

**§ 131A-21. Tax exemption.**

The exercise of the powers granted by this Chapter will be in all respects for the benefit of the people of the State and will promote their health and welfare. If bonds or notes are issued by the Commission to provide or improve a health care facility, then until the bonds or notes are retired, the facility for which bonds or notes are issued is exempt from property taxes to the extent provided in this section. If refunding bonds or notes are issued to refund bonds or notes issued to provide or improve a health care facility, the facility will continue to be exempt from property taxes as provided in this section until such time as the refunding bonds or notes are retired, provided that the final maturity of the refunding bonds or notes does not extend beyond the final maturity of the original bonds or notes.

Property may be exempt from property taxes as provided in this section if a timely application for the exemption is filed with the assessor of the county in which the property is located as required under G.S. 105-282.1. The property tax exemption under this section shall not exceed the lesser of the original principal amount of the bonds or notes or the assessed value for ad valorem tax purposes of the facility. If bonds or notes are issued to finance more than one health care facility, only that portion of the principal amount of the bonds or notes used to provide or improve the particular facility, including any allocable reserves and financing costs, may be considered for the purpose of determining the amount of the exemption allowable under this section. The exemption authorized by this section shall begin with the first full tax year of the taxpayer following the issuance of the bonds and notes. This section does not affect a health care facility's eligibility for a property tax exemption under Subchapter II of Chapter 105 of the General Statutes.

Any bonds or notes issued by the Commission under the provisions of this Chapter shall at all times be free from taxation by the State or any local unit or political subdivision or other instrumentality of the State, excepting inheritance, estate, or gift taxes, income taxes on the gain from the transfer of the bonds and notes, and franchise taxes. The interest on the bonds and notes is not subject to taxation as income. (1975, c. 766, s. 1; 1995, c. 46, s. 12; 2000-20, s. 1; 2001-139, s. 10.)
