<p>** Five bills which passed in 1993 were assigned chapter numbers 556 through 560, but were not signed and therefore not ratified during the 1993 Regular Session. All but House Bill 1319 (originally chapter 560), were signed early in the 1994 Regular Session and retained the chapter numbers originally assigned in 1993 (chapters 556, 557, 559 &amp; 562). Chapter 560 was used at the beginning of the 1994 Regular Session for another ratified bill and House Bill 1319 (the studies bill) later became Chapter 771 of the 1994 Session.</p>
