election, in a newspaper
having general circulation in the county. Notice may additionally be made on
a radio or television station or both, but the notice shall be in addition to the
newspaper and other required notice. The count shall be continuous until
completed and the members shall not separate or leave the counting place
except for unavoidable necessity, except that if the count has been completed
prior to the time the polls close, it shall be suspended until that time pending
receipt of any additional ballots. Nothing in this section prohibits a county
board of elections from taking preparatory steps for the count earlier than the
times specified in this section, as long as the preparatory steps do not reveal
to any individual not engaged in the actual count election results before the
times specified in this subdivision for the count to begin. By way of
illuminating and not limitation, a preparatory step for the count would be the entry of tally cards from direct record electronic voting units into a computer for processing. The board shall not announce the result of the count before 7:30 p.m.

(11) The county board of elections shall meet after election day and prior to the date of canvass to determine whether the container-return envelopes for absentee ballots received pursuant to G.S. 163-231(b)(2)b. or c. G.S. 163-231(b)(2)c. have been properly executed. The county board of elections shall comply with the requirements of G.S. 163-230.1 for approval of applications. Any absentee ballots received pursuant to G.S. 163-231(b)(2)b. or c. G.S. 163-231(b)(2)c. shall be counted by the county board of elections on the day of canvass. The county board of elections may also meet following the day of the election and prior to the day of canvass to count absentee ballots received pursuant to G.S. 163-231(b)(2)b. or c. G.S. 163-231(b)(2)c. upon the adoption of a resolution pursuant to subdivision (2) of this section. The county board of elections shall comply with all other requirements of this section for the counting of these absentee ballots.

SECTION 7. There is appropriated from the General Fund to the State Board of Elections the sum of five million dollars ($5,000,000) in nonrecurring funds for the 2021-2022 fiscal year to establish a program to identify individuals in this State who need photo identification to vote in person. The program shall include a mobile component to visit voters identified as needing photo identification to ensure photo identification is created for those voters.

SECTION 8. Section 7 of this act becomes effective July 1, 2022. The remainder of this act is effective when it becomes law and applies to elections held on or after that date.
