13 **"§ 143B-437.52. Job Development Investment Grant Program.**

14 (a) Program. – There is established the Job Development Investment Grant Program to
15 be administered by the Economic Investment Committee. In order to foster job creation and
16 investment in the economy of this State, the Committee may enter into agreements with
17 businesses to provide grants in accordance with the provisions of this Part. The Committee, in
18 consultation with the Attorney General, shall develop criteria to be used in determining whether
19 the conditions of this section are satisfied and whether the project described in the application
20 is otherwise consistent with the purposes of this Part. Before entering into an agreement, the
21 Committee must find that all the following conditions are met:

22 (1) The project proposed by the business will create, during the term of the
23 agreement, a net increase in employment in this State by the business.

24 (2) The project will benefit the people of this State by increasing opportunities
25 for employment and by strengthening this State's economy by, for example,
26 providing worker training opportunities, constructing and enhancing critical
27 infrastructure, increasing development in strategically important industries,
28 or increasing the State and local tax base.

29 (3) The project is consistent with economic development goals for the State and
30 for the area where it will be located.

31 (4) A grant under this Part is necessary for the completion of the project in this
32 State.

33 (5) The total benefits of the project to the State outweigh its costs and render the
34 grant appropriate for the project.

35 (6) For a project located in a development tier three area, the affected local
36 governments have participated in recruitment and offered incentives in a
37 manner appropriate to the project.

38 (b) Priority. – In selecting between applicants, a project that is located in an
39 Eco-Industrial Park certified under G.S. 143B-437.08 has priority over a comparable project
40 that is not located in a certified Eco-Industrial Park.

41 (c) Awards.—Award Limitations. – The following limitations apply to grants awarded
42 under this Part:

43 (1) Maximum liability. – The maximum amount of total annual liability for
44 grants awarded in any single calendar year under this Part, including
45 amounts transferred to the Utility Account pursuant to G.S. 143B-437.61, is
46 fifteen million dollars ~~(\$15,000,000).~~ ~~(\$15,000,000) for a year in which no~~
47 grants are awarded for a high-yield project and is thirty million dollars
48 (\$30,000,000) for a year in which a grant is awarded for a high-yield project.

49 No agreement may be entered into that, when considered together with other
50 existing agreements governing grants awarded during a single calendar year,
51 could cause the State's potential total annual liability for grants awarded in a

single calendar year to exceed ~~this-the applicable~~ amount. The Department shall make every effort to ensure that the average percentage of withholdings of eligible positions for grants awarded under this Part does not exceed the average of the range provided in G.S. 143B-437.56(a).

(2) Semiannual commitment limitations. – Of the amount authorized in subdivision (1) of this subsection, no more than fifty percent (50%), excluding roll-over amounts, may be awarded in any single calendar semiannual period. A roll-over amount is any amount from a previous semiannual period in the same calendar year that was not awarded as a grant. The limitation of this subdivision does not apply to a grant awarded to a high-yield project.

(d) Measuring Employment. – For the purposes of subdivision (a)(1) of this section and G.S. 143B-437.51(5), 143B-437.51(7), and 143B-437.57(a)(11), the Committee may designate that the increase or maintenance of employment is measured at the level of a division or another operating unit of a business, rather than at the business level, if both of the following conditions are met:

- (1) The Committee makes an explicit finding that the designation is necessary to secure the project in this State.
- (2) The agreement contains terms to ensure that the business does not create eligible positions by transferring or shifting to the project existing positions from another project of the business or a related member of the business."

SECTION 1.1.(c) G.S. 143B-437.53 reads as rewritten:

"§ 143B-437.53. Eligible projects.

(a) Minimum ~~Number of Standards for~~ Eligible Positions. – A business may apply to the Committee for a grant for any project that creates the minimum number of eligible positions satisfying the wage standard as set out in the table below. If the project will be located in more than one ~~development tier area, area designation,~~ the location with the highest ~~development tier~~ area designation determines the minimum number of eligible positions that must be ~~created.~~created and the applicable wage standard. The wage standard is met if the business pays an average weekly wage for all eligible positions that is equal to or greater than the percentage provided below of the average wage for all insured private employers in the county. Before using standards greater than the applicable minimum standards established by this subsection for a project located in a development tier one or two area, the Committee must find that the deviation from the minimum standards disproportionately increases the beneficial economic impact of the project and shall include the information for each project on which the finding is based in the report required by G.S. 143B-437.55(c).

<u>Development Tier-Area Designation</u>	<u>Number of Eligible Positions</u>	<u>Wage Standard</u>
<u>Development Tier One</u>	<u>1020</u>	<u>100%</u>
<u>Development Tier Two</u>	<u>2050</u>	<u>105%</u>

"(c) Annual Reports. – The Committee shall publish a report on the Job Development Investment Grant Program on or before April 30 of each year. The Committee shall submit the report electronically to the House of Representatives Finance Committee, the Senate Finance Committee, the House of Representatives Appropriations Subcommittee on Natural and Economic Resources, the Senate Appropriations Committee on Natural and Economic Resources, and the Fiscal Research Division. The report shall include the following:

(11) A listing of all businesses making an application under this Part and an explanation of whether each business ultimately located the project in this State regardless of whether the business was awarded a grant for the project under this Part.

(11a) A listing, itemized by development tier, of the number of offers that have been calculated, estimated, or extended but were not accepted and the total award value of the offers.

...."

SECTION 1.1.(e) G.S. 143B-437.56 reads as rewritten:

"§ 143B-437.56. Calculation of minimum and maximum grants; factors considered.

(a) Subject to the ~~limitations-provisions~~ of ~~subsection-subsections (a1) and~~ (d) of this section, the amount of the grant awarded in each case shall be a percentage of the withholdings of eligible ~~positions. The percentage shall be no less than ten percent (10%) and no more than seventy five percent (75%) of the withholdings of the eligible~~ positions for a period of years. The percentage shall be no more than eighty percent (80%) for a development tier one area, no more than seventy percent (70%) for a development tier two area, no more than sixty percent (60%) for a development tier three area, and no more than fifty percent (50%) for a major market community. If the project will be located in more than one area designation, the location with the highest area designation determines the maximum percentage to be used. The percentage used to determine the amount of the grant shall be based on criteria developed by the Committee, in consultation with the Attorney General, after considering at least the following:

- (1) The number of eligible positions to be created.
- (2) The expected duration of those positions.
- (3) The type of contribution the business can make to the long-term growth of the State's economy.
- (4) The amount of other financial assistance the project will receive from the State or local governments.
- (5) The total dollar investment the business is making in the project.
- (6) Whether the project utilizes existing infrastructure and resources in the community.
- (7) Whether the project is located in a development zone.
- (8) The number of eligible positions that would be filled by residents of a development zone.
- (9) The extent to which the project will mitigate unemployment in the State and locality.

A business receiving an enhanced percentage of the withholdings of eligible positions under this subsection that fails to maintain the minimum job creation requirement or meet all terms of the agreement will be disqualified from receiving the enhanced percentage and will have the applicable percentage set forth in subsection (a) of this section applied in the year in which the failure occurs and all remaining years of the grant term.

(b) The term of the grant shall not exceed ~~12 years starting with the first year a grant payment is made. the duration listed in this subsection.~~ The first grant payment must be made within six years after the date on which the grant was awarded. The number of years in the base period for which grant payments may be made shall not exceed five years.

(1) For high-yield projects in which the business receives the enhanced percentage pursuant to subsection (a1) of this section, 20 years starting with the first year a grant payment is made. If a business is disqualified from the enhanced percentage in one of the first 12 years, the term of the grant shall not exceed 12 years starting with the first year a grant payment is made. If a business is disqualified from receiving the enhanced percentage after the first 12 years, the term of the grant ends in the year the disqualification occurs.

(2) For all other projects, 12 years starting with the first year a grant payment is made.

(c) The grant may be based only on eligible positions created during the base period.

(d) For any eligible position that is located in a major market community, eighty-five percent (85%) of the annual grant approved for disbursement shall be payable to the business, and fifteen percent (15%) shall be payable to the Utility Account pursuant to G.S. 143B-437.61. For any eligible position that is located in a development tier three area, ~~seventy-five percent (75%)~~ ninety percent (90%) of the annual grant approved for disbursement shall be payable to the business, and ~~twenty-five percent (25%)~~ ten percent (10%) shall be payable to the Utility Account pursuant to G.S. 143B-437.61. For any eligible position that is located in a development tier two area, ~~eighty-five percent (85%)~~ ninety-five percent (95%) of the annual grant approved for disbursement shall be payable to the business, and ~~fifteen percent (15%)~~ five percent (5%) shall be payable to the Utility Account pursuant to G.S. 143B-437.61. A position is located in the development tier area that has been assigned to the county in which the project is located at the time the application is filed with the Committee. This subsection does not apply to a high-yield project in years in which the business receives the enhanced percentage pursuant to subsection (a1) of this section.

(e) A business that is receiving any other grant by operation of State law may not receive an amount as a grant pursuant to this Part that, when combined with any other grants, exceeds seventy-five percent (75%) of the withholdings of the business, unless the Committee makes an explicit finding that the additional grant is necessary to secure the project.

(f) The amount of a grant associated with any specific eligible position, including any amount transferred to the Utility Account pursuant to G.S. 143B-437.61, may not exceed six thousand five hundred dollars (\$6,500) in any year."

(2) Determine the total amount of its ~~issued and outstanding capital stock, surplus and undivided profits~~ net worth.

(3) Apportion ~~such outstanding capital stock, surplus and undivided profits~~ its net worth to this State.

(b) ~~(4) Tax Rate. –~~ Every corporation taxed under this section shall annually pay to the Secretary of Revenue, at the time the return is due, the greater of the following:

(1) ~~a~~ A franchise or privilege tax at the rate of ~~one dollar and fifty cents (\$1.50) one dollar (\$1.00)~~ per one thousand dollars (\$1,000) of the amount determined under subsection (a) of this section, but in no case shall the tax be more than ~~seventy five thousand dollars (\$75,000) nor less than thirty five dollars (\$35.00)~~ one hundred fifty thousand dollars (\$150,000) nor less than two hundred dollars (\$200.00).

(2) ~~Notwithstanding the provisions of subdivision (1) of this subsection, if~~ If the tax produced pursuant to application of calculated under this paragraph (2) subdivision exceeds the tax produced pursuant to application of calculated under subdivision (1), (1) of this subsection, then the tax is levied at the rate of ~~one dollar and fifty cents (\$1.50) one dollar (\$1.00)~~ per one thousand dollars (\$1,000) on the greater of the following:

a. Fifty-five percent (55%) of the appraised value as determined for ad valorem taxation of all the real and tangible personal property in this State of each such corporation plus the total appraised value of intangible property returned for taxation of intangible personal property as computed under G.S. 105-122(d).

b. The total actual investment in tangible property in this State of such corporation as computed under G.S. 105-122(d).

...."

SECTION 5.1.(c) G.S. 105-122 reads as rewritten:

"§ 105-122. Franchise or privilege tax on domestic and foreign corporations.

(a) Tax Imposed. – An annual franchise or privilege tax is imposed on a corporation doing business in this State. The tax is determined on the basis of the books and records of the corporation as of the close of its income year. A corporation subject to the tax must file a return under affirmation with the Secretary at the place and in the manner prescribed by the Secretary. The return must be signed by the president, vice-president, treasurer, or chief financial officer of the corporation. The return is due on or before the fifteenth day of the fourth month following the end of the corporation's income year.

(b) Determination of ~~Capital Base. –~~ Net Worth. – A corporation taxed under this section shall determine the total amount of its ~~issued and outstanding capital stock, surplus, and undivided profits. No reservation or allocation from surplus or undivided profits is allowed except as provided below:~~ net worth. The net worth of a corporation is its total assets without regard to the deduction for accumulated depreciation, depletion, or amortization less its total liabilities, computed in accordance with generally accepted accounting principles as of the end

1 of the corporation's taxable year. If the corporation does not maintain its books and records in
2 accordance with generally accepted accounting principles, then its net worth is computed in
3 accordance with the accounting method used by the entity for federal tax purposes so long as
4 the method fairly reflects the corporation's net worth for purposes of the tax levied by this
5 section. A corporation's net worth is subject to the following adjustments:

- 6 (1) Definite and accrued legal liabilities. A deduction for accumulated
7 depreciation, depletion, and amortization is determined in accordance with
8 the method used for federal tax purposes.
- 9 (1a) Billings in excess of costs that are considered a deferred liability under the
10 percentage of completion method of revenue recognition.
- 11 (2) Taxes accrued, dividends declared, and reserves for depreciation of tangible
12 assets and for amortization of intangible assets as permitted for income tax
13 purposes. An addition for indebtedness the corporation owes to a parent, a
14 subsidiary, an affiliate, or a noncorporate entity in which the corporation or
15 an affiliated group of corporations owns directly or indirectly more than fifty
16 percent (50%) of the capital interests of the noncorporate entity. The amount
17 added back to the corporation's net worth may be further adjusted if part of
18 the capital of the creditor is capital borrowed from a source other than a
19 parent, a subsidiary, or an affiliate. The debtor corporation may deduct a
20 proportionate part of the indebtedness based on the ratio of the borrowed
21 capital of the creditor to the total assets of the creditor. For purposes of this
22 subdivision, borrowed capital does not include indebtedness incurred by a
23 bank arising out of the receipt of a deposit and evidenced by a certificate of
24 deposit, a passbook, a cashier's check, a certified check, or other similar
25 document.
- 26 (2a) If the creditor corporation is taxable under this Article, the creditor
27 corporation may deduct the amount of indebtedness owed to it by a parent,
28 subsidiary, or affiliated corporation to the extent that such indebtedness has
29 been added by the debtor corporation.
- 30 (3) When including deferred tax liabilities, a corporation may reduce the amount
31 included in its base by netting against that amount deferred tax assets. The
32 reduction may not decrease deferred tax liabilities below zero (0). A
33 corporation may deduct the cost of treasury stock.
- 34 (4) Reserves for the cost of any air cleaning device or sewage or waste
35 treatment plant, including waste lagoons, and pollution abatement equipment
36 purchased or constructed and installed which reduces the amount of air or
37 water pollution resulting from the emission of air contaminants or the
38 discharge of sewage and industrial wastes or other polluting materials or
39 substances into the outdoor atmosphere or streams, lakes, or rivers, upon
40 condition that the corporation claiming such deductible liability shall furnish
41 to the Secretary a certificate from the Department of Environment and
42 Natural Resources or from a local air pollution control program for
43 air cleaning devices located in an area where the Environmental
44 Management Commission has certified a local air pollution control program
45 pursuant to G.S. 143-215.112 certifying that the Environmental Management
46 Commission or local air pollution control program has found as a fact that
47 the air cleaning device, waste treatment plant or pollution abatement
48 equipment purchased or constructed and installed as above described has
49 actually been constructed and installed and that such plant or equipment
50 complies with the requirements of the Environmental Management
51 Commission or local air pollution control program with respect to such

1 devices, plants or equipment, that such device, plant or equipment is being
2 effectively operated in accordance with the terms and conditions set forth in
3 the permit, certificate of approval, or other document of approval issued by
4 the Environmental Management Commission or local air pollution control
5 program and that the primary purpose thereof is to reduce air or water
6 pollution resulting from the emission of air contaminants or the discharge of
7 sewage and waste and not merely incidental to other purposes and functions.

8 (5) Reserves for the cost of purchasing and installing equipment or constructing
9 facilities for the purpose of recycling or resource recovering of or from solid
10 waste or for the purpose of reducing the volume of hazardous waste
11 generated shall be treated as deductible for the purposes of this section upon
12 condition that the corporation claiming such deductible liability shall furnish
13 to the Secretary a certificate from the Department of Environment and
14 Natural Resources certifying that the Department of Environment and
15 Natural Resources has found as a fact that the equipment or facility has
16 actually been purchased, installed or constructed, that it is in conformance
17 with all rules and regulations of the Department of Environment and Natural
18 Resources, and the recycling or resource recovering is the primary purpose
19 of the facility or equipment.

20 (6) Reserves for the cost of constructing facilities of any private or public utility
21 built for the purpose of providing sewer service to residential and outlying
22 areas shall be treated as deductible for the purposes of this section; the
23 deductible liability allowed by this section shall apply only with respect to
24 such pollution abatement plants or equipment constructed or installed on or
25 after January 1, 1955.

26 (7) The cost of treasury stock.

27 (8) In the case of an international banking facility, the capital base shall be
28 reduced by the excess of the amount as of the end of the taxable year of all
29 assets of an international banking facility which are employed outside the
30 United States over liabilities of the international banking facility owed to
31 foreign persons. For purposes of such reduction, foreign persons shall have
32 the same meaning as defined in [G.S. 105-130.5\(b\)\(13\)d](#).

33 Every corporation doing business in this State which is a parent, subsidiary, or affiliate of
34 another corporation shall add to its capital stock, surplus, and undivided profits all indebtedness
35 owed to a parent, subsidiary, or affiliated corporation as a part of its capital used in its business
36 and as a part of the base for franchise tax under this section. If any part of the capital of the
37 creditor corporation is capital borrowed from a source other than a parent, subsidiary, or
38 affiliate, the debtor corporation, which is required under this subsection to include in its tax
39 base the amount of debt by reason of being a parent, subsidiary, or affiliate of the creditor
40 corporation, may deduct from the debt included a proportionate part determined on the basis of
41 the ratio of the borrowed capital of the creditor corporation to the total assets of the creditor
42 corporation. If the creditor corporation is also taxable under the provisions of this section, the
43 creditor corporation is allowed to deduct from the total of its capital, surplus, and undivided
44 profits the amount of any debt owed to it by a parent, subsidiary or affiliated corporation to the
45 extent that the debt has been included in the tax base of the parent, subsidiary, or affiliated
46 debtor corporation reporting for taxation under the provisions of this section.

47 (b1) Definitions. – The following definitions apply in subsection (b) of this section:

48 (1) Affiliate. – The same meaning as specified in [G.S. 105-130.2.A](#) corporation
49 is an affiliate of another corporation when both are directly or indirectly
50 controlled by the same parent corporation or by the same or associated
51 financial interests by stock ownership, interlocking directors, or by any other

1 means whatsoever, whether the control is direct or through one or more
 2 subsidiary, affiliated, or controlled corporations.

3 (2) Affiliated group. – The same meaning as defined in G.S. 105-114.1.

4 (3) Capital interest. – The right under an entity's governing law to receive a
 5 percentage of the entity's assets upon dissolution after payments to creditors.

6 (4) Governing law. – The law under which the noncorporate entity is organized.

7 ~~(2)(5)~~ Indebtedness. – All loans, credits, goods, supplies, or other capital of
 8 whatsoever nature furnished by a parent, a subsidiary, ~~or affiliated~~
 9 ~~corporation, an affiliate, or a noncorporate entity in which the corporation or~~
 10 ~~an affiliated group of corporations owns directly or indirectly more than fifty~~
 11 ~~percent (50%) of the capital interests of the noncorporate entity, other than~~
 12 indebtedness endorsed, guaranteed, or otherwise supported by one of these
 13 corporations.

14 (6) Noncorporate entity. – A person that is neither a human being nor a
 15 corporation.

16 ~~(3)(7)~~ Parent. – ~~The same meaning as specified in G.S. 105-130.2.~~A corporation is
 17 a parent of another corporation when, directly or indirectly, it controls the
 18 other corporation by stock ownership, interlocking directors, or by any other
 19 means whatsoever exercised by the same or associated financial interests,
 20 whether the control is direct or through one or more subsidiary, affiliated, or
 21 controlled corporations.

22 ~~(4)(8)~~ Subsidiary. – ~~The same meaning as specified in G.S. 105-130.2.~~A
 23 corporation is a subsidiary of another corporation when, directly or
 24 indirectly, it is subject to control by the other corporation by stock
 25 ownership, interlocking directors, or by any other means whatsoever
 26 exercised by the same or associated financial interest, whether the control is
 27 direct or through one or more subsidiary, affiliated, or controlled
 28 corporations.

29 (c1) Apportionment. – A corporation that is doing business in this State and in one or
 30 more other states must apportion its ~~capital stock, surplus, and undivided profits~~ net worth to
 31 this State. A corporation must use the apportionment method set out in subdivision (1) of this
 32 subsection unless the Department has authorized it to use a different method under subdivision
 33 (2) of this subsection. The portion of a corporation's ~~capital stock, surplus, and undivided~~
 34 profits net worth determined by applying the appropriate apportionment method is considered
 35 the amount of ~~capital stock, surplus, and undivided profits~~ net worth the corporation uses in its
 36 business in this State.

37 (1) Statutory. – A corporation that is subject to income tax under Article 4 of
 38 this Chapter must apportion its ~~capital stock, surplus, and undivided profits~~
 39 net worth by using the fraction it applies in apportioning its income under
 40 that Article. A corporation that is not subject to income tax under Article 4
 41 of this Chapter must apportion its ~~capital stock, surplus, and undivided~~
 42 profits net worth by using the fraction it would be required to apply in
 43 apportioning its income if it were subject to that Article. The apportionment
 44 method set out in this subdivision is considered the statutory method of
 45 apportionment and is presumed to be the best method of determining the
 46 amount of a corporation's ~~capital stock, surplus, and undivided profits~~ net
 47 worth attributable to the corporation's business in this State.

48 (2) Alternative. – A corporation that believes the statutory apportionment
 49 method set out in subdivision (1) of this subsection subjects a greater portion
 50 of its ~~capital stock, surplus, and undivided profits~~ net worth to tax under this
 51 section than is attributable to its business in this State may make a written

1 request to the Secretary for permission to use an alternative method. The
2 request must set out the reasons for the corporation's belief and propose an
3 alternative method. The corporation has the burden of establishing by clear,
4 cogent, and convincing proof that the statutory apportionment method
5 subjects a greater portion of the corporation's ~~capital stock, surplus, and~~
6 ~~undivided profits-net worth~~ to tax under this section than is attributable to its
7 business in this State and that the proposed alternative method is a better
8 method of determining the amount of the corporation's ~~capital stock, surplus,~~
9 ~~and undivided profits-net worth~~ attributable to the corporation's business in
10 this State.

11 The Secretary must issue a written decision on a corporation's request for
12 an alternative apportionment method. If the decision grants the request, it
13 must describe the alternative method the corporation is authorized to use and
14 state the tax years to which the alternative method applies. A decision may
15 apply to no more than three tax years. A corporation may renew a request to
16 use an alternative apportionment method by following the procedure in this
17 subdivision. A decision of the Secretary on a request for an alternative
18 apportionment method is final and is not subject to administrative or judicial
19 review. A corporation authorized to use an alternative method may apportion
20 its ~~capital stock, surplus, and undivided profits-net worth~~ in accordance with
21 the alternative method or the statutory method.

22 (3) Repealed by Session Laws 2011-330, s. 5, effective June 27, 2011.

23 (d) ~~Tax Base and Tax Rate.~~ – After determining the proportion of its ~~total capital stock,~~
24 ~~surplus and undivided profits-net worth~~ as set out in subsection (c1) of this section, which
25 amount shall not be less than fifty-five percent (55%) of the appraised value as determined for
26 ad valorem taxation of all the real and tangible personal property in this State of each
27 corporation nor less than its total actual investment in tangible property in this State, every
28 corporation taxed under this section shall annually pay to the Secretary of Revenue, at the time
29 the return is due, a franchise or privilege tax at the rate of one dollar ~~and fifty cents (\$1.50)~~
30 ~~(\$1.00)~~ per one thousand dollars (\$1,000) of the total amount of ~~capital stock, surplus and~~
31 ~~undivided profits-net worth~~ as provided in this section. The tax imposed in this section shall not
32 be less than ~~thirty-five dollars (\$35.00)~~ ~~two hundred dollars (\$200.00)~~ and is for the privilege
33 of carrying on, doing business, and/or the continuance of articles of incorporation or
34 domestication of each corporation in this State. Appraised value of tangible property including
35 real estate is the ad valorem valuation for the calendar year next preceding the due date of the
36 franchise tax return. The term "total actual investment in tangible property" as used in this
37 section means the total original purchase price or consideration to the reporting taxpayer of its
38 tangible properties, including real estate, in this State plus additions and improvements thereto
39 less reserve for depreciation as permitted for income tax ~~purposes, and also less any~~
40 ~~indebtedness incurred and existing by virtue of the purchase of any real estate and any~~
41 ~~permanent improvements made thereon. In computing "total actual investment in tangible~~
42 ~~personal property" a corporation may deduct reserves for the entire cost of any air cleaning~~
43 ~~device or sewage or waste treatment plant, including waste lagoons, and pollution abatement~~
44 ~~equipment purchased or constructed and installed which reduces the amount of air or water~~
45 ~~pollution resulting from the emission of air contaminants or the discharge of sewage and~~
46 ~~industrial wastes or other polluting materials or substances into the outdoor atmosphere or into~~
47 ~~streams, lakes, or rivers, upon condition that the corporation claiming this deduction shall~~
48 ~~furnish to the Secretary a certificate from the Department of Environment and Natural~~
49 ~~Resources or from a local air pollution control program for air cleaning devices located in an~~
50 ~~area where the Environmental Management Commission has certified a local air pollution~~
51 ~~control program pursuant to G.S. 143-215.112 certifying that said Department or local air~~

1 ~~pollution control program has found as a fact that the air-cleaning device, waste treatment plant~~
2 ~~or pollution abatement equipment purchased or constructed and installed as above described~~
3 ~~has actually been constructed and installed and that the device, plant or equipment complies~~
4 ~~with the requirements of the Environmental Management Commission or local air pollution~~
5 ~~control program with respect to the devices, plants or equipment, that the device, plant or~~
6 ~~equipment is being effectively operated in accordance with the terms and conditions set forth in~~
7 ~~the permit, certificate of approval, or other document of approval issued by the Environmental~~
8 ~~Management Commission or local air pollution control program and that the primary purpose is~~
9 ~~to reduce air or water pollution resulting from the emission of air contaminants or the discharge~~
10 ~~of sewage and waste and not merely incidental to other purposes and functions. The cost of~~
11 ~~constructing facilities of any private or public utility built for the purpose of providing sewer~~
12 ~~service to residential and outlying areas is treated as deductible for the purposes of this section;~~
13 ~~the deductible liability allowed by this section applies only with respect to pollution abatement~~
14 ~~plants or equipment constructed or installed on or after January 1, 1955.~~purposes.

15 (d1) Credits.—A corporation is allowed a credit against the tax imposed by this section
16 for a taxable year equal to one-half of the amount of tax payable during the taxable year under
17 Article 5E of this Chapter. The credit allowed by this subsection may not exceed the amount of
18 tax imposed by this section for the taxable year, reduced by the sum of all other credits allowed
19 against that tax, except tax payments made by or on behalf of the taxpayer.

20 (e) Any corporation which changes its income year, and files a "short period" income
21 tax return pursuant to G.S. 105-130.15 shall file a franchise tax return in accordance with the
22 provisions of this section in the manner and as of the date specified in subsection (a) of this
23 section. Such corporation shall be entitled to deduct from the total franchise tax computed (on
24 an annual basis) on such return the amount of franchise tax previously paid which is applicable
25 to the period subsequent to the beginning of the new income year.

26 (f) The return and tax required by this section are in addition to all other reports
27 required or taxes levied and assessed in this State.

28 (g) Counties, cities and towns shall not levy a franchise tax on corporations taxed under
29 this section."

30 **SECTION 5.1.(d)** This section is effective for taxable years beginning on or after
31 January 1, 2017.

32 **SECTION 5.2.(a)** G.S. 105-114.1 reads as rewritten:

36 owns more than fifty percent (50%) of the capital interests in a noncorporate limited liability
37 company, the corporation or group of corporations must include in its three tax bases pursuant
38 to G.S. 105-122 the same percentage of (i) the noncorporate limited liability company's ~~capital~~
39 ~~stock, surplus, and undivided profits; net worth;~~ (ii) fifty-five percent (55%) of the
40 noncorporate limited liability company's appraised ad valorem tax value of property; and (iii)
41 the noncorporate limited liability company's actual investment in tangible property in this State,
42 as appropriate.

43 ...
44 (d) No Double Inclusion. – If a corporation is required to include a percentage of a
45 noncorporate limited liability company's assets in its tax bases under this Article pursuant to
46 subsection (b) of this section, its investment in the noncorporate limited liability company is
47 not included in its computation of ~~capital stock-net worth~~ base under G.S. 105-122(b).

9 upon all of the following factors:

27 (e) Alternatives to Tables. – If the Secretary determines that use of the withholding
28 tables would be impractical, would impose an unreasonable burden on an employer, or would
29 produce substantially incorrect results, the Secretary may authorize or require an employer to
30 use some other method of determining the amounts to be withheld under this Article. The
31 alternative method authorized by the Secretary must reasonably approximate the predicted

33 subsection (b) of this section. In addition, with the agreement of the employer and employee,
34 the Secretary may authorize an employer to use an alternative method that results in

36 The Secretary's authorization of an alternative method is discretionary and may be
37 cancelled at any time without advance notice if the Secretary finds that the method is being
38 abused or is not resulting in the withholding of an amount reasonably approximating the
39 predicted income tax liability of the affected employees. The Secretary shall give an employer
40 written notice of any cancellation and the findings upon which the cancellation is based. The
41 cancellation becomes effective upon the employer's receipt of this notice or on the third day
