Disaster Recovery Appropriation

Commerce appropriated **\$10 million** through the Disaster Recovery Act of 2016 to provide grants to local governments to **repair or replace existing infrastructure or construct infrastructure to support new residential structures in areas outside the 100-year floodplain.**

For this program, infrastructure includes nonresidential buildings that serve the public, water, sewer, sidewalks, storm drainage, and other similar projects.

Outreach & Timeline

- **February 2017**—Grant availability announced publicly and application materials posted on website
- **February 2017**—Commerce partnered with the Association of County Commissioners, League of Municipalities, and Golden LEAF Foundation to hold information sessions in Lumberton, Kenansville, New Bern, Raleigh, Elizabeth City and Williamston.
- **April 2017**—First round of funding awards announced
- **June 2017**—Second round of funding awards announced
