If, by October 15, 2006, the Boards determine any or all of these programs have been successful, they shall jointly develop a prototype plan for similar programs that could be expanded across the State. This plan shall be included in their report to the Joint Legislative Education Oversight Committee that is due by October 15, 2007.

§§ 115C-238.56 through 115C-238.59: Reserved for future codification purposes.

SECTION 3. Local school administrative units and the State Board of Education shall identify, strengthen, and adopt policies and procedures that encourage students to remain in high school rather than to drop out and that encourage all students to pursue a rigorous academic course of study. As part of this process, the State Board and the local school administrative units are encouraged to eliminate or revise any policies or procedures that discourage some students from completing high school or that discourage any student from pursuing a rigorous academic course of study. No later than March 1, 2004, local school administrative units shall report to the State Board of Education the policies they have identified, strengthened, adopted, and eliminated under this section. No later than April 15, 2004, the State Board shall report to the Joint Legislative Education Oversight Committee on these policies as well as on the policies the Board has identified, strengthened, adopted, and eliminated under this section.
